GCSE Science is changing

and OCR Gateway GCSE

(9-1) Physics for Combined

Science from Collins has been

developed to embed the skills

your students need to succeed

in all three assessment

objectives, while providing a

clear and supportive route

through the new, more

challenging GCSE content. *

Each spread starts with

language and ideas at a lower

level and increases in

complexity, engaging students

of all ability levels * Key

concept spreads highlight

knowledge that students must

grasp before they can move on

* Dedicated pages on
analysing, interpreting and
evaluating practicals, so
students are fully prepared for
the indirect assessment. *

Maths activities at the
appropriate level are embedded
throughout, along with Maths
skills pages that focus on
developing the skills needed
for each topic * Prepare
students for the demands of the
new specification with
differentiated questions,
worked examples and lots of
opportunities to practice * Co-
teach both Foundation and
Higher tier with a single book
(the Higher-only content is
clearly flagged).

For OCR Gateway

(Grade 9-1) .. Exam

practice answer book.
