CIVILIZATION HAS AN OFF SWITCH... The Russians call it Lunnaya Pesnya. Moon Song. They bring the device aboard the International Space Station disguised as an experimental electromagnetic propulsion system. Just a harmless EmDrive prototype, ferried into space for testing in microgravity. But the device is not what it appears to be and it's far from harmless. When military cosmonauts hijack the ISS, Russia's plans of global conquest are revealed. Moon Song is a game-changing electromagnetic pulse weapon, capable of attacking any location on Earth from orbit. The first target is Kennedy Space Center. Uncounted kiloteslas of electromagnetic force slash through the atmosphere like an unseen sword-wiping out microchips, transistors, digital storage devices, and electronic circuits of all kinds. In an instant, Cape Canaveral and the surrounding areas of Cocoa Beach, Rockledge, Titusville, and Patrick Air Force Base are stripped of every necessity of modern existence. Throughout the zone of effect, microprocessors are fried; credit cards are slicked; hard drives are erased. Electronic systems of all kinds suffer catastrophic failure, taking out cell phones, landlines, radios, vehicles, aircraft, and every electrical device within the footprint of the EMP beam. A single pulse of energy has driven the U.S. manned space program into the dark ages. Now, Russia holds the high ground. From orbit, they can detect and neutralize any attempt to attack the ISS. The destruction of Canaveral shows what will happen to any nation that challenges Russian supremacy. With the world literally held hostage, there's no way to fight back. Or is there?

Ghost Town Harper Collins

DigiCat Publishing presents to you this special edition of "The Once and Future King" by T. H. White. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion

it deserves as a classic of world literature.

NEW YORK TIMES BESTSELLER

Continuing the series that began with *A Blaze of Glory*, Jeff Shaara returns to chronicle another decisive chapter in America's long and bloody Civil War. In *A Chain of Thunder*, the action shifts to the fortress city of Vicksburg, Mississippi. There, in the vaunted "Gibraltar of the Confederacy," a siege for the ages will cement the reputation of one Union general—and all but seal the fate of the rebel cause. In May 1863, after months of hard and bitter combat, Union troops under the command of Major General Ulysses S. Grant at long last successfully cross the Mississippi River. They force the remnants of Confederate Lieutenant General John C. Pemberton's army to retreat to Vicksburg, burning the bridges over the Big Black River in its path. But after sustaining heavy casualties in two failed assaults against the rebels, Union soldiers are losing confidence and morale is low. Grant reluctantly decides to lay siege to the city, trapping soldiers and civilians alike inside an iron ring of Federal entrenchments. Six weeks later, the starving and destitute Southerners finally surrender, yielding command of the Mississippi River to the Union forces on July 4—Independence Day—and marking a crucial turning point in the Civil War. Drawing on comprehensive research and his own intimate knowledge of the Vicksburg Campaign, Jeff Shaara once again weaves brilliant fiction out of the ragged cloth of historical fact. From the command tents where generals plot strategy to the ruined mansions where beleaguered citizens huddle for safety, this is a panoramic portrait of men and women whose lives are forever altered by the siege. On one side stand the emerging legend Grant, his irascible second William T. Sherman, and the youthful "grunt" Private Fritz Bauer; on the other, the Confederate commanders Pemberton and Joseph Johnston, as well as nineteen-year-old Lucy Spence, a civilian doing her best to survive in the besieged city. By giving voice to their experiences at Vicksburg, *A Chain of Thunder* vividly evokes a battle

whose outcome still reverberates more than 150 years after the cannons fell silent.

Praise for *A Chain of Thunder* "[Jeff]

Shaara continues to draw powerful novels from the bloody history of the Civil War. . . .

The dialogue intrigues. Shaara aptly reveals the main actors: Grant, stoic, driven, not given to micromanagement; Sherman, anxious, high-strung, engaged even when doubting Grant's strategy. . . .

