## SEAL the Deal Kate Aster

Life is about to change for Lieutenant Jack Falcone. Stationed at the U.S. Naval Academy, Jack has just learned he's headed back to the SEALs as an Anti-Submarine Warfare Expert. He's got six weeks left in Annapolis... six weeks to convince Maeve that some pasts are worth revisiting. How can she resist? When Maeve said good-bye to Jack eight years ago after a weekend fling, she never expected he'd return to her life, and wind up the best man in the wedding of her friends, Mick and Lacey. But a lot has happened in the years they've been apart... just enough to make a relationship with him impossible. If she can resist temptation for just six more weeks, her secrets will be safe. Six weeks... starting... now... The SEAL's Best Man is a full-length novel about what happens when the low sizzle of a weekend fling blazes into a bonfire that could burn for a lifetime.

Stein Adler: The first time I saw him, he was splitting logs like my filthiest lumberjack fantasy. A Delta Force hero with a heart of gold... hidden behind pecs that should be sculpted in marble. And then there's that eight-pack that renders me speechless as I stare at him from behind a bush during my vacation. He's not what I'm looking for. Really. A fling with Stein is the polar opposite of the calm, peaceful week I planned when I booked this trip. His piercing eyes are full of secrets that should make me run for cover. But if he can handle a woman as masterfully as he handles that axe... well, he might be enough to pull me out of my post-divorce gloom. So I'll strike a deal with him. I can't resist. It's not often an accountant like me comes across a man this... fling-worthy.

## The Special Ops Workout Kate Aster

Four military histories from a writer "whose fine work should be of great interest . . . both to casual readers and to uniformed students of special ops" (Publishers Weekly). An expert in military affairs, Orr Kelly reveals the cutting-edge technology and jaw-dropping courage of the US military's elite forces on land, sea, and air. Brave Men, Dark Waters: Originating in World War II as Underwater Demolition Teams, the Navy SEALs are the best of the best in the armed forces—known for their toughness and fearlessness, and their remarkable ability to get the job—any job—done. Facing America's enemies across the globe, these modern warriors were the first to enter the fight in Vietnam, Panama, Grenada, and Iraq. Brave Men, Dark Waters is "the most complete in-depth study of this fabled elite unit" (Library Journal). Never Fight Fair!: Here, in their own words, are the true accounts of the US Navy SEALs—from their formation in World War II to the jungles of Vietnam to the deserts of Iraq. In this riveting oral history, these brave men speak openly about their training and their missions, offering the uncensored, inspiring, and sometimes shocking truth about their combat triumphs and their rare but devastating failures. Hornet: Born in 1978, the McDonnell Douglas F/A-18 Hornet has forever changed the way America's wars are fought. This is the fascinating true story of the controversial development and deployment of the state-of-the-art supersonic fighter and attack aircraft with a top speed of more than one thousand miles per hour. Kelly details how Hornet came to be, how it was nearly doomed by an unprecedented political battle, and how it has served ably in combat from its first mission in Libya to Operation Desert Storm and well beyond. From a Dark Sky: Very little is known about US Air Force Special Operations—yet their exploits have been as daring and their achievements as remarkable as anything accomplished by their brother warriors. Since World War II, these ultrasecretive air commandos have routinely performed the nearly impossible, from providing air support for partisans in Nazi-occupied France to participating in clandestine CIA operations in Vietnam and Cambodia to secretly inserting covert operatives into North Korea. From a Dark Sky is "a well-conceived and well-executed, well-deserved tribute to an uncommonly fine body of American warriors" (Booklist).

## SEAL of Honor Alpha Seals

Graydon Adler: A man who 's impossible to forget. Yet the first time our paths crossed on a SEAL mission

— the kind that requires computer nerds like me to mingle with SEALs like him — I was so terrified that I barely remember him there. But every time after that? Oh, I remember plenty... Abs for days, shoulders that fill up a doorway, and a hard-earned SEAL trident on his uniform. Years later, he 's hitting me up for the kind of favor that would fill any woman with utter rapture — pretend I ' m his date on a wedding cruise to get his family off his decidedly muscular back. Now I ' m on a ship destined for paradise with a man who could shatter my heart. Because computer nerds like me don ' t end up with SEALs like him. But I ' ll indulge in this fantasy, hating that I want so much more of this. Hating that this will end. It ' s too glorious — too addictive — being his plus one.

