[Hindsight](#) Kate Aster

There's a hot billionaire in the carpool line that has every mom putting on her lipstick before she drops her kid off to school. Me included. But I can't be tempted by a body hewn from granite or eyes that could melt the polar ice caps... because that hot billionaire is also my boss, Ryan Sheridan. Single moms like me can't play with fire. Especially not when I've finally landed a job that pays a

decent salary, and even managed to buy a townhouse where I can raise my son without my parents looking over my shoulder, shaking their heads. So I'll keep reminding myself that, even as his sapphire eyes pry their way into my heart, threatening to unlock the secrets that I keep hidden in a dark corner of my soul. My past could destroy the life I've built for my son and me. I can't afford full disclosure.

**The Mammoth Book of Special Ops Romance** Kate Aster

Bridget Needham knows first-hand how a Special Ops man can shatter a girl's heart. She's still kicking herself over the one that got away... after watching him get down on one knee and propose to someone else. After giving up her career to re-open her aunt's struggling bed-and-breakfast inn, the last thing she needs is a sexy-as-sin SEAL showing up on her doorstep--especially when the secrets of her past still threaten to keep her from holding onto love. Besides, this guy might have a Greek god bod and an impressively large power drill, but he also has a girlfriend two thousand miles away. Former Navy SEAL Maddox Kerry hadn't intentionally landed himself in Annapolis during Commissioning Week--the one week when it's

---

next-to-impossible to find a place to stay. So it's mission-critical that he convince an adorably awkward innkeeper whose bed-and-breakfast is closed for renovations to let him stay. And hey, if he finds himself hoping for a little more than the customary turn-down service, who can blame him? Yet every time the chemistry sparks between them, she runs for cover. Any other guy would shrug his shoulders and move on. But he can't walk away when he senses the pain behind her prim exterior. Because Maddox Kerry isn't any other guy.

Once a SEAL Kate Aster

Four military histories from a writer “ whose fine work should be of great interest . . . both to casual readers and to uniformed students of special ops ” (Publishers Weekly). An expert in military affairs, Orr Kelly reveals the cutting-edge technology and jaw-dropping courage of the US military ’ s elite forces on land, sea, and air. *Brave Men, Dark Waters: Originating in World War II as Underwater Demolition Teams*, the Navy SEALs are the best of the best in the armed forces—known for their toughness and fearlessness, and their remarkable ability to get the job—any job—done. Facing America ’ s enemies across the globe, these modern warriors were the first to enter the fight in Vietnam, Panama, Grenada, and Iraq. *Brave Men, Dark Waters* is “ the most complete in-depth study of this fabled elite unit ” (Library Journal). *Never Fight Fair!*: Here, in their own words, are the true accounts of the US Navy SEALs—from their formation in World War II to the jungles of Vietnam to the deserts of Iraq. In this riveting oral history, these brave men speak openly about their training and their missions, offering the uncensored, inspiring, and sometimes shocking truth about their combat triumphs and their rare but devastating failures. *Hornet: Born in 1978*, the McDonnell Douglas F/A-18 Hornet has forever changed the way America ’ s wars are fought. This is the fascinating true story of the controversial development and deployment of the state-of-the-art supersonic fighter

and attack aircraft with a top speed of more than one thousand miles per hour. Kelly details how Hornet came to be, how it was nearly doomed by an unprecedented political battle, and how it has served ably in combat from its first mission in Libya to Operation Desert Storm and well beyond. *From a Dark Sky*: Very little is known about US Air Force Special Operations—yet their exploits have been as daring and their achievements as remarkable as anything accomplished by their brother warriors. Since World War II, these ultrasecretive air commandos have routinely performed the nearly impossible, from providing air support for partisans in Nazi-occupied France to participating in clandestine CIA operations in Vietnam and Cambodia to secretly inserting covert operatives into North Korea. *From a Dark Sky* is “ a well-conceived and well-executed, well-deserved tribute to an uncommonly fine body of American warriors ” (Booklist).

