The Startup Owner's Manual John Wiley & Sons More than 100,000 entrepreneurs rely on this book for detailed, step-by-step instructions on building successful, scalable, profitable startups. The National Science Foundation pays hundreds of startup teams each year to follow the process outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? The Startup Owner's Manual guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup"

movement and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you:

- Avoid the 9 deadly sins that destroy startups' chances for success
- Use the Customer Development method to bring your business idea to life
- Incorporate the Business Model Canvas as the organizing principle for startup hypotheses
- Identify your customers and determine how to "get, keep and grow" customers profitably
- Compute how you'll drive your startup to repeatable, scalable profits.

The Startup Owner's Manual was originally published by K&S Ranch Publishing Inc. and is now available from Wiley. The cover, design, and content are the same as the prior release and should not be considered a new or updated product.

The #1 bestseller that gives YOU complete control over your body and your health. In this updated and expanded edition, America's favorite doctors, Michael Roizen and Mehmet Oz, discuss how YOU actually have control over your genes. Discover how diseases start and how they affect your body—as well as advice on how to prevent and beat conditions that threaten your quality of life. YOU: The Owner's Manual challenges preconceived notions about how the human body works and ages, and takes you on a fascinating grand tour of all your blood-pumping, food-digesting, and numbers-remembering systems and organs—including the heart, brain, lungs, immune system, bones, and sensory organs. There are also 100 questions asked by you, and answered by the experts. For instance, do you know which

of the following statements are true? As you increase the amount you exercise, the rewards you gain from it increase as well. If you're not a smoker, you have nothing to worry about when it comes to your lungs. Your immune system always knows the difference between your own cells and enemy invaders. The biggest threat to your arteries is cholesterol. Memory loss is a natural, inevitable part of aging. Stress is the greatest ager, and controlling it changes which of your genes is on. Did you answer "true" for any of the above? Then take a look inside. Complete with exercise tips, nutritional guidelines, simple lifestyle changes, and alternative approaches, *YOU: The Owner's Manual* debunks myths and gives you an easy, comprehensive, and life-changing How-To plan—as well as great-tasting and calorie-saving recipes—that can help you live a healthier, younger, and better life. Be the best expert on your body!

This Owner's Manual provides you with detailed ways to Consciously Evolve Your Consciousness while addressing other important related issues: The Brain and How to Use It, The Law of Giving and Receiving, How to Meditate, How to Chant Nam Myoho Renge Kyo,

Wishing People a Happy Life, The Probability of Being Born, Spiritual Philosophy, Neuroscience and Neurogenesis (how to grow new stem cells), Evolution of the Subconscious Mind. By the time you read this Owner's Manual, you will be on your way to evolving your own consciousness. Included with this Owner's Manual is the novel *Romancing the Absurd*, a story of redemption for two of the characters who dabble in consciously evolving their consciousness. When financial investigator Tony T. Truebl é is hired to interview key players in a major lawsuit against a venture

capitalist group, his world is turned upside down as he is dragged through a seedy underworld of corruption, dishonesty, and murder. He must not only get the job done but do so without giving into his insatiable cravings for vodka, weed, and casual, meaningless sex. Sensational, satirical, and sometimes absurd, *Romancing the Absurd* is a literary murder mystery full of intrigue, suspense, philosophy, and absurdist cutthroat behavior. Nine people die under bizarre circumstances. A handful of people get screwed (in more ways than one). The story takes humorous and philosophical twists and turns,

leaving you laughing at the murderous tactics some folks are willing to use to get ahead in this world. Throughout the story, there runs an undercurrent of reflection, hope, and redemption for Tony, who strives to right his wrongs, and Jim der Bacon, accused of murder yet able to focus on consciously evolving his own consciousness. For Tony, redemption comes through writing and his new awareness that one can consciously evolve their consciousness. Romancing the Absurd is the final result of Tony's studies, hard work, and shocking struggles with himself, others, and the universe at large. Based on real-

life venture capitalists, businessmen, and lawyers, the story is structured using reinvented reality.
