The Quest of the Historical Jesus HarperCollins UK
Zionism was inspired as a movement--one driven by the search for a homeland for the stateless and persecuted Jewish people. Yet it trampled the rights of the Arabs in Palestine. Today it has become so controversial that it defies understanding and trumps reasoned public debate. So argues prominent British writer Jacqueline Rose, who uses her political and psychoanalytic skills in this book to take an

unprecedented look at Zionism--one of the most powerful ideologies of modern times. Rose enters the inner world of the movement and asks a new set of questions. How did Zionism take shape as an identity? And why does it seem so immutable? Analyzing the messianic fervor of Zionism, she argues that it colors Israel's most profound self-image to this day. Rose also explores the message of dissidents, who, while believing themselves the true Zionists, warned at the outset against the dangers of statehood for the Jewish people. She suggests that these dissidents were prescient in their recognition of the legitimate claims of the Palestinian Arabs. In fact, she writes, their thinking holds the knowledge the Jewish state needs today in order to transform itself. In perhaps the most provocative part of her analysis, Rose proposes that the link between the Holocaust and the founding of the Jewish state, so often used to justify

Israel's policies, needs to be rethought in terms of the shame felt by the first leaders of the nation toward their own European history. For anyone concerned with the conflict in Israel-Palestine, this timely book offers a unique understanding of Zionism as an unavoidable psychic and historical force.

" Captivating, thoughtful, and tense, a great read for those who enjoy psychological thrillers and complex puzzles. Highly recommended. " —New York Journal Review of Books " It ' s time to come Home. All five of you. Or else. " Saskia was a damaged, lonely teenager when she arrived at the lakeside commune called Home. She

was entranced by the tang of sourdough starter; the midnight call of the loons; the triumph of foraging wild mushrooms from the forest floor. But most of all she was taken with Abraham, Home's charismatic leader, the North Star to Saskia and the four other teens who lived there, her best and only friends. Two decades later, Saskia is shuttered in her Connecticut estate, estranged from the others. Her carefully walled life is torn open by threatening letters. Unless she and her former friends return to the land in rural Maine, the terrible thing they did as teenagers—their last-ditch attempt to save Home—will be revealed. From vastly different lives, the five return to confront their blackmailer and reckon with the horror that split them apart. How far will they go to bury their

secret forever? New York Times bestselling author Miranda Beverly-Whittemore's *Fierce Little Thing* is a mesmerizing story of friendship and its reckonings. *Babel in Zion* Michael Joseph Follow the inspirational journey of a former stockbroker who leaves his unfulfilling desk job in search of a meaningful life. He sets out from Los Angeles on a vintage motorbike, determined to circumnavigate the globe surviving only on the kindness of strangers. Incredibly, he makes his way across the U.S., through Europe, India, Cambodia, and Vietnam, and finally to Canada and back to the Hollywood sign, by asking strangers for shelter, food, and gas. Again and again,

he ' s won over by the generosity of humanity, from the homeless man who shares his blanket to the poor farmer who helps him with his broken down bike, and the HIV-positive mother who takes him in and feeds him. At each stop, he finds a way to give back to these unsuspecting Good Samaritans in life-changing ways, by rebuilding their homes, paying for their schooling, and leaving behind gifts big and small. The Kindness Diaries will introduce you to a world of adventure, renew your faith in the bonds that connect people, and inspire you to accept and generate kindness in your own life. Golding ' s iconic 1954 novel, now with a new

foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

It is the spring of 1939 in the age of anxiety. In months Europe will be Hitler's. And Badenheim, a resort town vaguely in the orbit of Vienna, is preparing for its summer season. The vacationers arrive as they always have, a sampling of Jewish middleclass life: the impresario Dr. Pappenheim, his musicians, and their conductor; the gay Frau Tsauberblit; the historian Dr. Fussholdt and his much younger wife; the 'readers,' twins whose passion for Rilke is featured on their program; a child prodigy; a commercial traveler; a rabbi. The list waxes as the summer wanes. To receive them in the town are the pharmacist and his worried wife, the hotelier and his large

staff, the pastry shop owner and his irritable baker, Sally and Gertie (two quite respectable prostitutes), and, mysteriously, the bland inspectors from the "Sanitation Department." The story unfolds as matter-of-factly as a Chekhov play. The characters on stage are so deeply held by their defensive daily trivia that they manage to misconstrue every signal of their fate. Finally, de facto prisoners in their familiar resort, the vacationers, now increased by the forced crowding-in of other Jews hardly on vacation, take on the lineaments of undefined disaster. The text builds a sense of foreboding in which each human detail is so persuasive, so right in its fidelity to the terrible

evasions of the time, that it leaves the reader transformed by what he and the author know must happen to Badenheim's people. Badenheim 1939 owes everything to its author's astonishing capacity to recreate the energies and confusions of innocent and uncomprehending victims who, always loyal to civility and social graces, fail to even dimly see the cruel terms of their imminent fate. *Tabernacles of Clay* Simon and Schuster

