American Conflicts Law: Cases and Materials (2015)

The Sixth Edition of American Conflicts Law: Cases and Materials continues the organizational pattern of the Fifth Edition, along with the problem approach adopted there. However, in Chapters 8, dealing with the Erie doctrine, and Chapter 10, dealing with the topic of personal jurisdiction, there have been extensive updates and additions. Chapter 8 has been compressed by inclusion of an extensive note following the Supreme Court's decision in *Burlington Northern Railroad v. Woods*, 480 U.S. 1 (1987). The note traces developments after *Burlington Northern* and before the Supreme Court's latest decision in *Shady Grove Orthopedic Associates v. Allstate Insurance Co.*, 518 U.S. 415 (2010). The note replaces a number of cases that were formerly reprinted in the casebook and eliminates the tedium of covering those cases in their entirety. Together with problems and additional note material following the *Shady Grove* case, the new materials provide a comprehensive but eminently teachable package for the topic. In Chapter 10, four principal cases have been added to update the Supreme Court's continuing activity in the

personal jurisdiction area. *Goodyear Dunlop Tires Operations, S.A. v. Brown*, 564 U.S. ___, 131 S. Ct. 2846 (2011) and *Daimler AG v. Bauman*, 571 U.S. ___, 134 S. Ct. 746 (2013) are the Court's latest decisions in the area of "general jurisdiction." They have been added to the chapter with appropriate note material. In the area of "specific jurisdiction," the Court's recent decisions in *McIntyre Machinery, Ltd. v. Nicastro*, 564 U.S. ___, 131 S. Ct. 2780 (2011) and *Walden v. Fiore*, 571 U.S. ___, 134 S. Ct. 1115 (2014), have been added, also with appropriate note material. The eBook versions of this title feature links to Lexis Advance for further legal research options.
