Using fun phonics games and reading activities make guided reading groups easier. Here's a new blending cvc words with short vowels activity I created to use to help prepare students for Dibels and become more fluid readers. Phonics games are more fun when they are interactive - how much more interactive can you get than using race cars to blend sounds together?

Guided Reading | Scholastic International

Guided reading is an instructional practice or approach where teachers support a small group of students to read a text independently. Guided reading is informed by Vygotsky's (1978) Zone of Proximal Development and Bruner's (1986) notion of scaffolding, informed by Vygotsky's research. The ...

Guided reading - Department of Education and Training

Guided reading puts the learners near the teacher. The readers receive immediate feedback on their use of the reading process. Students immediately try out the

teacher's feedback. However, not all guided reading methods work the same! Some methods of guided reading really work better than others. Let's look at guided reading strategies that ...

Guided reading gives teachers the opportunity to observe students as they read from texts at their instructional reading levels. This strategy guide describes ideas that support guided reading, including practical suggestions for implementing it in the classroom; introduces guided reading; and includes a reading list for further investigation.