*The Lost Tycoon* CreateSpace

Who put the “ O ” in Aloha? Yeah, that ’ s me. Camden Sheridan. A guy who will bring you to “ O ” faster than you can text it. Former Army Ranger with the standard issue 8-pack. And now, a bartender who ’ ll get you safely back to your hotel after too many margaritas... and you won ’ t want me to leave. Believe me, you won ’ t. I live life by my rules in my bachelor pad paradise here on the Big Island of Hawaii. Until a Ranger brother needs me to take care of his little girl while he deploys. A four-year-old cockblock in pigtails. My sex life comes to a screeching halt. Then the babysitter shows up. Annie. Smart, principled, good with kids. All the things I don ’ t look for in a woman. I want her anyway. Annie ’ s got a fortress of secrets surrounding her. But I ’ ll break it down and claim her as mine. If this kid will just take a nap.

*Damn Few* Kate Aster

Desperate to save her coffeehouse from ruin, the last thing Leia Bellamy needs in her life is a man ... especially when it ’ s the same one who deserted her after their shotgun wedding when she was 20 years old. But eight years have passed, and

---

the young ensign she loved is now a hardened warrior and Navy SEAL, Lieutenant Aidan MacDermott. When Aidan returns to Annapolis for the promotion ceremony of his former SEAL commander, all Leia wants to do is avoid him for his two-week stay... a taller order than she can manage since he's part owner in the ice cream shop next door to her coffeehouse. Aidan barely resembles the man who reluctantly broke Leia's heart solely to protect her dreams of a future—a secret he never revealed to her. But the truth comes out when destiny—and a lovable dog—seem determined to give Aidan and Leia a second chance at love.

Married to a Seal Kate Aster

Due to recent events, all eyes have been on the American military, especially the elite Special Operations teams: Army Special Forces, Army Rangers, Navy SEALs, and Air Force Special Ops that truly are the best of the best in the military. These teams of specially trained warriors perform the most difficult, politically sensitive, and dangerous missions known to the US military. The Special Ops Workout: The Elite Exercise Program Inspired by the United States Special Operations Command gives an inside look at the intense physical preparation required to become part of one of these elite teams. The men of the Special Ops are in the best physical shape of their lives, and the combination of conditioning workouts, nutritional information, and inside looks into training and selection guidelines outlined in The Special Ops Workout show just how they get that way. Nationally known fitness expert Mike Mejia and former US Navy SEAL and fitness author Stewart Smith teamed up to give an insider's look into some of the toughest military training in the world. By focusing on the strength and endurance conditioning essential to success in Special Operations teams, these experts show how to use real Special Ops workouts to get in the best physical

shape of your life. Whether your goal is to make it into the Special Forces, or just bring extra intensity into your regular workout routine, The Special Ops Workout is a resource that will add a powerful boost to any fitness regimen. The Special Ops Workout features:

- A specially formulated 12-week total body conditioning workout
- The Army Ranger and Green Beret 6-week workout
- The Air Force PJ/CCT 6-week workout
- The Navy SEAL 6-week workout
- The ultimate in high-powered nutrition info
- An insider's view of Special Ops training with our exclusive "Real Deal" insider tips

Protecting Fiona: A Navy SEAL Military Romantic Suspense  
Kaylea Cross Inc.

