Find A Manual - Sears

In the end I would only feel comfortable with my sears pick. The price was right , and the specs seemed quite good as compared to a similar ?and very expensive Honda version. Its been two plus years averaging ?two full days a week. This 5600 watt Craftsman generator stands up to any brand. I start it with one pull. It powers

Sears Craftsman Generator Manual

It is known that Sears does not manufacture Craftsman products by itself but place orders in different manufacturing companies and then apply the Craftsman brand to the products. In order to distinguish Craftsman items from the manufacturer's own products or from other brands which the manufacturer makes, Craftsman brand products may be produced with super characteristics and purposes ...
