The Small Wars Manual

is a manual on tactics and strategies for engaging in certain types of military operations created by the United States Marine Corps. The purpose of this work is sharing experience and preserving the achievements of tactics and organization of small wars, or different military operations of the United States in countries where government is "unstable, inadequate, or unsatisfactory for the preservation of

life and of such interests as are determined by the foreign policy" of the United States. The book starts with the definition of the term "small war" and continues into more than 500 pages on tactics, personnel structure, communication chain, transportation and logistics, military-civil relationship, psychological side of war, training, and support of native armed organizations and much more. The book is

Cruising World

The remarkable life of a lawyer at the forefront of civil and human rights since the 1960s By the time he was 26, Michael Tigar was a

legend in legal circles well before he would take on some of the highest-profile cases of his generation. In his first US Supreme Court case—at the age of 28—Tigar won a unanimous victory that freed thousands of Vietnam War resisters from prison. Tigar also led the legal team that secured a

judgment against the also as a teacher, Lawyer's Life in the
