Revelation and Authority Fig
Twenty essays providing an authoritative introduction to Christian ethics, addressing issues such as war, social justice, ecology, sexuality and medicine.
The Authority of Scripture A&C Black
Addresses the theological impact of accepting the absolute authority of biblical scripture and its related issues, examining how women in the church have dealt with scriptural authority while offering advice on how they can address it in the future. Original.
Learn To Use Your God-Given Rights To Live In Victory Multnomah
Contends that evangelicals and liberals misread Scripture and discusses how to restore the Bible's authority for guiding the church in light of contemporary issues.
Nature and Function of Christian Scripture Five Solas
Winner of the 2016 Goldstein-Goren Award for the best book in Jewish Thought At once a study of biblical theology and modern Jewish thought, this volume describes a "participatory theory of revelation" as it addresses the ways biblical authors and contemporary theologians alike understand the process of revelation and hence the authority of the law. Benjamin Sommer maintains that the Pentateuch's authors intend not only to convey God's will but to express Israel's interpretation of and response to that divine will. Thus Sommer's close readings of biblical texts bolster liberal theologies of modern Judaism, especially those of Abraham Joshua Heschel and Franz Rosenzweig. This bold view of revelation puts a premium on human agency and attests to the grandeur of a God who accomplishes a providential task through the free will of the human subjects under divine authority. Yet, even though the Pentateuch's authors hold diverse views of revelation, all of them regard the binding authority of the law as sacrosanct. Sommer's book demonstrates why a law-observant religious Jew can be open to discoveries about the Bible that seem nontraditional or even antireligious.
William B. Eerdmans Publishing Company
In Scripture and the Authority of God: How to Read the Bible Today, Widely respected Bible and Jesus scholar, N. T. Wright gives new life to the old, tattered doctrine of the authority of scripture, delivering a fresh, helpful, and concise statement on the current “ battles for the Bible, ” and restoring scripture as the primary place to find God ’ s voice. In this revised and expanded version of The Last Word, leading biblical scholar N. T. Wright shows how both evangelicals and liberals are guilty of misreading Scripture and reveals a new model for understanding God ’ s authority and the Bible.
Perspectives on the Bible as Scripture Baker Academic
Stormie Omartian's bestselling The Power of a Praying® series (more than 28 million copies sold) is rereleased with fresh new covers and new material to reach a still-growing market of readers eager to discover the power of prayer for their lives. Just because your children are grown up doesn't mean they don't need your prayers. In some ways they need them more than ever. Stormie offers you a gathering of heartfelt prayers from one of her most popular books, The Power of Praying® for Your Adult Children. This little-but-powerful book of prayer and Scripture is ideally sized for mothers or fathers to pull from purse or pocket throughout the day for quick and meaningful talks with God about their grown children's relationships, faith, finances, struggles, direction, and parenting. This compact resource unveils the power of prayer to protect, nurture, and guide. It offers parents the comfort, reassurance, and wisdom of God's promises for them and their adult child's life and future.
Holy Scripture and the Quest for Authority at the End of the Middle Ages Yale University Press
The study of God's Word is essential to spiritual growth. Still, a daily encounter with the Bible can be difficult to sustain. This three-year daily devotional supports your discipline of daily Bible study, using a question-and-answer approach to help you discover God's truth for yourself. Its built-in flexibility and clear presentation allow you to use its contents according to your own needs.