The Mammoth Book of Special Ops Romance St. Martin's Press

In the postcard-perfect seaside town of Annapolis, Maryland, the bestselling romance series begins... Lieutenant Commander Mick Riley, a member of the fabled SEAL Team Six, can't pull his eyes from Lacey Owens. Yet she is the type of woman he wants to avoid — the kind that gets him thinking about settling down, spawning kids, and finding lower-mortality employment. Lacey has her own reasons for avoiding Mick. Tired of living in the shadow of her financial mogul sister, this real estate agent has tossed ethics aside to succeed, putting the tempting SEAL well out of her reach. But when their circles of friends collide, Lacey can't avoid Mick's rock-hard abs and a smile that melts her into a pool of hot wax. Friendship blossoms and passion simmers... even as she struggles to conceal the unethical business plan that brought him into her life. SEAL the Deal is a full-length novel about the fine line that divides friendship and love, and the unexpected joy of crossing it.

Navy Seal's Deadly Secret (Mills & Boon Heroes) (Runaway Ranch, Book 1) Kate Aster  
Bridget Needham knows first-hand how a Special Ops man can shatter a girl ' s heart. She ' s still kicking herself over the one that got away... after watching him get down on one knee and propose to someone else. After giving up her career to re-open her aunt ' s struggling bed-and-breakfast inn, the last thing she needs is a sexy-as-sin SEAL showing up on her doorstep—especially when the secrets of her past still threaten to keep her from holding onto love. Besides, this guy might have a Greek god bod and an impressively large power drill, but he also has a girlfriend two thousand miles away. Former Navy SEAL Maddox Kerry hadn ' t intentionally landed himself in Annapolis during Commissioning Week—the one week when it ' s next-to-impossible to find a place to stay. So it ' s mission-critical that he convince an adorably awkward innkeeper whose bed-and-breakfast is closed for renovations to let him stay. And hey, if he finds himself hoping for a little more than the customary turn-down service, who can blame him? Yet every time the chemistry sparks between them, she runs for cover. Any other guy would shrug his shoulders and move on. But he can ' t walk away when he senses the pain behind her prim exterior. Because Maddox Kerry isn ' t any other guy.

Matchmaker Freya Hansen-Adler is at it again, and this time, it will take apple pie and an adorable rescue dog to help her make a perfect match of her friends, Millie and Dax... I should be immune to a man like Dax. Tall, dark, and deadly... quite literally with that sexy Army Ranger scroll on his uniform. But I know firsthand the headache, the worry, the grief that can come with a Special Ops guy like him. And I ' ll have no part of it. Even after Dax starts living in the extra room in my house. Even when he greets me in the morning, showcasing those glorious pecs-of-perfection before I ' ve even had my coffee. Even when I

find out that the man behind that devilish grin is ten times as tempting as his flawless form. And even when we strike a deal that has me questioning everything as I savor one sinful summer, I will not fall for him... ..until the sweet, scorching heat I feel inside surpasses the hottest day on my island home, and there ' s no turning back.

Go deep into SEAL Team SIX, straight to the heart of one of its most legendary operators. When Navy SEAL Adam Brown woke up on March 17, 2010, he didn ' t know he would die that night in the Hindu Kush Mountains of Afghanistan—but he was ready. In a letter to his children, not meant to be seen unless the worst happened, he wrote, “ I ' m not afraid of anything that might happen to me on this earth, because I know no matter what, nothing can take my spirit from me. ” Fearless is the story of a man of extremes, whose courage and determination were fueled by faith, family, and the love of a woman. It ' s about a man who waged a war against his own worst impulses, including drug addiction, and persevered to reach the top tier of the U.S. military. In a deeply personal and absorbing chronicle, Fearless reveals a glimpse inside the SEAL Team SIX brotherhood, and presents an indelible portrait of a highly trained warrior whose final act of bravery led to the ultimate sacrifice. Adam Brown was a devoted man who was an unlikely hero but a true warrior, described by all who knew him as...fearless. “ As a rule, we don ' t endorse books or movies or anything regarding the command where I work—and Adam Brown worked—but as the author writes in Fearless, ‘ you have to know the rules, so you know when to bend or break them. ’ This is one of those times. Read this book. Period. It succeeds where all the others have failed. ” —SEAL Team SIX Operator

Twice Tempted SEAL the Deal

The New York Times best selling book that takes you inside SEAL Team Six — the covert squad that killed Osama Bin Laden SEAL Team Six is a secret unit tasked with counterterrorism, hostage rescue, and counterinsurgency. In this dramatic, behind-the-scenes chronicle, Howard Wasdin takes readers deep inside the world of Navy SEALs and Special Forces snipers, beginning with the grueling selection process of Basic Underwater Demolition/SEAL (BUD/S)—the toughest and longest military training in the world. After graduating, Wasdin faced new challenges. First there was combat in Operation Desert Storm as a member of SEAL Team Two. Then the Green Course: the selection process to join the legendary SEAL Team Six, with a curriculum that included practiced land warfare to unarmed combat. More than learning how to pick a lock, they learned how to blow the door off its hinges. Finally as a member of SEAL Team Six he graduated from the most storied and challenging sniper program in the country: The Marine's Scout Sniper School. Eventually, of the 18 snipers in SEAL Team Six, Wasdin became the best—which meant one of the best snipers on the planet. Less than half a year after sniper school, he was fighting for his life. The mission: capture or kill Somali warlord Mohamed Farrah Aidid. From rooftops, helicopters and alleys, Wasdin hunted Aidid and killed his men whenever possible. But everything went quickly to hell when his small band of soldiers found themselves fighting for their lives, cut off from help, and

