The assessments provided with the Science
Fusion program were too difficult for my
students, especially in the first half of the year.
So, I created these assessments using
information from the teacher's edition, student
edition, and assessment source book.

Learning to think like a

scientist, is the foundation
for 4th Grade science. Using
our adopted science series ~
Science Fusion, will help my
young scientist be engaged in
exploration. We will learn to
use the scientific method and
tools to help investigate our
world.

”Science Fusion is one of the best science curriculums I have ever used. While it is a little pricey in that it is disposable and non recyclable, it provides tons of resources, clear and

twaddle-free instruction, and lots of options regarding how to use the curriculum. The virtual labs are especially neat.
