I teach 3rd grade. We were working through a non fiction writing unit. One student chose to research and write about sharks. When asked to answer where sharks came from she answered, " San Jose " as though there were no other possible answer. It took a second for me to figure out she was talking about the San Jose Sharks hockey team!

Shelves: ebook, debuts, bechdel-test, dead-tree, alternating-close-3rd-person A nice nostalgia read courtesy of Worldreader Mobile and Open Road Media. I was so glad to find that the ebook has the gorgeous illustrations by L. Kate Deal, which make living in a boxcar and eating stew made of castoff runt vegetables just seem even that much more ...

It is rarely necessary to wait 24 hours before filing a missing person report. In instances where there is evidence of violence or of an unusual absence, law enforcement agencies in the United States often stress the importance of beginning an investigation promptly. The UK government website reads in large type, "You do not have to wait 24 hours before contacting the police."