desperately trying to rescue downed comrades during a routine mission. The Battle of Mogadishu, as it become known, left 18 American soldiers dead and 73 wounded. Howard Wasdin had both of his legs nearly blown off while engaging the enemy. His dramatic combat tales combined with inside details of becoming one of the world's deadliest snipers make this one of the most explosive military memoirs in years.

You've heard the joke... Know how to figure out if a guy 's a pilot? He 'll tell you. Yep Cocky? Arrogant? Player? That 's generally the impression I like to give women. Outside of my 8-pack and medals for valor, when it comes to women 's expectations of me... I try to keep the bar low enough so that I can roll over it. Until Kaila comes along. She 's like every fantasy I could conjure - that night I made her soul-searing eyes glaze over with passion as she cried out my name... Several times, because I 'm very thorough. It should have been enough for me. It 's not. But with my past - and a secret I 've kept even from my brothers - I know I 'm not capable of giving her what she deserves. I know it... ... even with hindsight.

Faking It Stoker Aces Production

For readers of American Sniper, the stirring account of a life of service by the "father of the US Navy SEALs" One month after the Bay of Pigs fiasco, when President John F. Kennedy pressed Congress about America 's "urgent national needs," he named expanding US special operations forces along with putting a man on the moon. Captain William Hamilton was the officer tasked with creating the finest unconventional warriors ever seen. Merging his own experience commanding Navy Underwater Demolition Teams with expertise from Army Special Forces and the CIA, and working with his subordinate, Roy Boehm, he cast the mold for sea-, air-, and land-dispatched night fighters capable of successfully completing any mission anywhere in the world. Initially, they were used as a counter to the potential devastation of nuclear war, and later for counterterrorism and hostage rescue. His vision led to the formation of the celebrated SEAL Team 6. In this stirring, action-filled book, Hamilton tells his story for the first time. Night Fighter is a trove of true adventure from the history of the late twentieth century, which Hamilton lived, from fighter pilot in the Korean War to operative for the CIA in Vietnam, Africa, Latin America, and Europe, from the Pentagon to Foggy Bottom, and from the Cuban Missile Crisis to the Reagan White House 's Star Wars. Like American Sniper, here is the record of a life devoted to patriotic service. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for

readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

#### A is for Alpha Kate Aster

A hard-hitting exposé of SEAL Team 6, the US military's best-known brand, that reveals how the Navy SEALs were formed, then sacrificed, in service of American empire. The Navy SEALs are, in the eyes of many Americans, the ultimate heroes. When they killed Osama Bin Laden in 2011, it was celebrated as a massive victory. Former SEALs rake in cash as leadership consultants for corporations, and young military-bound men dream of serving in their ranks. But the SEALs have lost their bearings. Investigative journalist Matthew Cole tells the story of the most lauded unit, SEAL Team 6, revealing a troubling pattern of war crimes and the deep moral rot beneath authorized narratives. From their origins in World War II, the SEALs have trained to be specialized killers with short missions. As the wars in Iraq and Afghanistan became the endless War on Terror, their violence spiraled out of control. Code Over Country details the high-level decisions that unleashed the SEALs' carnage and the coverups that prevented their crimes from coming to light. It is a necessary and rigorous investigation of the unchecked power of the military—and the harms enacted by and upon soldiers in America's name.

#### Protecting Fiona: A Navy SEAL Military Romantic Suspense Kate Aster

I know exactly what I want. And it has nothing to do with the hot Navy SEAL I picked up in a bar. Really... it doesn't. Even though the pressure of his lips on mine fires me like a hot kiln, and the feel of his ripped chest beneath my hungry fingertips... Wait... I'm digressing. Focus, Allie. Since graduating from college, I've been juggling two jobs while fostering abandoned dogs, with my sights set on opening a rescue kennel. I'll do whatever it takes to succeed, even if it means fighting back my cravings for the man who's been fueling my fantasies since I got my first taste of him in a hotel elevator. This guy is too full of secrets. Dark ones, hidden behind his ice blue eyes. Secrets of his Special Ops past and of a billionaire family that employs half our town. He won't let me into his world, and it's for the best. Logan Sheridan is more than I can handle. But when he slips his way into my life, searing the memory of his rock-hard body pressed against mine into my consciousness, all I can do is remember that night in the elevator... ...and ask for more, please.
