Exam Board: OCR Level & Subject: GCSE Combined Science First teaching: September 2016 First exams: June 2018 OCR endorsed GCSE Science is changing and OCR Gateway GCSE (9-1) Physics for Combined Science from Collins has been developed to embed the skills your students need to succeed in all three assessment

objectives, while providing a clear and supportive route through the new, more challenging GCSE content. \* Each spread starts with language and ideas at a lower level and increases in complexity, engaging students of all ability levels \* Key concept spreads highlight knowledge that students must grasp before they can move on \* Dedicated pages on analysing, interpreting and evaluating practicals, so students are fully prepared for the indirect assessment. \* Maths activities at the appropriate level are embedded throughout, along with Maths skills pages that

focus on developing the skills needed for each topic \* Prepare students for the demands of the new specification with differentiated questions, worked examples and lots of opportunities to practice \* Co-teach both Foundation and Higher tier with a single book (the Higher-only content is clearly flagged). OCR Gateway GCSE Biology Student Book Pearson Education Ltd  
OCR Gateway GCSE Science Essentials covers all the exam-assessed content on the OCR Gateway Science specification. It is designed to help students get the most out of their revision - information is broken down into

---

manageable chunks and higher tier material is clearly differentiated on the page.

OCR Twenty-First Century GCSE Additional Science HarperCollins UK
