Anita Shreve -  
Wikipedia  
Each morning, Honora  
collects sea glass

washed up on the shore,  
each piece carrying a  
different story in its  
muted tones. Sexton  
finds a way to buy the  
house, but his timing is  
perfectly wrong. The  
economy takes a  
sickening plunge, and  
as financial pressures  
mount, Honora begins  
to see how little she

Anita Shreve has a knack for fashioning compelling fiction from historical vistas, and

SEA GLASS is no exception.

The story evolves over a year's time, beginning several

months before the great stock market crash, an event that

acts as a character in much the same way as the pieces of sea

glass that so beguile Honora.

Reviewers and readers everywhere have admired

Anita Shreve's ability to create a "literary novel of the caliber

and craft of Edith Wharton or Henry James" (Baltimore

Sun). Sea Glass is an

unforgettable story of trust and betrayal, marriage and

attraction, from one of the

most persuasive, farseeing,

and deeply engaging writers of our time.