Establishing the Origins and Authority of the New Testament Books InterVarsity Press
All participants in late medieval debates recognized Holy Scripture as the principal authority in matters of Catholic doctrine. Popes, theologians, lawyers--all were bound by the divine truth it conveyed. Yet the church possessed no absolute means of determining the final authoritative meaning of the biblical text--hence the range of appeals to antiquity, to the papacy, and to councils, none of which were ultimately conclusive. Authority in the late medieval church was a vexing issue precisely because it was not resolved. Ian Christopher Levy's book focuses on the quest for such authority between 1370 and 1430, from John Wyclif to Thomas Netter, thereby encompassing the struggle over Holy Scripture waged between Wycliffites and Hussites on the one hand, and their British and Continental opponents on the other. Levy demonstrates that the Wycliffite/Hussite "heretics" and their opponents--the theologians William Woodford, Thomas Netter, and Jean Gerson--in fact shared a large and undisputed common ground. They held recognized licenses of expertise, venerated tradition, esteemed the church fathers, and embraced Holy Scripture as the ultimate authority in Christendom. What is more, they utilized similar hermeneutical strategies with regard to authorial intention, the literal sense, and the appeal to the fathers and holy doctors in order to open up the text. Yet it is precisely this commonality, according to Levy, that rendered the situation virtually intractable; he argues that the erroneous assumption persists today that Netter and Gerson spoke for "the church," whereas Wyclif and Hus sought to destroy it. Levy's sophisticated study in historical theology, which reconsiders the paradigm of heresy and orthodoxy, offers a necessary adjustment in our view of church authority at the turn of the fifteenth century. "In Holy Scripture and the Quest for Authority at the End of the Middle Ages, Ian Christopher Levy reveals the crux of a late medieval quandary regarding ecclesial authority. He perceptively shows how theologians and the Catholic Church were mired in a nearly intractable constellation of issues involving scriptural interpretation, appeals to tradition, development of doctrine, the question of concrete, visible instruments of authority, and the role of canon law and university theologians. This highly original contribution treats themes and issues at an immensely complex and important juncture in the development of early modern religious thought and practice, the ramifications of which are still very much with us today." --Boyd Taylor Coolman, Boston College
A Study of the Reformation and Post-Reformation Understanding of the Bible Harper Collins

A denial of the sufficiency of Scripture is at the core of almost every form of opposition to the Christian faith today. Scripture Alone is written to instill a passionate love for and understanding of the Bible. In this defense of God's inspired Word, readers will comprehend what "God's Word" is, the nature of Scripture, the relationship of the Bible to tradition, how to apply Scripture to today's issues, and much more. Included is a faith-inspiring study of the canon--what it is and where it came from.
A Three-Year Daily Devotional Guide to the Whole Bible OUP Oxford
Biblicism, an approach to the Bible common among some American evangelicals, emphasizes together the Bible's exclusive authority, infallibility, clarity, self-sufficiency, internal consistency, self-evident meaning, and universal applicability. Acclaimed sociologist Christian Smith argues that this approach is misguided and unable to live up to its own claims. If evangelical biblicism worked as its proponents say it should, there would not be the vast variety of interpretive differences that biblicists themselves reach when they actually read and interpret the Bible. Far from challenging the inspiration and authority of Scripture, Smith critiques a particular rendering of it, encouraging evangelicals to seek a more responsible, coherent, and defensible approach to biblical authority. This important book has generated lively discussion and debate. The paperback edition adds a new chapter responding to the conversation that the cloth edition has sparked.

What You Didn't Learn in Church Wm. B. Eerdmans Publishing
Given the popular-level conversations on phenomena like the Gospel of Thomas and Bart Ehrman ’ s Misquoting Jesus, as well as the current gap in evangelical scholarship on the origins of the New Testament, Michael Kruger ’ s Canon Revisited meets a significant need for an up-to-date work on canon by addressing recent developments in the field. He presents an academically rigorous yet accessible study of the New Testament canon that looks deeper than the traditional surveys of councils and creeds, mining the text itself for direction in understanding what the original authors and audiences believed the canon to be. Canon Revisited provides an evangelical introduction to the New Testament canon that can be used in seminary and college classrooms, and read by pastors and educated lay leaders alike. In contrast to the prior volumes on canon, this volume distinguishes itself by placing a substantial focus on the theology of canon as the context within which the historical evidence is evaluated and assessed. Rather than simply discussing the history of canon—rehashing the Patristic data yet again—Kruger develops a strong theological framework for affirming and authenticating the canon as authoritative. In effect, this work successfully unites both the theology and the historical development of the canon, ultimately serving as a practical defense for the authority of the New Testament books.
Christian Preaching as Worship Scripture and the Authority of GodHow to Read the Bible Today
The author discusses modern attitudes to the Bible, Calvin on the authority of Holy Scripture, Lutheran and reformed orthodoxy, the Roman view, the inspiration of the Bible, revelation in the Bible, and the theology and authority of the Bible.
