Science Journal Submission Guidelines

Open Science Journal | Submissions

Submissions must have 1.5 spacing at a minimum, or be double-spaced, with 11-point

font and 1-inch margins all around. Double Blind. Management Science conducts double-blinded reviews, meaning that both the authors and the reviewers are 'blind' to the identity of the other. Authors must remove explicit indications of the authors' names and institutions and all acknowledgments must be removed.

The system you use will depend on the journal to which you submit. You can access the relevant submission system via the "submit your paper" link on the Elsevier.com journal homepage of your chosen journal. Alternatively, if you have been invited to submit to a journal, follow the instructions provided to you.
