**The audible warning alarm on my Searay 185 2007 went on ...**

The audible warning alarm on my Searay(NNN) NNN-NNNN went on and it's creating to type of sound sirene an beeping sound. When it started I found out that the drive lube reservoir is low so I fill it up to operating range but the alarm still on. Then I change the gear oil in the stern drive but then again it didn't fix the problem.
