For many Americans, hearing
the words, United States of
America brings stirring
emotions. It is the concept of e
pluribus unumout of many,
onethat summarizes the sense
of national unity that
Americans feel, and one that
author Martin Street seeks to
convey in Taking the Pulse of
America. This compendium of
110 essays offers a snapshot of
American life today. Street
offers opinions and suggestions
for many of the most
contentious issues of our time.
From hot button issues like

abortion, illegal immigration,
and waterboarding to the
justice system, education
reform, and government affairs,
Street doesnt mince words.
Often, Streets commentary is
just as contentious as his
subjects. Even so, he provides
an honest, authentic voice to
these conversations that have
become part of our national
lexicon. Whether he discusses
unions, our throwaway society,
or professional athletes, Street
gives his straightforward, often
politically incorrect opinions. A
call to action for Americans to
restore the United States of
America to her former glory,

Taking the Pulse of America is essential reading for every citizen.
