COUNSELS TO TEACHERS PARENTS & Zondervan/Youth Specialties

More than 25 years ago society was introduced to William Ellis Foy. Foy was an African-American minister of the nineteenth century whom historical records had generally overlooked. The popular

book *The Unknown Prophet* demonstrated that Foy received powerful revelations from God about coming tribulation, judgment, and heaven awaiting those who were faithful to God. Foy's message was straightforward—be faithful, because Jesus is coming again! The groundbreaking research in *The Unknown Prophet* did much to clear up misconceptions and set the record straight about William Foy. It told the largely unknown story of this sensitive young man of color. Furthermore, he faced incredible trials and struggles yet faithfully fulfilled his time-specific prophetic commission during the height of the Millerite movement and went on to maintain a quiet and productive ministry until his death in the late 1800s. William Foy's story, his ministry and message, still speaks today. This second edition is the response to a desire for an updated version, providing hope and encouragement for the twenty-first-century reader. It contains new and valuable documents and images, including the only known photo of William Foy's son. Your faith will be enriched as you read these pages.

On August 14, 2011, when I was in Kandergrund in the Bernese Highlands in

Switzerland an important connection became very clear to me. I recognized a spiritual cause for why we are losing part of our youth. I was very shocked. I thought of my children and grandchildren. Since then I have been intensively occupied with this subject. Now I believe that the same spiritual cause is behind many of our problems; specifically the personal problems, in the local churches and the world-wide church. It is the lack of the Holy Spirit. If this is the cause, then we should urgently address this issue. If the cause can be eliminated or considerably reduced, then many problems will become superfluous or will be resolved.

Students like Never Before Communicating the Scriptures is much like building a bridge. However, instead of ravines or rivers, the teacher must span both cultural boundaries and great gulfs of time between the present and the pasts of Moses, David, Jesus, and Paul. Though God's Word is always relevant, the teacher must help students see Scripture's vast treasures. The effective, engaging Bible teacher must, therefore, become creative. Together, Lawrence Richards and Gary Bredfeldt have created the ultimate guide to building bridges for those seeking to learn about God's Word. Creative Bible Teaching offers a five-step process by which Christian educators can construct a bridge across time, geography, and culture to help students of all ages connect with God's Word. This newly revised edition makes learning about God's Word more accessible for both teachers and students today. Simple,

clear, and memorable, the method laid out in Creative Bible Teaching provides a sure-fire way of communicating God's Word in a way that sticks. Gospel Workers Review and Herald Pub Assoc
Soon after his popular A Travel Guide to Heaven was published, bestselling author Anthony DeStefano recognized that children also have many questions about heaven. In celebration of the tenth anniversary of that book, Anthony wrote this fun-filled, action story about a little boy named Joey who gets to take a whirlwind tour of heaven with his guardian angel, Gabby. Artist Erwin Madrid's stunning illustrations bring the story to life, showing heaven to be a place where everyone is happy, the animals all get along, and God's glory is more amazing than anything

Joey had ever seen in his whole life. This long-awaited children's edition will quickly become a favorite for the reader and the child alike. Imagine the comfort and peace children will experience when they hear about this incredible place God has prepared for them. **A Brief History of Seventh-Day Adventists** Autumn House Publishing

John Nevins Andrews was one of the brightest lights of the new and growing Seventh-day Adventist Church. Serving as a scholar, author, preacher, administrator and the denomination's first missionary, he devoted his life for his church and God with unremitting zeal, and burned himself out at the age of 54. This book tells the story of a young man who became an Adventist, spurned a life of publicity and fame, became an itinerant preacher, clarified points of doctrine on the Sabbath for the new church, and ended his life sacrificially

while bringing the three angels' message to Europe.

Fitness and Your Heart Review and Herald Pub Assoc Starting Right: Thinking Theologically About Youth Ministry is the first academic textbook that introduces youth ministry students (whether undergraduate or graduate

level) to a marriage of solid research, real life, and accessible design. Whereas most college-level texts may reflect a thorough (though impenetrable) mastery of the field, they tend to expect readers to plow through unnecessarily thick prose and bland design because "it's good for them." Youth Specialties doesn't agree. In this debut title to a continuing academic book line, college and seminary students will be introduced to real-life research, real-life youth ministry dilemmas, and real-life solutions. Contributing writers represent a spectrum of Christian Education thought and practice, as well as widespread recognition in their field...transdenominational, yet the perfect background to ministry in any denomination

or ministry organization This text includes thorough indexes, design, and graphics that compel readers from page to page (now that's a first for a college text!); organization that permits professors to use any part of the text, in any order, rather than plod through the entire book from beginning to end; a perfect primary text that gives students a rich, academic, and readable (though not "popular") grasp of every aspect of youth ministry a typical Intro course touches, while also serving as an ideal secondary text.

Dean Borgman, a nationally known youth ministry expert, offers a new edition of his influential classic. Reaching a broadly ecumenical audience, this book challenges readers to think about the theological nature of youth ministry. Questions for discussion and reflection are included. This thoroughly updated edition was previously published as *When Kumbaya Is Not Enough*. Praise for the first edition "Writing with the lens of a theologian, the heart of a pastor, and welcome doctrinal breadth, Borgman has provided a 'field book' of pastoral theologies that takes

seriously the social systems shaping the lives of adolescents. This book is a significant step toward the long-awaited conversation about theology and youth ministry in postmodern culture."--Kenda Creasy Dean, Princeton Theological Seminary; author of *Almost Christian* "In this excellent work Borgman brings theological integrity, depth, and years of wisdom like nothing else I have seen in our field."--Jim Burns, author of *Teenology: The Art of Raising Great Teenagers* *Light Bearers* Review and Herald Pub Assoc
What would happen if Christian leaders decided that "good enough" is no longer good enough? What if they stepped out of the comfort zone, stood for right, and strived for excellence? Christian leaders. Drawing from years of experience, Valley offers insight about the true purpose of leadership and the profile of an effective leader. The practical and inspiring principles he shares will help you develop the vision, skills and focus you need to lead effectively. *Help! There are many philosophies and strategies that drive today's youth ministry. To most people, they are variations on a single goal: to make faithful disciples of young people. However, digging deeper into various programs, books, and concepts reveals substantive differences among approaches. Bestselling author Chap Clark is one of the leading voices in youth ministry today. In this multiview work, he brings together a diverse group of leaders to present major views on youth ministry. Chapters are written in essay/response fashion

by Fernando Arzola, Greg Stier, Ron Hunter, Brian Cosby, and Chap Clark. As the contributors present their views and respond to each of the other views, they discuss their task and calling, giving readers the resources they need to develop their own approach to youth ministry. Offering a model of critical thinking and respectful dialogue, this volume provides a balanced, irenic approach to a topic with which every church wrestles.
