A unique exploration of the history of the bicycle in cinema, from Hollywood blockbusters and slapstick comedies to documentaries, realist dramas, and experimental films. Cycling and Cinema explores the history of the bicycle in cinema from the late nineteenth century through to the present day. In this new book from Goldsmiths Press, Bruce Bennett examines a wide variety of films from around the world, ranging from Hollywood blockbusters and slapstick comedies to documentaries, realist dramas, and experimental films, to consider the complex, shifting cultural significance of the bicycle. The bicycle is an everyday technology, but in examining the ways in which bicycles are used in films, Bennett reveals the rich social and cultural importance of this apparently unremarkable machine. The cinematic bicycles discussed in this book have various functions. They are the source of absurd comedy in silent films, and the vehicles that allow their

owners to work in sports films and social realist cinema. They are a means of independence and escape for children in melodramas and kids' films, and the tools that offer political agency and freedom to women, as depicted in films from around the world. In recounting the cinematic history of the bicycle, Bennett reminds us that this machine is not just a practical means of transport or a child's toy, but the vehicle for a wide range of meanings concerning individual identity, social class, nationhood and belonging, family, gender, and sexuality and pleasure. As this book shows, two hundred years on from its invention, the bicycle is a revolutionary technology that retains the power to transform the world.

"Snapped" is the fourth thrilling Tracers novel from "New York Times"- and "USA Today"-bestselling author Griffin. Original.

Unspeakable Simon and Schuster

From the New York Times bestselling author who "excels at detailing the mystery and the chase" (Publishers Weekly) comes a tense thriller that combines action, danger, and passion. Will he help prove her innocence...or lead a killer to her door? Courtney Glass has been in trouble all her life, but nothing tops being an up-close witness to a brutal murder. Until she 's accused of the crime. Every scrap of evidence points to her guilt, and only Courtney knows what really happened. Now she must prove that she 's not a murderer...but is one of

the killer ' s intended victims. As police investigators hammer her for answers, Courtney knows she has two choices: run, or trust the brooding, sexy detective who ' s made it clear she ' s his prime suspect. Will Hodges doesn ' t need Special Forces training to know that, despite Courtney ' s killer looks and razor-sharp tongue, her tough-girl act hides a vulnerable woman with a deadly secret. As the body count rises, Will realizes that a lethal enemy has Courtney in his crosshairs. The killer is waiting, watching her every move—and he won ' t stop until her fear has grown from a whisper to a scream...

Unforgivable Penguin

This ebook anthology contains the first three books in rising star Laura Griffin's thrilling "Tracer" series. UNTRACEABLE Private Investigator Alexandra Lovell helps clients drop off the radar and begin new lives in safety. But when one of her clients vanishes for real, Alex fears the worst and embarks on a mission to uncover the truth with the help of an elite forensics team known as the Tracers and jaded, sexy homicide cop Nathan Devereaux. As a grim picture of what really happened begins to emerge, Nathan realizes this investigation runs deeper than they could have guessed. And each step nearer the truth puts Alex in danger of being the next to disappear. UNSPEAKABLE Elaina McCord's dream of being an FBI profiler is threatened by her very first case--investigating a string of murders near a Texas beach resort. Her hunch--met with disbelief by local police--is that these are only the latest offerings from a serial killer who has been perfecting his art for years. Her only allies in a case that's turning dangerously personal are a team of forensic experts known as the Tracers and true-crime writer and irresistible playboy Troy Stockton. A killer is taunting Elaina, letting her know how ruthless he is and how close he's getting. Now it's not just her career that's in jeopardy--it's her life. UNFORGIVABLE A DNA expert, Mia Voss has made it her mission to put away vicious criminals. When her already lousy day ends with a carjacking, it seems like just the icing on top of the cake. But what what Mia thought was a random incident is followed by another sinister

episode. Suddenly, she's found herself the target of a sadistic madman. And the only way to protect the people she loves most is to either deliberately destroy her reputation and risk letting a killer walk free or put her trust in Detective Ric Santos, whose turbulent past ruined his chances with Mia in the past. Only Mia can uncover the truth behind the case, but first, Ric will have to get her to entrust him with her secrets...and her life.

Unbroken (Movie Tie-in Edition) Penguin

The violence wrought by climate change, toxic drift, deforestation, oil spills, and the environmental aftermath of war takes place gradually and often invisibly. Using the innovative concept of "slow violence" to describe these threats, Rob Nixon focuses on the inattention we have paid to the attritional lethality of many environmental crises, in contrast with the sensational, spectacle-driven messaging that impels public activism today. Slow violence, because it is so readily ignored by a hard-charging capitalism, exacerbates the vulnerability of ecosystems and of people who are poor, disempowered, and often involuntarily displaced, while fueling social conflicts that arise from desperation as life-sustaining conditions erode. In a book of extraordinary scope, Nixon examines a cluster of writer-activists affiliated with the environmentalism of the poor in the global South. By approaching environmental justice literature from this transnational perspective, he exposes the limitations of the national and local frames that dominate environmental writing. And by skillfully illuminating the strategies these writer-activists deploy to give dramatic visibility to environmental emergencies, Nixon invites his readers to engage with some of the most pressing challenges of our time.

