This is a twelve-week course intended to teach young women what God wants them to be taught about biblical womanhood. The Church needs older women to step up to the plate and begin obeying God in this area. What if older women feel disqualified? If you are a godly,

older woman, you ARE qualified according to God! Here are the qualifications for older women: "that they be in behavior, not false accusers, not given to much wine, teachers of good things" (Titus 2:3) and the "good things" they are commanded to teach are listed in Titus 2:4, 5."That they may teach the young women to be sober, to love their husband, to love their children, to be discreet, chaste, keepers at home, good, obedient to their own husbands, that the word of God be not blasphemed."

The Screwtape Letters, a satirical novel that focuses on the religious struggle of one unnamed man, is one of the most influential works of C.S. Lewis. The story unfolds through the eyes of Screwtape, a highly placed under-secretary to Lucifer, affectionately known as 'Our Father Below'. Through a series of letters addressed his nephew, Wormwood, a young demon tasked only with securing the hellish eternity of the anonymous man, Screwtape bestows knowledge on how to capture a soul. Throughout his letters to Wormwood, we learn that the religious peaks and valleys of Wormwood's patient are set against the backdrop of wartime England. Originally published in book form in early 1942, World War II plays a big part in the novel. Screwtape himself does not pay much heed to war and advises his nephew to do the same, but the human patient faces seemingly endless German bombing raids and the uncomfortable daily reminder that he is mortal and can die at just about any moment. The war, in fact, ultimately plays a pivotal role in sealing the patient's eternity.

A Grief Observed is a collection of Lewis's reflections on the experience of bereavement following the death of his wife, Joy Davidman, in 1960. The book was first published under the pseudonym N.W. Clerk as Lewis wished to avoid identification as the author. Though republished in 1963 after his death under his own name, the text still refers to his wife as "H" (her first name, which she rarely used, was Helen). The book is compiled from the four notebooks which Lewis used to vent and explore his grief. He illustrates the everyday trials of his life without Joy and explores fundamental questions of faith and theodicy. Lewis's step-son (Joy's son) Douglas Gresham points out in his 1994 introduction that the indefinite article 'a' in the title makes it clear that Lewis's grief is not the quintessential grief experience at the loss of a loved one, but one individual's perspective among countless others. The book helped inspire a 1985 television movie *Shadowlands*, as well as a 1993 film of the same name. Clive Staples Lewis (1898-1963) was a British novelist, poet, academic, medievalist, lay theologian and Christian apologist. He is best known for his fictional work, especially *The Screwtape Letters*, *The Chronicles of Narnia*, and *The Space Trilogy*, and for his non-fiction Christian apologetics, such as *Mere Christianity*, *Miracles*,

and *The Problem of Pain*.

Not every lie sounds untrue. Some lies are repeated so often they seem to be common sense. That's why lies about God are so dangerous. *The Gospel According to Satan* examines eight lies the enemy wants us to believe and provides eight lines of counterattack against them. The lies include: God just wants you to be happy; you only live once you need to live your truth; and just let go and let God. Jared C. Wilson reveals why these lies appeal to us, shows how they harm us, and provides ways to counteract them. We can renounce Satan's counterfeit gospel, but first we must see it for what it is. "Enumerates the major ways the Devil uses his cunning and calculating ways of luring us off the narrow road of God's grace. We will all do well to read this book and confront the lies we are being sold."--Kyle Idleman, senior pastor of Southeast Christian Church and author of *Not a Fan and Don't Give Up* "A unique, compelling, and even witty look at the devil's current greatest hits--lies we urgently need to unmask." --Sam Allberry, speaker for Ravi Zacharias International Ministries and author of *7 Myths About Singleness* and *Why Does God Care Who I Sleep With?* "One of the most thought-provoking writers in the Christian world today... Screwtape, an undersecretary in the Lowerarchy of Hell, has undertaken the guidance and tutelage of his nephew Wormwood, who has been assigned a human patient to secure for eternity. In a series of letters, Screwtape guides the young demon through the finer points of temptation, the weaknesses and foibles of human beings, and the disaster of his patient becoming a Christian. Though this certainly complicates things, the two infernal beings won't let it stop them. From this very skewed perspective, C. S. Lewis digs into the human nature, revealing some interesting, and sometimes embarrassing, tendencies. Touching on everything from sleeplessness to the "absurdity" of God's love for humanity, Screwtape imparts his wicked wisdom to Wormwood. Though the mirror he holds up to humanity is warped and cracked, it is still

painfully revealing. Wit and parody mask a very serious analysis of what makes humans tick; and though it may make readers smile, it will also make us squirm as Screwtape picks at the cracks in our facades. Interactive CD-rom.