Worth a Civil War buff's attention."—Kirkus Reviews "Searing . . . Shaara seamlessly

interweaves multiple points of view, as the plot is driven by a stellar cast of real-life and fictional characters coping with the pivotal crisis. . . . [A] riveting fictional

narrative."—Booklist "Shaara's historical accuracy is faultless, and he tells a good story. . . . The voices of these people come

across to the reader as poignantly as they did 150 years ago."—Historical Novels Review "The writing is picturesque and vibrant. . . . [an] engrossing

tale."—Bookreporter

"Useful men are some of the greatest blessings of a people. To have many such is more for a people's happiness than almost anything, unless it be God's own gracious, spiritual presence amongst them; they are precious gifts of heaven." Certainly one of the most useful men in evangelical history was the man who preached those words, pastor and theologian Jonathan Edwards. Commemorating his 300th birthday, general editors John Piper and Justin Taylor chose ten essays that highlight different aspects of Edwards's life and legacy and show how his teachings are just as relevant today as they were three centuries ago. Even within the church, many people know little more about Edwards than what is printed in American history textbooks—most often, excerpts from his best-known sermon, "Sinners in the Hands of an Angry God." They unjustly envision Edwards preaching only fire and brimstone to frightened listeners. But he knew and preached God's heaven as much as Satan's hell. He was a humble and joyful servant,

striving to glorify God in his personal life and public ministry. This book's contributors investigate the character and teachings of the man who preached from a deep concern for the unsaved and a passionate desire for God. Studying the life and works of this dynamic Great Awakening figure will rouse slumbering Christians, prompting them to view the world through Edwards's God-centered lens.

Torpedo Canelo

When Sylas was gifted with the power to siphon other people's pain from them and take it on himself, he never could have imagined that he was the latest in a line stretching back to the dawn of civilization or that his dark mentor Antonio has been killing those with the power for millennia. Trapped by Antonio, Sylas must go on a trippy mental journey to save himself from a fate worse than death and show that it's possible to live a hopeful life no matter how dark the world gets.

The Story of the 113th Seabees, 1943 - 1945

Sourcebooks, Inc.

Winner of the Samuel Eliot Morison Award for Naval Literature Winner of the Fraunces Tavern Museum Book Award A Massachusetts Center for the Book "Must-Read" Finalist for the New England Society Book Award Finalist for the Boston Authors Club Julia Ward Howe Book Award The bestselling author of *Black Flags, Blue Waters* reclaims the daring freelance sailors who proved essential to the winning of the Revolutionary War. The heroic story of the founding of the U.S. Navy during the Revolution has been told many times, yet largely missing from maritime histories of America's first war is the ragtag fleet of private vessels that truly revealed the new nation's character—above all, its ambition and entrepreneurial ethos. In *Rebels at Sea*, best-selling historian Eric Jay Dolin corrects that significant omission, and contends that privateers, as they were called, were in fact critical to the American victory. Privateers were privately owned vessels, mostly refitted merchant ships, that were granted permission by the new government to seize British merchantmen and men of war. As Dolin stirringly demonstrates, at a time when the young Continental Navy numbered no more than about sixty vessels all told, privateers rushed to fill the gaps. Nearly 2,000 set sail over the course of the war, with tens of thousands of Americans serving on them and capturing some 1,800 British ships. Privateers came in all shapes and sizes, from twenty-five foot long whaleboats to full-rigged ships more than 100 feet long. Bristling with cannons, swivel guns, muskets, and pikes, they tormented their foes on the broad Atlantic and in bays and harbors on both sides of the ocean. The men who owned the ships, as well as their captains and crew, would divide the profits of a successful cruise—and suffer all the more if their ship was

captured or sunk, with privateersmen facing hellish conditions on British prison hulks, where they were treated not as enemy combatants but as pirates. Some Americans viewed them similarly, as cynical opportunists whose only aim was loot. Yet Dolin shows that privateersmen were as patriotic as their fellow Americans, and moreover that they greatly contributed to the war's success: diverting critical British resources to protecting their shipping, playing a key role in bringing France into the war on the side of the United States, providing much-needed supplies at home, and bolstering the new nation's confidence that it might actually defeat the most powerful military force in the world. Creating an entirely new pantheon of Revolutionary heroes, Dolin reclaims such forgotten privateersmen as Captain Jonathan Haraden and Offin Boardman, putting their exploits, and sacrifices, at the very center of the conflict. Abounding in tales of daring maneuvers and deadly encounters, *Rebels at Sea* presents this nation's first war as we have rarely seen it before.

