As sociologists deepen their examinations of human rights in their teaching, research, and thinking, it is essential that such work is conducted in a manner that is both mindful and critical of the knowledge we are building upon in sociology and human rights. As the authors of this volume reveal, creating sociological knowledge that examines human rights for the expansion of human rights is something that sociologists are well equipped to undertake, whether through the use of mathematics, comparative-historical analysis, the study of emotions, conversations, or social psychology. In these chapters you will find the roots of the study of human rights deep within sociological research and thinking as well as emerging techniques that will push the discipline as it seeks to expand understanding of human rights together with so many other aspects of the social condition.

This is a scriptural commentary of Lahiri

Mahasaya on Sri Sri Chandi, also known as Sri Durgasaptasati. In the dialogue, there is a point to answer. Where there are no words, there is no need to talk. The Lord who stays within the heart causes a person to express the Message which reveals accordingly. There are many words of wisdom in this Scripture, but they have been condensed here to help the Kriyanwits increase their sincerity and devotion. The Rig Veda states: Whatever blissful feelings are generated by discussing and practicing Kriya are called Prema : Divine Love and Bhakti : Utmost sincerity and Devotion. The spontaneous Revelation of the glories of the Goddess Durga is reflected in Her image, and the Yogis who witness this between the eyebrows transcend dualism (Dwaita) and monism (Adwaita) to establish themselves in Oneness with the ultimate Self. When the Yogi holds onto the state of the After-effect-poise of Kriya, then there is nothing to say. Whatever is expressed in Speech which comes out from the Tranquil Breath is the form and energy of Durga Gayatri. Everything is present in Her. Nama : Name and Rupa : Form are the same, for everything is Her name and Her form. The cause of Liberation (Mukti) and cause of man is Divine Mother. In the Rig Veda, She is referred to in many ways such as Bhadrang, Bhagavating, Krisnang, Graha Nakshatra Malini, Sivang. Durgang, Twang, Samutpannang, Agnivarnang, Sutang, Soumyang, Idang, Sresthang and Jyotisang Jyotiruttamang. Such is the form of the

Goddess Durga, and it is everybody's duty to worship Her, that is, to practice Kriya sincerely.

At 101, Sir Lloyd Geering's message is as relevant as ever. Each of these distillations of a lifetime of scholarship and thought give us hope for the future. He helps us see beneath what can sometimes seem an overwhelming deluge of tragedies, to the deeper patterns of human cultural, intellectual, political and spiritual evolution, and these insights point us toward how we can each play our part in fostering a world where love triumphs over evil. In this new volume, Lloyd Geering presents previously unpublished talks and lectures which will interest a wider audience than was originally intended. The first examines the relevance of Christian perspectives in a post-Christian global era, and asks whether they can help solve the massive problems now facing the

world. The second part focuses more closely on theology, and includes Lloyd's wry account of his so-called 'heresy trial' in the 1960s. As one of New Zealand's outstanding public intellectuals, Lloyd Geering's thoughts are always topical and thought-provoking. Given recent tragic events in New Zealand and in other parts of the world, his essays on 'Tolerance and our global future' and 'The destructive potential of fundamentalism' have heightened relevance today.

A for Anything Brill Fink

We call it a gismo. That's right, a gismo. A bit difficult to describe. Like a cross, I suppose, without the top part. Sort of two arms on a stand. What happens is this. You hang something on one arm. Anything at all. A watch, a bracelet, money, anything. I supposed you could hang a locomotive on, only it's a bit heavy. But anyway you hang something on and there on the opposite arm appears an exact replica. And I mean exact. You can't tell the difference. So nobody need make anything any more. What you need you hang on the gismo. No work. No want. No starvation. No nothing. When you've got a gismo, you've got everything.

Mumbai is an ever-evolving city, bustling and brimming, never sleeping for a wink. But the past four decades brought upheavals of great magnitude that shaped the city as we know today. Marred by communal riots, gang wars and terrorism, the spirit of

Mumbai has emerged indomitable every single time. Born and raised in the lanes of Bombay 3, this is the story of Jagan Kumar who dreams of being a television journalist and changing the world. But once he achieves this, he realises that television journalism has lost its path, now afflicted with sensationalism, corruption and bias. As a crime reporter, he comes across various unscrupulous means that law enforcement agencies adopt to combat organised crime syndicates. He is shocked to witness interdepartmental rivalry that often jeopardises public security. Disenchanted, in conflict with his conscience and confused about his calling, he is about to quit when something happens that changes the course of his life. Bombay 3 begins from the bylanes of old Bombay of the seventies and then takes you to Mosul in ISIS's Iraq of 2014 and finally to the streets of Bangkok where the underworld of Mumbai has spread its tentacles. A fast-paced thriller, it answers certain questions about life in Mumbai and raises a few new ones.
