Not every lie sounds untrue. Some lies are repeated so often they seem to be common sense. That's why lies about God are so dangerous. The Gospel According to Satan examines eight lies the enemy wants us to believe and provides eight lines of counterattack against them. The lies include: God just wants you to be happy; you only live once you need to live your truth; and just let go and let God. Jared C. Wilson reveals why these lies appeal to us, shows how they harm

us, and provides ways to counteract them. We can renounce Satan's counterfeit gospel, but first we must see it for what it is. "Enumerates the major ways the Devil uses his cunning and calculating ways of luring us off the narrow road of God's grace. We will all do well to read this book and confront the lies we are being sold."--Kyle Idleman, senior pastor of Southeast Christian Church and author of Not a Fan and Don't Give Up "A unique, compelling, and even witty look at the devil's current greatest hits--lies we urgently need to unmask." --Sam Allberry, speaker for Ravi Zacharias International Ministries and author of 7 Myths About Singleness and Why Does God Care Who I Sleep With? "One of the most thought-provoking writers in the Christian world today... He doesn't just describe the tantalizing falsehoods of our age, he exposes how they've slithered into our hearts."--Matt Smethurst, managing editor at The Gospel Coalition and author of Before You Open Your

A study of how materialism and consumerism undermine our quality of life. In *The High Price of Materialism*, Tim Kasser offers a scientific explanation of how our contemporary culture of consumerism and materialism affects our everyday happiness and psychological health. Other writers have shown that once we have sufficient food, shelter, and clothing, further material gains do little to improve our well-being. Kasser goes beyond these findings to investigate how people's materialistic desires relate to their well-being. He shows that people whose values center on the accumulation of

wealth or material possessions face a greater risk of unhappiness, including anxiety, depression, low self-esteem, and problems with intimacy—regardless of age, income, or culture. Drawing on a decade's worth of empirical data, Kasser examines what happens when we organize our lives around materialistic pursuits. He looks at the effects on our internal experience and interpersonal relationships, as well as on our communities and the world at large. He shows that materialistic values actually undermine our well-being, as they perpetuate feelings of insecurity, weaken the ties that bind us, and make us feel less free. Kasser not only defines the problem but proposes ways we can change ourselves, our families, and society to become less materialistic.

The Screwtape Letters is a Christian apologetic novel. It is written in a satirical, epistolary style and while it is fictional in format, the plot and characters are used to address Christian theological

issues, primarily those to do with temptation and resistance to it. The story takes the form of a series of letters from a senior Demon Screwtape to his nephew Wormwood, a Junior Tempter. The uncle's mentorship pertains to the nephew's responsibility for securing the damnation of a British man known only as "the Patient". In *The Screwtape Letters*, C. S. Lewis provides a series of lessons in the importance of taking a deliberate role in Christian faith by portraying a typical human life, with all its temptations and failings, seen from devils' viewpoints. Lewis wrote the sequel *Screwtape Proposes a Toast* - a critique of certain trends in British public education (Although Britain calls its major private schools "public schools", Lewis is referring to state schools when he criticizes "public education"). Clive Staples Lewis (1898-1963) was a British novelist, poet, academic, medievalist, lay theologian and Christian apologist. He is best known for his fictional work, especially *The Screwtape Letters*, *The Chronicles*

of Narnia, and *The Space Trilogy*, and for his non-fiction Christian apologetics, such as *Mere Christianity*, *Miracles*, and *The Problem of Pain*. *The High Price of Materialism* Brown Chair Books
