The Turn of the Screw Penguin
From the trailblazing founder and CEO of the Virgin Group, a powerful argument for using business to make a positive impact in the world. Richard Branson, one of the world ’ s most famous and admired business leaders, argues that it ’ s time to turn capitalism upside down—to shift our values from an exclusive focus on profit to also caring for people, communities and the planet. As he writes, “ My message is a simple one: business as usual isn ’ t working. In fact, it ’ s ‘ business as usual ’ that ’ s wrecking our planet. Resources are being used up; the air, the sea, the land—are all heavily polluted. The poor are getting poorer. Many are dying of starvation or because they can ’ t afford a dollar a day for life-saving medicine. . . . Prophesying doom and gloom is simply not my style. . . . I think business can help fix things and create a more prosperous world for everyone. I happen to believe in business because I believe that business can be a force for good. By that I mean doing good is good for business. ” Screw Business as Usual shows how easy it is for both businesses and individuals to embark on a whole new way of doing things, solving major problems and turning our work into something we both love and are proud of.

Screw It, Let's Do It Currency
“One of the best love stories I’ve ever read.”
—Angie Thomas, #1 New York Times bestselling author of The Hate U Give “Read this one, reread it, and then hug it to your chest.” —Becky Albertalli, #1 New York Times bestselling author of Simon vs. the Homo Sapiens Agenda Debut author Justin A. Reynolds delivers a hilarious and heartfelt novel about the choices we make, the people we choose, and the moments that make a life worth reliving. Perfect for fans of Nicola Yoon and John Green. When Jack and Kate meet at a party, bonding until sunrise over their mutual love of Froot Loops and their favorite flicks, Jack knows he’s falling—hard. Soon she’s meeting his best friends, Jillian and Franny, and Kate wins them over as easily as she did Jack. But then Kate dies. And their story should end there. Yet Kate’s death sends Jack back to the beginning, the moment they first meet, and Kate’s there again. Healthy, happy, and charming as ever. Jack isn’t sure if he’s losing his mind. Still, if he has a chance to prevent Kate’s death, he’ll take it. Even if that means believing in time travel. However, Jack will learn that his actions are not without consequences. And when one choice turns deadly for someone else close to him, he has to figure out what he’s willing to do to save the people he loves.

One Good Turn Harper Collins
Special edition slipcase edition of John Green's Paper Towns, with pop-up paper town. From the bestselling author of The Fault in our Stars. Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and

hilarious coming-of-age story.
Everything Trump Touches Dies Portfolio
Transform the art of innovation into a reliable system! System Driven Innovation enables you and everyone on your team to use innovation to work smarter, faster, and more creatively. It transforms innovation from a random act to a reliable science. This new mindset ignites confidence in the future. It enables the creation of bigger and bolder ideas—and turns them into reality faster, smarter, and more successfully. With this new mindset, innovation by everyone, everywhere, every day becomes the norm. The rapidly changing world becomes a tremendous opportunity to achieve greatness. Innovation Engineering defines innovation in two words: Meaningfully Unique. When a product, service, or job candidate is Meaningfully Unique customers are willing to pay more money for it. This links to the two simple truths in today ’ s marketplace: If you ’ re Meaningfully Unique life is great! If you ’ re NOT Meaningfully Unique you ’ d better be cheap. Innovation Engineering is a new field of academic study and leadership science. It teaches how to apply the science of system thinking to strategy, innovation, and cooperation. Research finds that it helps to increase innovation speed (up to 6x) and decrease risk (by 30 to 80%). Innovation Engineering accelerates the creation and development of more profitable products and services. However, the bigger benefit may well lie in its ability to transform organizational cultures by enabling everyone to work smarter every day. What makes Innovation Engineering unique is that it ’ s grounded in data, backed by academic theory, and validated in real-world practice. Collectively, it ’ s the number one documented innovation system on earth. Over 35,000 people have been educated in Innovation Engineering classes, and more than \$15 billion in innovations are in active development. In his book Driving Eureka!, best-selling business author Doug Hall presents the System Driven Innovation scientific method for enabling innovation by everyone, everywhere, every day. It ’ s the essential resource you need to enable yourself—and your team—to innovate, succeed, and do amazing things that matter, on a daily basis.

The Book Thief Knopf Books for Young Readers
In this humorous and perceptive exchange between two devils, C. S. Lewis delves into moral questions about good vs. evil, temptation, repentance, and grace. Through this wonderful tale, the reader emerges with a better understanding of what it means to live a faithful life.