Take one desperate real estate agent... add a Navy SEAL who radiates sex through his pores... toss in a corpse, a pair of stilettos and a handful of friends, and watch the sparks fly... Lieutenant Commander Mick Riley, a member of the fabled SEAL Team Six, can't pull his eyes from Lacey Owens at the funeral of his mentor. Yet she is the type of woman he wants to avoid - the kind that gets him thinking about settling down, spawning kids, and finding lower-mortality employment. Lacey has her own reasons for avoiding Mick. Tired of living in the shadow of her financial mogul sister, this real estate agent has tossed ethics aside to succeed in today's beleaguered housing market. Her no-fail plan to land lucrative listings? Crashing the funerals of wealthy corpses with the hope their heirs will need to sell their homes. But when their circles of friends collide, Lacey can't avoid Mick's rock-hard abs and a smile that melts her into a pool of hot wax. Friendship blossoms and passion simmers... even as she struggles to conceal the unethical business plan that brought him into her life. SEAL the Deal is a full-length novel about the fine line that divides friendship and love, and the unexpected joy of crossing it.

Ranch, Book 1) Kate Aster

Life is about to change for Lieutenant Jack Falcone. Stationed at the U.S. Naval Academy, Jack has just learned he's headed back to the SEALs as an Anti-Submarine Warfare Expert. He's got six weeks left in Annapolis... six weeks to convince Maeve that some pasts are worth revisiting. How can she resist? When Maeve said good-bye to Jack eight years ago after a weekend fling, she never expected he'd return to her life, and wind up the best man in the wedding of her friends, Mick and Lacey. But a lot has happened in the years they've been apart... just enough to make a relationship with him impossible. If she can resist temptation for just six more weeks, her secrets will be safe. Six weeks... starting... now... The SEAL's Best Man is a full-length novel about what happens when the low sizzle of a weekend fling blazes into a bonfire that could burn for a lifetime.

You ’ ll learn to think like a SEAL and how to: improvise weapons from everyday items \* pack a go bag\* escape mass-shootings \* treat injuries at the scene\* subdue a hijacker \* survive

extreme climates \* travel safely abroad\* defend against animal attacks \* survive pandemic \* and much more Don ’ t be taken by surprise. Don ’ t be a target. Fight back, protect yourself, and beat the odds with the essential manual no one in the twenty-first century should be without. BE A SURVIVOR, NOT A STATISTIC!

The Special Ops Workout Kate Aster

Some contracts are meant to be broken...Desperate to shake herself free from the humiliation of a very public divorce, TV financial correspondent Vi Owens makes a deal with a Navy SEAL Commander who can wipe her slate clean:One date in the public eye. One night of unrivaled temptation. No strings attached.Just weeks before he deploys, Captain Joe Shey can't resist the intriguing offer from the sister-in-law of a fellow SEAL. As Commander of the Teams in Little Creek, however, there's something he'll need in return... something that makes Vi realize she's struck a deal with a man she can't resist.But when tragedy strikes and a life is shattered, Vi and the hardened SEAL might discover a depth of passion they never knew existed...

More, Please Kate Aster

If anyone can resist a man in uniform, it should be Becca ... As the young widow of a Soldier, the sister of a Navy SEAL commander, and the business partner of a handful of tempting SEALs, Becca Shey-Corridan knows all too well that those sexy-as-sin uniforms can come with a lot of heartache. Now, she prefers a simpler life, focusing on

---

raising her son and running the ice cream shop she and her late husband once dreamed of opening together when he retired from the military. She has no interest in falling for another Army officer... until a chance meeting in the woods with Delta Force squadron commander Liam Carter changes her life forever. As the snow falls on her first holiday in her new home, will destiny give Becca a second chance at love?

#### His Plus One Stoker Aces Production

For readers of American Sniper, the stirring account of a life of service by the “father of the US Navy SEALs” One month after the Bay of Pigs fiasco, when President John F. Kennedy pressed Congress about America’s “urgent national needs,” he named expanding US special operations forces along with putting a man on the moon. Captain William Hamilton was the officer tasked with creating the finest unconventional warriors ever seen. Merging his own experience commanding Navy Underwater Demolition Teams with expertise from Army Special Forces and the CIA, and working with his subordinate, Roy Boehm, he cast the mold for sea-, air-, and land-dispatched night fighters capable of successfully completing any mission anywhere in the world. Initially, they were used as a counter to the potential devastation of nuclear war, and later for counterterrorism and hostage rescue. His vision led to the formation of the celebrated SEAL Team 6. In this stirring, action-filled book, Hamilton tells his story for the first time. Night Fighter is a trove of true adventure from the history of the late twentieth century, which Hamilton lived, from fighter pilot in the