Empires of Eve Stealth Books

"Here is a writer at the top of his game. The result is a brilliant techno-thriller, the kind a young Clancy would be proud to call his own." -- HOMER HICKAM, Bestselling author of 'Rocket Boys' A minor accident at a German nuclear power plant, a Biological Warfare attack on the British Embassy in Washington, DC, and a secret arms deal combine to drive a trusted NATO Ally into an illegal alliance with a rogue Middle Eastern state. With the world hovering on the brink of war, a handful of U.S. Navy warships must track down and destroy a wolfpack of state-of-the-art submarines. Their enemy is skilled in deception, and incredibly lethal. Out-gunned, out-maneuvered, and out-thought, the U.S. Navy crews must throw the rulebook out the window, and become every bit as devious and deadly as their enemy. If they fail, the consequences are unthinkable... "A timeless warrior epic. Jeff Edwards spins a stunning and irresistibly-believable tale of savage modern naval combat." -- JOE BUFF, Bestselling author of 'Seas of Crisis,' and 'Crush Depth' "...fast and lethal. I read it in one sitting." -- PAUL L. SANDBERG, Producer of 'The Bourne Supremacy,' and 'The Bourne Ultimatum' "... as close as you can get to naval surface combat without being shot at. Jeff Edwards has penned a fast, no-holds-barred thriller that never lets up. Highly recommended." -- JACK DuBRUL, Bestselling author of 'The Silent Sea,' and 'Havoc' (Originally published as 'Torpedo')

The Last Field Party Delacorte Press

When Lieutenant Lawrence Miller first sees U.S.S. *Bacalao* in the builder's yard in late 1940, the submarine is little more than a pile of curved steel plates. During the next few months Miller watches the boat take shape, and the crew gather from throughout the fleet. By late 1941 *Bacalao* is in commission and assigned to the Pacific Fleet at Pearl Harbor. Then, on a Sunday morning, everything changes as the Japanese sneak attack plunges the United States into World War II. The new submarine and her untried crew are immediately thrown into action against the Japanese. And Miller is there through it all, from the disastrous first patrol, when the boat is nearly lost and a pair of surprising heroes emerge, to the deployment to Australia,

where a chance encounter ashore will change his life forever. Then, after spending a year in command of an antiquated S-boat in the frozen hell of the Aleutians, Miller returns to *Bacalao* as her last wartime commander. Written in a simple, straightforward style, *Bacalao* is destined to become an instant classic of submarine fiction.

Ripley Under Ground St. Martin's Press

This authoritative catalogue of the Corcoran Gallery of Art's renowned collection of pre-1945 American paintings will greatly enhance scholarly and public understanding of one of the finest and most important collections of historic American art in the world. Composed of more than 600 objects dating from 1740 to 1945.

Steel Wind Stealth Books

Only the author of *The Hunt for Red October* could capture the reality of life aboard a nuclear submarine. Only a writer of Mr. Clancy's magnitude could obtain security clearance for information, diagrams, and photographs never before available to the public. Now, every civilian can enter this top secret world...the weapons, the procedures, the people themselves...the startling facts behind the fiction that made Tom Clancy a #1 bestselling author.

The Seventh Angel U.S. Navy Seabee Museum

For every athlete or sports fanatic who knows she's just as good as the guys. This is for fans of *The Running Dream* by Wendelin Van Draanen, *Grace, Gold, and Glory* by Gabrielle Douglass and *Breakaway: Beyond the Goal* by Alex Morgan. The summer before Caleb and Tessa enter high school, friendship has blossomed into a relationship . . . and their playful sports days are coming to an end. Caleb is getting ready to try out for the football team, and Tessa is training for cross-country. But all their structured plans derail in the final flag game when they lose. Tessa doesn't want to end her career as a loser. She really enjoys playing, and if she's being honest, she likes it even more than running cross-country. So what if she decided to play football instead? What would happen between her and Caleb? Or between her two best friends, who are counting on her to try out for cross-country with them? And will her parents be upset that she's decided to take her hobby to the next level? This summer Caleb and Tessa figure out just what it means to be a boyfriend, girlfriend, teammate, best friend, and someone worth cheering for. "A great next choice for readers who have enjoyed Catherine Gilbert Murdock's *Dairy Queen* and Miranda Kenneally's *Catching Jordan*." —SLJ "Fast-paced football action, realistic family drama, and sweet romance... [will have] readers looking for girl-powered sports stories... find[ing] plenty to like." —Booklist "Tessa's ferocious competitiveness is appealing." —Kirkus Reviews "[The Football Girl] serve[s] to illuminate the appropriately complicated emotions both of a young romance and of pursuing a dream. Heldring writes with insight and restraint." —The Horn Book The First Lie W. W. Norton & Company 2018 Writer's Digest eBook Award - First Place Winner for Science Fiction Los Angeles: 2065 A wealthy young woman vanishes from her high-security apartment without leaving a single strand of DNA behind. No trace of the victim's disappearance is recorded on any of the building's