When they face the most baffling missing person's case of their careers, a fiercely ambitious lawyer and a homicide detective have no one to turn to for help except each other, from New York Times bestselling author Laura Griffin. Up-and-coming attorney Leigh Larson fights for victims of sexual extortion, harassment, and online abuse. She is not afraid to go after the sleaziest targets to get payback for her clients. Leigh is laser-

focused on her career—to the exclusion of everything else—until a seemingly routine case and a determined cop turn her world upside down. Austin homicide detective Brandon Reynolds is no stranger to midnight callouts. But when he gets summoned to an abandoned car on a desolate road, he quickly realizes he's dealing with an unusual crime scene. A pool of blood in the nearby woods suggests a brutal homicide. But where is the victim? The vehicle is registered to twenty-six-year-old Vanessa Adams. Searching the car, all Brandon finds is a smear of blood and a business card for Leigh Larson, attorney-at-law. Vanessa had hired Leigh just before her disappearance, but Leigh has no leads on who could have wanted her dead. Faced with bewildering evidence and shocking twists, Leigh and Brandon must work against the clock to chase down a ruthless criminal who is out for vengeance.

Data and Goliath: The Hidden Battles to Collect Your Data and Control Your World Simon and Schuster

This publication presents fascinating new findings on ancient Romano-Egyptian funerary portraits preserved in international collections. Once interred with mummified remains, nearly a thousand funerary portraits from Roman Egypt survive today in museums around the world, bringing viewers face-to-face with people who lived two thousand years ago. Until recently, few of these paintings had undergone in-depth study to determine by whom they were made and how. An international collaboration known as APPEAR (Ancient Panel Paintings: Examination, Analysis, and Research) was launched in 2013 to promote the study of these objects and to gather scientific and historical findings into a shared database. The first phase of the project was marked with a two-day conference at the Getty Villa. Conservators, scientists, and curators presented new research on topics such as provenance and collecting, comparisons of works across institutions, and scientific studies of pigments, binders, and supports. The papers and posters from the conference are collected in this publication, which offers the most up-

to-date information available about these fascinating remnants of the ancient world. The free online edition of this open-access publication is available at www.getty.edu/publications/mummyportraits/ and includes zoomable illustrations and graphs. Also available are free PDF, EPUB, and Kindle/MOBI downloads of the book.

Total Control Simon and Schuster
#1 NEW YORK TIMES BESTSELLER • The incredible true story of survival and salvation that is the basis for two major motion pictures: 2014 ’ s *Unbroken* and the upcoming *Unbroken: Path to Redemption*. On a May afternoon in 1943, an Army Air Forces bomber crashed into the Pacific Ocean and disappeared, leaving only a spray of debris and a slick of oil, gasoline, and blood. Then, on the ocean surface, a face appeared. It was that of a young lieutenant, the plane ’ s bombardier, who was struggling to a life raft and pulling himself aboard. So began one of the most extraordinary odysseys of the Second World War. The lieutenant ’ s name was Louis Zamperini. In boyhood, he ’ d been a cunning and incorrigible delinquent, breaking into houses, brawling, and fleeing his home to ride the rails. As a teenager, he had channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics and within sight of the four-minute mile. But when war had come, the athlete had become an airman, embarking on a journey that led to his doomed flight, a tiny raft, and a drift into the unknown. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, a foundering raft, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. In her long-awaited new book, Laura Hillenbrand writes with the same rich and vivid narrative voice she displayed in *Seabiscuit*. Telling an unforgettable story of a man ’ s journey into extremity, *Unbroken* is a testament to the resilience of the human mind, body, and spirit. Praise for *Unbroken* “ Extraordinarily moving . . . a powerfully drawn survival epic. ” —The Wall Street Journal “ [A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurby adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring. ” —New York “ Staggering . . . mesmerizing . . . Hillenbrand ’ s writing is so ferociously cinematic, the events she describes so incredible, you don ’ t dare take your eyes off the

page. ” —People “ A meticulous, soaring and beautifully written account of an extraordinary life. ” —The Washington Post
“ Ambitious and powerful . . . a startling narrative and an inspirational book. ” —The New York Times Book Review
“ Marvelous . . . Unbroken is wonderful twice over, for the tale it tells and for the way it ’ s told. . . . It manages maximum velocity with no loss of subtlety. ” —Newsweek “ Moving and, yes, inspirational . . . [Laura] Hillenbrand ’ s unforgettable book . . . deserve[s] pride of place alongside the best works of literature that chart the complications and the hard-won triumphs of so-called ordinary Americans and their extraordinary time. ” —Maureen Corrigan, Fresh Air “ Hillenbrand . . . tells [this] story with cool elegance but at a thrilling sprinter ’ s pace. ” —Time “ Unbroken is too much book to hope for: a hellride of a story in the grip of the one writer who can handle it. ” —Christopher McDougall, author of Born to Run