The Turning (Movie Tie-In) Penguin
“ Makes a provocative case that you should put customers second, close open offices, and ditch performance appraisals. ” —Adam Grant, best-selling author of Originals “ Under New Management is a lively, provocative must-read. ” —Whitney Johnson, author of Disrupt Yourself. Why accepted management practices don ’ t work—and how innovative companies are changing the rules Should your employees know each other ’ s salaries? Is your vacation policy harming productivity? Does your hiring process undermine your team? David Burkus argues that the traditional management playbook is full of outdated, counterproductive practices, and he reveals how the alternative management revolution has already started at companies like Netflix, Zappos, Google, and others. Burkus investigates behind their office doors to show how these companies are reevaluating and reinventing the most basic management principles, like hiring, firing, vacation policy, and even office floor plan, and enhancing their business ’ s success as a result. “ Is your company ready for a radical departure from twentieth-century management standards? David Burkus has collected the stories of dozens of companies that are standing the old rules on their heads. Even better, Burkus shows how you can do it, too. ” —Daniel H. Pink, best-selling author of Drive and To Sell Is Human ? “ If you are going to read one book on being a better manager in the next year, start here. David Burkus has assembled the most practical research and provocative ideas into an incredibly quick read. ” —Tom Rath, best-selling author of StrengthsFinder 2.0 The Screwtape Letters (Enhanced Special Illustrated Edition) Simon and Schuster
Business As Usual by Jane Oliver and Ann Stafford was first published in 1933. It's a delightful illustrated novel in letters from Hilary Fane, an Edinburgh girl fresh out of university who is determined to support herself by her own earnings in London for a year, despite the mutterings of her surgeon fiancé . After a nervous beginning looking for a job while her savings rapidly diminish, she finds work as a typist in the London department store of Everyman's (a very thin disguise for Selfridges), and rises rapidly through the ranks to work in the library, where she has to enforce modernising systems on her entrenched and frosty colleagues. Business as Usual is charming: intelligent, heart-warming, funny, and entertaining. It's deeply interesting as a record of the history of shopping in the 1930s, and also fascinating for its unflinching descriptions of social conditions, poverty and illegitimacy. 'Jane Oliver' was the pen-name of Helen Evans (1903-1970). Formerly Clemence Dane's secretary, she developed a writing career, and wrote many successful novels with Ann Stafford (the pen-name of Anne Pedler). Business as Usual was their first joint novel. Jane became a pilot and married the author John Llewelyn Rhys, who was killed in the war. She founded the Llewelyn Rhys Prize in his memory. She later lived in Hampshire near Anne Pedler, and cared for

her in her illness.
The Virgin Way Screw Business As UsualTurning Capitalism into a Force for Good
One of the world's most famous business leaders (and a well-known avian fanatic) explores the pioneers of flight. Bestselling author and billionaire entrepreneur Sir Richard Branson has always been obsessed with the skies. To promote a new Virgin Airlines route, he became the first man to water ski behind a blimp. His Virgin Galactic venture will soon offer ordinary people the opportunity to experience spaceflight aboard the first commercial spaceliner, SpaceShipTwo. In Reach for the Skies, Branson examines the history of aviation over the last two hundred years, putting the spotlight on trailblazers such as: *Tony Jannus, who made the first ever commercial flight over Tampa Bay, Florida, in 1914. *Leo Valentin, the "bird man" who jumped from 9,000 feet wearing a pair of wooden wings in the 1950s. *Steve Fossett, who broke 130 world records in planes, balloons, and airships. The pioneers of flight-not just the world-famous Wright Brothers, but also lesser known visionaries and dreamers-made it possible for any of us with the desire and the commitment to reach for the skies ourselves. Creativity, Inc. Currency
It ’ s Never Too Late to Top Your Personal Best. Both a riveting account of a life spent pulling off improbable triumphs and a report back from the front of the global-energy and natural-resource wars, The First Billion Is the Hardest tells the story of the remarkable late-life comeback that brought the famed oilman and maverick back from bankruptcy and clinical depression. Along the way, the man often called the “ Oracle of Oil ” shares the insights that have made him a legend – and describes the billion-dollar bets he is now making in hopes of securing America ’ s energy independence.

“ Sassy...breezes along...salted with earthy aphorisms. ” —Bloomberg Businessweek “ Boone ’ s analysis of America ’ s energy situation is 100 percent on the money.... The country should listen to him – now! ” —Warren Buffett, chairman and CEO, Berkshire Hathaway “ Self-deprecating and audacious...overall, it ’ s decidedly informative about the machinations of business. ” – Dallas Morning News “ A fascinating, eye-opening book by one of America ’ s greatest iconoclasts and entrepreneurs. Boone Pickens ’ sense of daring and innovation has never been sharper. ” – Steve Forbes, president and CEO, Forbes Inc., and editor in chief of Forbes magazine Paper Towns Random House

Draws on more than forty interviews with Steve Jobs, as well as interviews with family members, friends, competitors, and colleagues to offer a look at the co-founder and leading creative force behind the Apple computer company.
Jack Welch, General Electric, and the Pursuit of Profit Penguin
This book is enhanced with content such as audio or video, resulting in a large file that may take longer to download than expected. The Deluxe Illustrated Edition of a Timeless Classic Now with this enhanced edition, readers can gain additional insight through video interviews, audio excerpts and letters from C. S. Lewis. First published in 1942, The Screwtape Letters has sold millions of copies world-wide and is recognized as a milestone in the history of popular theology. A masterpiece of satire, it entertains readers with its sly and ironic portrayal of human life and foibles from the vantage point of Screwtape, a highly placed assistant to “ Our Father Below. ” At once wildly comic, deadly serious, and strikingly original, The Screwtape Letters is the most engaging account of temptation—and triumph over it—ever written.