many cameras or security sensors. Her apartment's memory cores have been destroyed beyond any hope of recovery. To find the missing woman, Private Detective David Stalin must unravel a crime with no apparent motive, no imaginable means, and no conceivable opportunity. The truth, when he finds it, will blur the lines between pleasure and pain. Between fantasy and reality. Between life and death...

The Dangerous Years Hachette UK

Robin Fox, peace-loving professor of world religions, wants only to leave his dark past as a military interrogator behind him. But when an unknown suspect tries to disperse a deadly virus in downtown Washington, Fox is unwillingly drawn back into the shadowy world of intelligence. The FBI and CIA automatically suspect Islamic terrorists, but Fox digs deeper to discover the far more frightening truth: a global conspiracy to eradicate all religion from the face of the earth. From Washington to Jerusalem, from Rome to London, Fox must use all his wits in a perilous race to stop a psychopathic mastermind from unleashing worldwide devastation.

Wicked Girls DigiCat

An e-original short story that sets the stage for bestselling author Diane Chamberlain's novel *Necessary Lies* (September 2013). The First Lie gives readers an early glimpse into the life of thirteen-year-old Ivy Hart. It's 1958 in rural North Carolina, where Ivy lives with her grandmother and sister on a tobacco farm. As tenant farmers, Ivy and her family don't have much freedom, though she and her best friend, Henry, often sneak away in search of adventure...and their truest selves. But life on the farm takes a turn when Ivy's teenage sister gives birth—all the while maintaining her silence about the baby's father. Soon Ivy finds herself navigating the space between adolescence and adulthood as she tries to unravel a dark web of family secrets and make sense of her ever-evolving life in the segregated South. Advance praise for Diane Chamberlain's *Necessary Lies*: "It will steal your heart."—Katrina Kittle, author of *The Blessings of the Animals* "An emotional powerhouse." —Mary Alice Monroe, *New York Times* bestselling author of *Beach House Memories* "Enthralling...[it] transfixed me from the very first pages, and its vivid and sympathetic characters haunted me long after the last."—Christina Schwarz, *New York Times* bestselling author of *Drowning Ruth*

Bacalao Ballantine Books

This exciting novel thrillingly portrays the deadly tension of life at sea, where courageous men must again and again venture forth to face an overwhelming enemy in a battle they know is already lost. Pitting technology against a triumphant foe, *With Honour in Battle* tells a compelling story of courage, determination and sacrifice in the face of hopeless odds.

www.Militarybookshop.CompanyUK

First published in 2003, this is the first

unclassified official history authored by the U.S. Army Special Operations Command relating to Operation Enduring Freedom. Contains extensive maps and illustrations. Previously difficult to obtain, this extensive study shows what Army Special Operations Forces (ARSOF) accomplished to drive the Taliban from power and to destroy al-Qaeda and Taliban strongholds as part of the global war on terrorism during Operation Enduring Freedom.

Corcoran Gallery of Art Lucia Marquand

From the acclaimed Printz Honor winner author Stephanie Hemphill comes this powerful fictionalized account of the Salem witch trials from the point of view of three of the real young women living in Salem in 1692. Ann Putnam Jr. is the queen bee. When her father suggests a spate of illnesses in the village is the result of witchcraft, she puts in motion a chain of events that will change Salem forever. Mercy Lewis is the beautiful servant in Ann's house who inspires adulation in some and envy in others. With her troubled past, she seizes her only chance at safety. Margaret Walcott, Ann's cousin, is desperately in love. She is torn between staying loyal to her friends and pursuing a life with her betrothed. With new accusations mounting against the men and women of the community, the girls will have to decide: Is it too late to tell the truth?

Dome City Blues Literary Wanderlust

The couples from the previous books in the *Field Party* series gather for a special event ten years in the future that will impact each of their lives.