The promotion and vernacularization of Hebrew, traditionally a

language of Jewish liturgy and study, was a central accomplishment of the Zionist movement in Palestine. Viewing twentieth-century history through the lens of language, author Liora Halperin questions the accepted scholarly narrative of a Zionist move away from multilingualism during the years following World War I, demonstrating how Jews in Palestine remained connected linguistically by both preference and necessity to a world outside the boundaries of the pro-Hebrew community even as it promoted Hebrew and achieved that language's dominance. The story of language encounters in Jewish Palestine is a fascinating tale of shifting power relationships, both locally

and globally. Halperin's absorbing study explores how a young national community was compelled to modify the dictates of Hebrew exclusivity as it negotiated its relationships with its Jewish population, Palestinian Arabs, the British, and others outside the margins of the national project and ultimately came to terms with the limitations of its hegemony in an interconnected world. *Storming Zion Open Road + Grove/Atlantic* With faith, hope, and compassion, acclaimed religion scholar Timothy Beal shows us how to navigate the inevitabilities of the climate crisis and the very real—and very near—possibility of

human extinction What if it ' s too late to save ourselves from climate crisis? *When Time is Short* is a meditation for what may be a finite human future that asks how we got here to help us imagine a different relationship to the natural world. Modern capitalism, as it emerged, drew heavily upon the Christian belief in human exceptionalism and dominion over the planet, and these ideas still undergird our largely secular society. They justified the pillaging and eradication of indigenous communities and plundering the Earth ' s resources in pursuit of capital and lands. But these aren ' t

the only models available to us—and they aren't even the only models to be found in biblical tradition. Beal re-reads key texts to anchor us in other ways of being—in humbler conceptions of humans as earth creatures, bound in ecological interdependence with the world, subjected to its larger reality. Acknowledging that any real hope must first face and grieve the realities of climate crisis, Beal makes space for us to imagine new possibilities and rediscover ancient ones. What matters most when time becomes short, he reminds us, is always what matters most. The Externally Focused

"I come from Des Moines. Somebody had to." And, as soon as Bill Bryson was old enough, he left. Des Moines couldn't hold him, but it did lure him back. After ten years in England he returned to the land of his youth, and drove almost 14,000 miles in search of a mythical small town called Amalgam, the kind of smiling village where the movies from his youth were set. Instead he drove through a series of horrific burgs, which he renamed Smellville, Fartville, Coleslaw, Coma, and Doldrum. At best his search led him to Anywhere, USA, a lookalike strip of gas stations, motels and hamburger outlets populated by obese and

slow-witted hicks with a partiality for synthetic fibres. He discovered a continent that was doubly lost: lost to itself because he found it blighted by greed, pollution, mobile homes and television; lost to him because he had become a foreigner in his own country. When Time Is Short Macmillan

The Emmy-winning CBS Sunday Morning correspondent chronicles his year traveling to every one of our National Parks, discovering the most beautiful places and most interesting people that America has to offer. When Conor Knighton decided to spend a year wandering through America's "best idea," he was worried the whole thing might end up being his worst idea. But after

a broken engagement and a broken heart, Conor desperately needed a change of scenery. The ambitious plan he cooked up went a bit overboard in that department; Knighton set out to visit every single one of America's National Parks, from Acadia to Zion. Leave Only Footprints is the memoir of his year spent traveling across the United States, a journey that yielded his "On the Trail" series, which quickly became one of CBS Sunday Morning's most beloved segments. In this smart, informative, and entertaining book, he shares how his journey through these natural wonders ended up changing his worldview on everything from God and love to politics and technology. Whether he's

waking up early for a
naked scrub in a historic
bathhouse or staying up
late to stargaze along our
loneliest highway,
Knighton goes behind the
scenery to provide an
unfiltered look at our
country. In doing so, he
reveals the unforgettable
stories behind the often
beautiful, always
fascinating lands that all
Americans share.

Morbid, but strangely fascinating accounts In 2015, a group of seven hikers were killed when a sudden flood struck Keyhole Canyon in Zion National Park. Prior to that, the steep, narrow route to Angels Landing led to at least five fatalities. Numerous people have found that high, exposed places in Zion—such as rim trails—are bad places to be in lightning storms. Death in Zion National Park collects some of the most gripping accounts in park history of the unfortunate events caused by natural forces or human folly.

Popular author and speaker John Pontius has once again written a classic! As the world anticipates its end, we Latter-day Saints are preparing to build the city of Zion. with so much emphasis on building Zion physically on Earth, we sometimes forget that the best place to build Zion is within our own hearts. John Pontius carefully details the importance of Zion in our own lives, opening our eyes to our oft-overlooked obligations and vast privileges. with hundreds of references from the scriptures and the prophets of our dispensation, the Triumph of Zion Our

Personal Quest for the New Jerusalem will guide you in obtaining the blessings of Zion for yourself and your family.

Redesigning the American Lawn Cedar Fort

Janice Masur grew up in a tiny, remote European Jewish community in Kampala, Uganda, under British Imperial rule, with no rabbi or Jewish infrastructure. And yet, this community of only twenty-three families formed a cohesive group that celebrated all Jewish festivals together and upheld their Jewish identity. Sadly, while Kampala Jewry made every effort to survive, it eventually failed and withered under the hot African sun. In *Shalom Uganda: A Jewish Community on the Equator*, Masur tells her story of living in this little-known Ashkenazi Jewish

community from 1949 to 1961. Because so many Jewish communities were obliterated in the last century, she documents, remembers, and preserves Kampala European Jewry with all the respect that it deserves. Supported with interviews, photos and research, this compelling memoir is a must-read for Jewish scholars as well as anyone interested in Jewish history and life in far-flung places. Janice Masur was born in Eritrea, spent her childhood in Uganda, and attended university in New Zealand--all countries where Jewry was barely visible on the Jewish diaspora spectrum. Today, Masur feels strongly rooted in her Jewish community in Vancouver, Canada, where she lives with her husband. Black Brother, Black Brother Fortress Press Her family devastated by the accident that has rendered her brilliant brother in a vegetative

Documents the author's decade-long search for identity and a place of belonging as inspired by African-American and Jewish history as well as the exoduses of black communities that left ancestral homes in search of "promised lands," in an account that describes the author's visits to regions where Black Zionists imparted the stories of their own cultural migrations.