Korean War to operative for the CIA in Vietnam, Africa, Latin America, and Europe, from the Pentagon to Foggy Bottom, and from the Cuban Missile Crisis to the Reagan White House’s Star Wars. Like American Sniper, here is the record of a life devoted to patriotic service. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The most dangerous threats of all... Partway through her third deployment to Bagram, Army nurse Lt. Erin Kelly is burned out and headed for a well-deserved leave back home in Montana. But when a mysterious stranger shows up and unintentionally drags her into harm ' s way with him, she suddenly finds herself an unwitting target of the U.S. ' s number one high value target: the notorious American-born terrorist known as Rahim. Now stuck in a CIA safe house with the sexy operative, it ' s impossible to ignore the explosive attraction between them...or to forget that death is stalking them both. Are the ones you don ' t see coming. CIA operative Wade Sandberg is a man caught between worlds. He ' s spent the past three years living deep undercover amongst the enemy, infiltrating the network of the U.S. ' s most wanted terrorist—until the kidnapping of a high-ranking American official forced him to blow his cover. Officially sidelined from the investigation to bring down Rahim, Wade knows he ' ll never be able to work in the region again. When he ' s sent back stateside with Erin, keeping his hands off her proves to be even harder than making the transition back into western civilization. And when Rahim takes his revenge by

unleashing a devastating attack on U.S. soil, Wade will do everything in his power to protect the woman he loves and destroy the man who ' d once trusted him with his life.

No Reservations Open Road Media

The New York Times best selling book that takes you inside SEAL Team Six – the covert squad that killed Osama Bin Laden SEAL Team Six is a secret unit tasked with counterterrorism, hostage rescue, and counterinsurgency. In this dramatic, behind-the-scenes chronicle, Howard Wasdin takes readers deep inside the world of Navy SEALs and Special Forces snipers, beginning with the grueling selection process of Basic Underwater Demolition/SEAL (BUD/S)—the toughest and longest military training in the world. After graduating, Wasdin faced new challenges. First there was combat in Operation Desert Storm as a member of SEAL Team Two. Then the Green Course: the selection process to join the legendary SEAL Team Six, with a curriculum that included practiced land warfare to unarmed combat. More than learning how to pick a lock, they learned how to blow the door off its hinges. Finally as a member of SEAL Team Six he graduated from the most storied and challenging sniper program in the country: The Marine's Scout Sniper School. Eventually, of the 18 snipers in SEAL Team Six, Wasdin became the best—which meant one of the best snipers on the planet. Less than half a

---

year after sniper school, he was fighting for his life. The mission: capture or kill Somali warlord Mohamed Farrah Aidid. From rooftops, helicopters and alleys, Wasdin hunted Aidid and killed his men whenever possible. But everything went quickly to hell when his small band of soldiers found themselves fighting for their lives, cut off from help, and desperately trying to rescue downed comrades during a routine mission. The Battle of Mogadishu, as it became known, left 18 American soldiers dead and 73 wounded. Howard Wasdin had both of his legs nearly blown off while engaging the enemy. His dramatic combat tales combined with inside details of becoming one of the world's deadliest snipers make this one of the most explosive military memoirs in years.

