"Awakened: Change Your Mindset to Transform Your Teaching" is not a Christian book. Or more accurately, it was written to speak to ALL educators, regardless of their faith or lack thereof. Designed to deepen Christian teachers' understanding of the principles in "Awakened," this devotional study guide elaborates on what God's word has to say about renewing our minds. Use "The Awakened Devotional Study Guide for Christian Educators" on your own, with a group in your community, or online through the Bible study book clubs offered by the author. Save Us Now, Son of David Review and Herald Pub Assoc

The Bible is not a fairy tale that ends with "and they all lived happily ever after." It doesn't gloss over the tragedies in life. The Bible tells it like it is: the good, the bad, and the ugly. Among the many stories

found in Scripture, few depict all these elements more clearly than the life of Job. Although he was blameless and served God, he had more than his share of trouble. He learned from bitter experience that following God is no guarantee of an easy life. In fact-, usually the opposite is true. But God promises that our end will be better than our beginning if we build our lives on the foundation that He has laid: Jesus Christ, the Righteous Redeemer. In the midst of his despair, Job confidently states, "I know that my redeemer lives, and that in the end he will stand on the earth. And after my skin has been destroyed, yet in my flesh I will see God." This is the end God has in mind for us, life eternal in the earth made new! Book jacket.
