Popular Mechanics

The Sixth Edition of American Conflicts Law: Cases and Materials continues the organizational pattern of the Fifth Edition, along with the problem approach adopted there. However, in Chapters 8, dealing with the Erie doctrine, and Chapter 10, dealing with the topic of personal jurisdiction, there have been extensive updates and additions. Chapter 8 has been compressed by inclusion of an extensive note following the Supreme Court's decision in Burlington Northern Railroad v. Woods, 480 U.S. 1 (1987). The note traces developments after Burlington Northern and before the Supreme Court's latest decision in Shady Grove Orthopedic Associates v. Allstate Insurance Co., 518 U.S. 415 (2010). The note replaces a number of cases that were formerly reprinted in the casebook and eliminates the tedium of covering those cases in their entirety. Together with problems and additional note material following the Shady Grove case, the new materials provide a comprehensive but eminently teachable package for the topic. In Chapter 10, four principal cases have been added to update the Supreme Court's continuing activity in the personal jurisdiction area. Goodyear Dunlop Tires Operations, S.A. v. Brown, 564 U.S. ___, 131 S. Ct. 2846 (2011) and Daimler AG v. Bauman, 571 U.S. ___, 134 S. Ct. 746 (2013) are the Court's latest decisions in the area of "general jurisdiction." They have been added to the chapter with appropriate note material. In the area of "specific jurisdiction," the Court's recent decisions in McIntyre Machinery, Ltd. v. Nicastro, 564 U.S. ___, 131 S. Ct. 2780 (2011) and Walden v. Fiore, 571 U.S. ___, 134 S. Ct. 1115 (2014), have been added, also with appropriate note material. The eBook versions of this title feature links to Lexis Advance for further legal research options.

In the world of magazines, no recognition is more highly coveted than an "Ellie," the National Magazine Award presented by the American Society of Magazine Editors to the best of the American magazines. The Awards are the magazine equivalents to the Pulitzer Prizes of the newspaper industry. Each year, hundreds of editors-in-chief, journalism professors, and art directors winnow more than a thousand submissions to about seventy-five nominees in categories such as Reporting, Feature Writing, Profiles, Public Interest, Essays, Reviews and Criticism. Interest in the nominees is keen, and this collection will allow people both in the magazine world and beyond to find in one place, read, and admire the year's best. It is a wonderful, browsable volume of interest to writers and readers who appreciate magazine writing and journalism at its highest level.