#### No Reservations SEAL the Deal

A hard-hitting exposé of SEAL Team 6, the US military's best-known brand, that reveals how the Navy SEALs were formed, then sacrificed, in service of American empire. The Navy SEALs are, in the eyes of many Americans, the ultimate heroes. When they killed Osama Bin Laden in 2011, it was celebrated as a massive victory. Former SEALs rake in cash as leadership consultants for corporations, and young military-bound men dream of serving in their ranks. But the SEALs have lost their bearings. Investigative journalist Matthew Cole tells the story of the most lauded unit, SEAL Team 6, revealing a

troubling pattern of war crimes and the deep moral rot beneath authorized narratives. From their origins in World War II, the SEALs have trained to be specialized killers with short missions. As the wars in Iraq and Afghanistan became the endless War on Terror, their violence spiraled out of control. Code Over Country details the high-level decisions that unleashed the SEALs' carnage and the coverups that prevented their crimes from coming to light. It is a necessary and rigorous investigation of the unchecked power of the military—and the harms enacted by and upon soldiers in America's name.

BFF'ed: A Friends-to-Lovers Romance Simon and Schuster  
The New York Times Bestseller and Winner of the 2015 Army Historical Foundation Distinguished Writing Award for Unit History  
Since the attacks of September 11, one organization has been at the forefront of America's military response. Its efforts turned the tide against al-Qaida in Iraq, killed Bin Laden and Zarqawi, rescued Captain Phillips and captured Saddam Hussein. Its commander can direct cruise missile strikes from nuclear submarines and conduct special operations raids anywhere in the world. Relentless Strike tells the inside story of Joint Special Operations Command, the secret military organization that during the past decade has revolutionized counterterrorism, seamlessly fusing intelligence and operational skills to conduct missions that hit the headlines, and those that have remained in the shadows-until now. Because JSOC includes the military's most storied special operations units-Delta Force, SEAL Team 6, the 75th Ranger Regiment-as well as America's most secret aviation and intelligence units, this is their story, too. Relentless Strike

---

reveals tension-drenched meetings in war rooms from the Pentagon to Iraq and special operations battles from the cabin of an MH-60 Black Hawk to the driver's seat of Delta Force's Pinzgauer vehicles as they approach their targets. Through exclusive interviews, reporter Sean Naylor uses his unique access to reveal how an organization designed in the 1980s for a very limited mission set transformed itself after 9/11 to become the military's premier weapon in the war against terrorism and how it continues to evolve today.

Relentless Strike Kate Aster

Danger in the mountains of Montana...

Until Forever: A Wedding Novella St. Martin's Press

**\*\*THE NEW YORK TIMES BESTSELLER\*\*** With all the SEALs' recent successes, we have been getting a level of attention we are not used to. It's been flattering but something important has been missing from the discussion. People keep describing what we do, but no one has even scratched the surface of how and why. The unique psychology behind it. Operating in the world's most hostile environments, the Navy SEALs are highly skilled warriors, finely tuned and ready for action. Now, for the first time, Lieutenant Commander Rorke Denver offers a compelling and profound insight into the extreme bravery, borderline lunacy, and touching camaraderie of this elite brotherhood. Packed with tales from the gruelling training process and real-life operations, Rorke Denver recounts his evolution from a young SEAL hopeful pushing his way through Hell Week, into a warrior engaging in dangerous stealth missions across the globe, and finally into a lieutenant commander directing the indoctrination programmes and the "Hero or Zero"

missions his graduating SEALs undertake. From hunting Osama bin Laden to hostage rescues in Somalia and momentum-shifting operations in Afghanistan and Iraq, the SEALs hit hard and fast, moving in and out of conflict zones without leaving a trace. Through the course of Denver's story, you'll see what it takes to become one of them and why they are the damn few.

Fearless Kate Aster

The answers you've been waiting for... in the follow-up novella to No Reservations! When former Navy SEAL, Maddox Kerry, sweeps Bridget Needham off her feet, slips a ring on her finger, and talks about "forever," her life should be a fairy tale romance. But a mysterious envelope hidden away in a wall threatens to shatter Bridget's happily ever after. Maddox has pulled off plenty of rescues in his time with the SEALs. But as the minutes count down to their impending wedding, can he save Bridget from letting her past destroy her future?