The Inspiration and Authority of Scripture Harper Collins
“ God has appointed preaching in worship as one great means of accomplishing his ultimate goal in the world. ” —John Piper John Piper makes a compelling claim in these pages about the purpose of preaching: it is intended not merely as an explanation of the text but also as a means of awakening worship by being worship in and of itself. Christian preaching is a God-appointed miracle aiming to awaken the supernatural seeing, savoring, and showing of the glory of Christ. Distilling over forty years of experience in preaching and teaching, Piper shows preachers how and what to communicate from God ’ s Word, so that God ’ s purpose on earth will advance through Biblesaturated, Christ-exalting, God-centered preaching—in other words, expository exaltation.
The Power of Praying® for Your Adult Children Book of Prayers Emeth Pub
This book discusses the concept of the self-convincing authority of Scripture in the historical development of Reformed theology and advocates an emphasis on the autopistia in a postmodern context, because truth and trust are inseparable.
Expository Exultation Zondervan Academic
Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."
Engaging Biblical Authority Crossway
When Spurgeon speaks, you ’ d be wise to listen. The great London preacher Charles Haddon Spurgeon had a lot to say during his four decades of ministry at the Metropolitan Tabernacle. And beyond his mighty voice, Spurgeon ’ s pen churned out countless words of biblical interpretation and Christian wisdom. These words can still encourage us today! Volume 2 of the Spurgeon Speaks series focuses on the power of God ’ s Word. Nothing motivated Spurgeon more than proclaiming the holy Scriptures. His love for the Bible will encourage you as well. Presented in lovely editions that you ’ ll be proud to have on your shelf, the Spurgeon Speaks series offers focused readings on topics that were important to the Prince of Preachers. Expertly selected by Jason Allen and updated for twenty-first century readers, this series will be a valued addition to the library of pastors, scholars, and anyone who appreciates the legacy of Charles Haddon Spurgeon.
The Enduring Authority of the Christian Scriptures Moody Publishers
Dr Francis S. Collins, head of the Human Genome Project, is one of the world's leading scientists, working at the cutting edge of the study of DNA, the code of life. Yet he is also a man of unshakable faith in God. How does he reconcile the seemingly unreconcilable? In THE LANGUAGE OF GOD he explains his own journey from atheism to faith, and then takes the reader on a stunning tour of modern science to show that physics, chemistry and biology -- indeed, reason itself -- are not incompatible with belief. His book is essential reading for anyone who wonders about the deepest questions of all: why are we here? How did we get here? And what does life mean?
Sola Scriptura Capps Publishing
The controversial subject of the spiritual authority of the believer in Christ is widely discussed in the church today. Now, Andrew Wommack, host of the #1 fastest growing ministry on television, gives us a new perspective that may challenge everything we've been taught including: If believers have been given authority, then when, how, and toward what should it be exercised? Discover the true battleground and learn how to recognize the real enemy. Most people believe God created our enemy, Satan, but did He? Understanding the answer will set you free to exercise your authority as a believer. Is spiritual warfare, as taught in many churches today, valid? Can believers use their authority to fight the devil and his demons in the air, or is the real battle in the mind? Digging into the Scriptures, Andrew reveals the spiritual significance of choices, words, and actions and how they affect a believer's ability to stand against the attacks of Satan and to receive God s best. Discover how the enemy works through your thoughts, interjecting his negative influence on a consistent basis. The devil can't control you outside of your will, but he can use the power of fear, jealousy, envy, bitterness, self-pity and more. A believer's lack of awareness and understanding of the battle only works to the enemy's advantage. By believing God's Word and recognizing what's happening in the spirit realm, you can begin to take the proper action to improve your situation. Learn to release God's power of blessing instead of yielding to Satan's power of sin and death.
How to Read the Bible Today Cambridge University Press
In this volume, thirty-seven first-rate evangelical scholars present a thorough study of biblical authority and a full range of issues connected to it. Recognizing that Scripture and its authority are now being both challenged and defended with renewed vigor, editor D.A. Carson assigned the topics

that these select scholars address in the book. After an introduction by Carson to the many facets of the current discussion, the contributors present robust essays on relevant historical, biblical, theological, philosophical, epistemological, and comparative-religions topics. To conclude, Carson answers a number of frequently asked questions about the nature of Scripture, cross-referencing these FAQs to the preceding chapters. This comprehensive volume by a team of recognized experts will be the go-to reference on the nature and authority of the Bible for years to come. -- Amazon