Lying HarperCollins
Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

In the Cage Random House
#1 New York Times bestseller! A respected, long-time Republican strategist, ad-maker, and contributor for The Daily Beast skewers the disease that is destroying the conservative movement and burning down the GOP: Trumpism. Includes an all-new chapter analyzing Trump ’ s impact on the 2018 elections. In the #1 New York Times bestselling Everything Trump Touches Dies, political campaign strategist and commentator Rick Wilson delivers “ a searingly honest, bitingly funny, comprehensive answer to the question we find ourselves asking most mornings: ‘ What the hell is going on? ’ (Chicago Tribune). The Guardian hails Everything Trump Touches Dies, saying it gives, “ more

unvarnished truths about Donald Trump than anyone else in the American political establishment has offered. Wilson never holds back. ” Rick mercilessly exposes the damage Trump has done to the country, to the Republican Party, and to the conservative movement that has abandoned its principles for the worst President in American history. Wilson unblinkingly dismantles Trump ’ s deceptions and the illusions to which his supporters cling, shedding light on the guilty parties who empower and enable Trump in Washington and in the media. He calls out the race-war dead-enders who hitched a ride with Trump, the alt-right basement dwellers who worship him, and the social conservatives who looked the other way. Publishers Weekly calls it, “ a scathing, profane, unflinching, and laugh-out-loud funny rebuke of Donald Trump and his presidency. ” No left-winger, Wilson is a lifelong conservative who delivers his withering critique of Trump from the right. A leader of the Never Trump movement, he warned from the start that Trump would destroy the lives and reputations of everyone in his orbit, and Everything Trump Touches Dies is a deft chronicle the tragicomic political story of our time. From the early campaign days through the shock of election night, to the inconceivable train-wreck of Trump ’ s first year. Rick Wilson provides not only an insightful analysis of the Trump administration, but also an optimistic path forward for the GOP, the conservative movement, and the country. “ Hilarious, smartly written, and usually spot-on ” (Kirkus Reviews), Everything Trump Touches Dies is perfect for those on either side of the aisle who need a dose of unvarnished reality, a good laugh, a strong cocktail, and a return to sanity in American politics.

At Any Cost Zondervan
#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE ’ S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can ’ t resist – books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time. “ The kind of book that can be life-changing. ” —The New York Times “ Deserves a place on the same shelf with The Diary of a Young Girl by Anne Frank. ” —USA Today DON ’ T MISS BRIDGE OF CLAY, MARKUS ZUSAK ’ S FIRST NOVEL SINCE THE BOOK THIEF.

Powering Profit with Purpose Handheld Classics
As it was in Anna Karenina, Madame Bovary, and Othello, so it is in life. Most forms of private vice and public evil are kindled and sustained by lies. Acts of adultery and other personal betrayals, financial fraud, government corruption—even murder and genocide—generally require an additional moral defect: a willingness to lie. In Lying, best-selling author and neuroscientist Sam Harris argues that we can radically simplify our lives and improve society by merely telling the truth in situations where others often lie. He focuses on "white" lies—those lies we tell for the purpose of sparing people discomfort—for these are the lies that most often tempt us. And they tend to be the only lies that good people tell while imagining that they are being good in the process.

Magnify Your Impact Penguin
This is a book on leadership from someone who has never read a book on leadership in his life. While building the Virgin Group over the course of forty years, Richard Branson has never shied away from tackling seemingly outlandish challenges that others (including his own colleagues on many occasions) considered sheer lunacy. He has taken on giants like British Airways and won, and monsters like Coca-Cola and lost. Now Branson gives an inside look at his strikingly different, swashbuckling style of leadership. Learn how fun, family, passion, and the dying art of listening are key components to what his extended family of employees around the world has always dubbed (with a wink) "the Virgin Way." This unique perspective comes from a man who dropped out of school at sixteen, suffers from dyslexia, and has never worked for anyone but himself. He may be famous for thinking outside the box--an expression he despises--but Branson asserts that "you'll never have to think outside the box if you refuse to let anyone build one around you."

Screw Business as Usual Penguin
Sir Richard Branson ’ s amazing memoir is now updated to include the effect on the Virgin Group of 11 September, his views on the war in Iraq, the rise of Virgin Blue and the flotation of Virgin Mobile. Discover how Virgin is moving into the US domestic flight market and why he set up the charitable body “ Virgin Unite ” . As ever, his thirst for challenge is unquenched. Sir Richard reveals the thrills of the world record attempt with the Virgin Atlantic Global Flyer and taking Virgin to the final frontier as Virgin Galactic are poised for a new era of commercial space travel. Compelling. Brilliant. Revealing. Funny. Inspirational. Extraordinary.Revealing Sir Richard ’ s unique story, his personal philosophy on life, the Virgin brand and business Losing My Virginity is an autobiography without equal.

Steve Jobs Four Elephants Press
"The brave may not live forever-but the cautious do not live at all!" -Sir Richard Branson Richard Branson is an iconic entrepreneur and the founder of Virgin Airways, Virgin Records, and many other Virgin businesses around the world.
