incomplete mission. The uncrewed  
demonstration of Boeing's  
Starliner capsule is cut short  
because of technical problems.

### Science Journal for Kids and Teens

A Methane Leak, Seen From Space,  
Proves to Be Far Larger Than  
Thought. The first satellite  
designed to continuously monitor  
the planet for methane leaks made  
a startling discovery last year: A  
little known gas-well accident at  
an Ohio fracking site was in fact  
one of the largest methane leaks  
ever recorded in the United  
States. The findings by a Dutch-  
American team of scientists

Scientific American is the  
essential guide to the most awe-  
inspiring advances in science and  
technology, explaining how they  
change our understanding of the  
world and shape our lives.