With Honour in Battle Stealth Books

An intense psychological thriller for readers of *I Am Watching You*, *The Luckiest Girl Alive*, and *All the Missing Girls*. Two missing girls. Thirteen years apart. Olivia Shaw has been missing since last Tuesday. She was last seen outside the entrance of her elementary school in Hunts Point wearing a white spring jacket, blue jeans, and pink boots. I force myself to look at the face in the photo, into her slightly smudged features, and I can't bring myself to move. Olivia Shaw could be my mirror image, rewound to thirteen years ago. If you have any knowledge of Olivia Shaw's whereabouts or any relevant information, please contact... I've spent a long time peering into the faces of girls on missing posters, wondering which one replaced me in that basement. But they were never quite the right age, the right look, the right circumstances. Until Olivia Shaw, missing for one week tomorrow. Whoever stole me was never found. But since I was taken, there hasn't been another girl. And now there is.

Mind Virus Stealth Books

In the tradition of Clancy, Griffin, and Cussler, newcomer R.E. McDermott delivers a thriller to rival the masters. When consultant and very part-time spook Tom Dugan finds himself becoming collateral damage in the War on Terror, he's not about to take it lying down. Falsely implicated in a hijacking, he's offered a chance to clear his own

name by helping the CIA hook what they consider to be the bigger fish, Dugan's long-time friend, London ship owner Alex Kairouz. Reluctantly, Dugan agrees to go undercover in Alex's company, despite doubts about his friend's guilt. Once undercover, Dugan's steadfast refusal to accept Alex's guilt puts him at odds with both his CIA handlers and a beautiful British agent with whom he's working. When a tanker is found adrift near Singapore with a dead crew, and another explodes in port as Alex lies near death after a suspicious suicide attempt, Dugan is framed for the attacks. Out of options, and convinced the attacks are prelude to an even more devastating assault, Dugan eludes capture to follow his last lead to Russia, only to be shanghaied as an 'advisor' to a Russian Spetsnaz unit on a near-suicidal mission. *Deadly Straits* is a non-stop thrill ride, transporting the reader from London offices, to the dry docks of Singapore, to the decks of the tankers that slake the world's thirst for oil, with stopovers in Panama, Langley, Virginia, and Teheran. Richly spiced with detail from the author's thirty years sailing, building, and repairing ships around the globe, it is, in the words of one reviewer, "fast-paced, multi-layered and gripping." **READER COMMENTS** "An awesome book! It has a very Tom Clancy feel. Kudos to Mr. McDermott. Well done, Sir." "D. Bosshardt, Amazon - 5 Stars" "An absolute cracker of a thriller, quite simply on a par with Clancy et al. When I'd finished I wanted more! A terrific story superbly written. 'Tao', Amazon (UK) - 5 Stars" "A little Clancy, a bit of Ludlum, and a lot of Mr. McDermott!" "Libby Dunkin, Amazon - 5 Stars" "Move over WEB Griffin, Cussler, & Ludlum. Weaving together come-alive characters, McDermott takes us through an all too realistic plot involving oil tankers used to cause havoc to the worlds' shipping ... a page turner." "Bob Hopfe, Amazon - 5 Stars" "International intrigue in expert hands. With breathless pacing and punchy prose, McDermott knots a plot so real it might well be breaking news. *Deadly Straits* ravages like a cat 5 hurricane: unpredictable, merciless, and fierce. L.C. Fiore, author, *Green Gospel* "A brilliant thriller. I was quite surprised that this is a first novel. On par with high ranking thrillers. Action non-stop ... a great read." "Cheryl M-M, Amazon (UK) - 5 Stars" "In 1994 Tom Clancy's 'Debt of Honor' used a jumbo jet as a suicide missile ... it happened for real on 9/11. In 2011 R.E. McDermott published 'Deadly Straits' where supertankers are used as terror weapons with deadly results. Let's hope we don't look back and say McDermott predicted that. This is a book of action and suspense, well written with multiple plots woven into one coherent whole. I've read several best-sellers that are legends in the genre and this book is as well done as any of them, if not better." Stephen C. Lovely, Amazon - 5 Stars "Expert plotting ... the sheer excitement of the story kept me reading until I finished in two nights. I look forward to the next work by Mr. McDermott." James E. Daman, Amazon - 5 Stars "In a book that takes no prisoners,

McDermott tells a tale of high seas terrorism and tells it well. Go get this one, right now!"Nancy,
Cheryl's Book Nook - 5 Stars
