ExplanationIn 1934 Elder W. C. White and D. E. Robinson at the Elmshaven office drew together from published and unpublished E. G. White sources materials relating to the church, its organization, authority, unity, and the relationship of workers one to another. The 50 page document which resulted was read by the White Trustees with appreciation, but for reasons not too clear just now, the document at that time was not carried through to publication. It was placed in the document file and has been kept there safely for 38 years, with only occasional reference to it. With the occasion to look at

the counsels relating to the church and its authority, this document, during the last few days, has been reviewed. The impression is growing that its publication might well serve the church. The basic premises are clearly enunciated in published sources. Nonetheless, as Ellen White again and again reiterated in sermons, manuscripts and letters basic truths concerning the church and its ministry, the varying statements seem to enrich that which may be read on the subject. For study purposes, in a few copies the lines have been numbered. Any use of unpublished items must for the present be restricted to committee study. Undoubtedly, on consideration they will in time be released for general use. The situation, however, would lead to the request that copies used by the committee be returned to the White Estate until the matters have been properly processed. Ellen G. White Estate. "The Lord has shown me that Satan was once an honored angel in heaven, next to Jesus Christ. His countenance was mild, expressive of happiness like the other angels. His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. And I saw that when God said to his Son, Let us make man in our image, Satan was jealous of Jesus. He wished to be consulted concerning the formation of man. He was filled with envy, jealousy and hatred. He wished to be the highest in heaven, next to God, and receive the highest honors. Until this time all heaven was in order, harmony and perfect subjection to the government of God."-Ellen G White

More than 25 years ago society was introduced to William Ellis Foy. Foy was an African-American minister of the nineteenth century whom historical records had generally overlooked. The popular book *The Unknown Prophet* demonstrated that Foy received powerful revelations from God about coming tribulation, judgment, and heaven awaiting those who were faithful to God. Foy's message was straightforward—be faithful, because Jesus is coming again! The groundbreaking research in *The Unknown Prophet* did much to clear up misconceptions and set the record straight about William Foy. It told the largely unknown story of this sensitive young man of color. Furthermore, he faced incredible trials and struggles yet faithfully fulfilled his time-specific prophetic commission during the height of the Millerite movement and went on to maintain a quiet and productive

ministry until his death in the late 1800s. William Foy's story, his ministry and message, still speaks today. This second edition is the response to a desire for an updated version, providing hope and encouragement for the twenty-first-century reader. It contains new and valuable documents and images, including the only known photo of William Foy's son. Your faith will be enriched as you read these pages.

There are already many useful books in the hands of the people, and my apology for adding another to the list, is that in these pages I state many things concerning Adventist, and especially Seventh-day Adventist, which have not heretofore been brought in this form before the people. Besides this, many who espoused the cause in later years, and who have not witnessed the things mentioned, have earnestly requested a narration of these facts and experiences from those earlier in the work.
