The Witch Who Came in from the Cold Simon and Schuster

Finding Baba Yaga is a mythic yet timely novel-in-verse by the beloved and prolific New York Times bestselling author and poet Jane Yolen, "the Hans Christian Andersen of America" (Newsweek). A young woman discovers the power to speak up and take control of her fate—a theme that has never been more

timely than it is now... You think you know this story. You do not. A harsh, controlling father. A quiescent mother. A house that feels like anything but a home. Natasha gathers the strength to leave, and comes upon a little house in the wood: A house that walks about on chicken feet and is inhabited by a fairy tale witch. In finding Baba Yaga, Natasha finds her voice, her power, herself.... "Jane Yolen is a phenomenon: a poet and a mythmaker, who understands how old stories can tell us new things. We are lucky to have her."—Neil Gaiman

Coloring Book of Shadows: Season of the Witch Simon and Schuster
Griffin's provocative reflections on the art and philosophy of teaching, and the still-marginal position of women in academe are a must for all those interested in the state of higher education.

Season of the Witch Del Rey

Season Of The Witch is an unconventional and different tale about men, women, the sea, a storm, a shipwreck and a myth that became reality. It is a tale that takes one into the life of a mariner as his ship heads on a one way voyage to eternity. It is the tale of a ferocious autumn storm and the ordeals a man and his wife are subjected to. It is the tale of survival as a man clings to a lifeboat and stares death in the face as he rides the tempests. It is the tale of a Great Lakes Shipwreck that will lead one to wonder if it really had happened.

Season of the Witch Rosetta Books

Follows the Halliwell sisters--Phoebe, Piper, and Paige--as they experience more Wiccan adventures.

From the creator of RIVERDALE comes the Chilling Adventures of Sabrina, a new NETFLIX series based on the classic Archie comic series. This prequel YA novel tells an all-new, original story. It's the summer before her sixteenth birthday, and Sabrina Spellman knows her world is about to change. She's always studied magic and spells with her aunts, Hilda and Zelda. But she's also lived a normal mortal life -- attending Baxter High, hanging out with her friends Susie and Roz, and going to the movies with her boyfriend, Harvey Kinkle. Now time is running out on her every day, normal world, and leaving behind Roz and Susie and Harvey is a lot harder than she thought it would be. Especially because Sabrina isn't sure how Harvey feels about her. Her cousin Ambrose suggests performing a spell to discover Harvey's true feelings. But when a mysterious wood spirit interferes, the spell backfires... in a big way. Sabrina has always been attracted to the power of being a witch. But now she can't help wondering if that power is leading her down the wrong path. Will she choose to forsake the path of light and follow the path of night? Our exclusive prequel novel will reveal a side of Sabrina not seen on the new NETFLIX show. What choice will Sabrina make... and will it be the right one?

Season of the Witch Trilogy Publications

Traces the story of San Francisco in the latter half of the twentieth century, covering topics ranging from the civil rights movement and pop culture to the 49ers and famous crime cases.

Season of the Witch Simon and Schuster

With decorating projects, menu suggestions, and group activities for each festival, this book is a Wiccan guide to eight

celebrations in tune with the natural rhythm of the year and its changing seasons. Illustrations.

The Witch Haven Amy Cesari

“ In her much-needed and brilliant Year of the Witch, Temperance Alden guides readers to observe their own land, celestial cycles, seasonal cycles, and even their own biological cycles to inform their magickal year. ” -- Mat Auryn, author of *Psychic Witch: A Metaphysical Guide to Meditation, Magick, and Manifestation* When we think of the wheel of the year, the Wiccan wheel with its celebrations of the Yule, Beltane, Mabon, and Samhain come to mind. But what about a wheel of the year for the rest of us pagans and witches? As a witch living in sunny South Florida, longtime hereditary witch Temperance Alden has often felt at odds gearing up to celebrate Yule, for example, when it is 76 degrees and sunny outside. Year of the Witch will help readers create their own intuitive practices in harmony with the climate, culture, and local spirits where they live. It ' s of interest to witches coming off the Wiccan path and looking for a more personal approach to celebrating the rhythms of nature. Year of the Witch covers all aspects of this new, seasonal practice: The origins of the neo-pagan wheel of the year and why it is still so relevant today Culture, historical facts, and traditions associated with the major ceremonies Basic principles of land-based magick How to intuitively connect to the nature below your feet and the local gods Being a custodian to the land and its impact on our spiritual practice Lifestyles of the Witch and Ageless Penguin Pulp History brings to life extraordinary feats of bravery, violence, and redemption that history has forgotten. These stories are so dramatic and thrilling they have to be true. In Devil Dog, the most decorated Marine in history fights for America across the globe—and returns home to set his country straight. Smedley Butler took a Chinese bullet to the chest at

age eighteen, but that did not stop him from running down rebels in Nicaragua and Haiti, or from saving the lives of his men in France. But when he learned that America was trading the blood of Marines to make Wall Street fat cats even fatter, Butler went on a crusade. He threw the gangsters out of Philadelphia, faced down Herbert Hoover to help veterans, and blew the lid off a plot to overthrow FDR.

Brothers Simon and Schuster

Robert F. Kennedy was the first conspiracy theorist about his brother's murder. In this astonishingly compelling and convincing new account of the Kennedy years, acclaimed journalist David Talbot tells in a riveting, superbly researched narrative why, even on 22 November 1963, RFK had reason to believe that dark forces were at work in Dallas and reveals, for the first time, that he planned to open an investigation into the assassination had he become president in 1968. **BROTHERS** also portrays a JFK administration more besieged by internal enemies than has previously been realised, from within the Pentagon, the CIA, the FBI and the mafia. This frightening portrait of sinister elements within and without the government serves as the background for the emotionally charged journey of Robert Kennedy. Reading it, you can absolutely believe any number of people would have been happy for both brothers to meet a sticky end. The tragedy, not just for America but for the world, is that since their murders no one has had the nerve to stand against the dark forces they challenged in quite the same way.

A Season with the Witch Sh é a MacLeod

In her award-winning novel, Mostert blends alchemy, the art of memory, high magic and murder to create a highly original psychological thriller. Gabriel Blackstone is a cool, hip, thoroughly twenty-first

century Londoner with an unusual talent. A computer hacker by trade, he is also a remote viewer: able to 'slam a ride' through the minds of others. But he uses his gift only reluctantly -- until he is contacted by an ex-lover who begs him to find her step-son, last seen months earlier in the company of two sisters. And so Gabriel visits Monk House, a place where time seems to stand still, and where the rooms are dominated by the coded symbol of a cross and circle. Gabriel becomes increasingly bewitched by the house, and by its owners, the beautiful and mysterious Monk sisters. But even as he falls in love, he knows that one of them is a killer. But which one? And what is the secret they are so determined to protect?

Season of the Witch (Chilling Adventures of Sabrina, Book #1)
Season of the Witch

In Enchantment, Orson Scott Card works his magic as never before, transforming the timeless story of Sleeping Beauty into an original fantasy brimming with romance and adventure. The moment Ivan stumbled upon a clearing in the dense Carpathian forest, his life was forever changed. Atop a pedestal encircled by fallen leaves, the beautiful princess Katerina lay still as death. But beneath the foliage a malevolent presence stirred and sent the ten-year-old Ivan scrambling for the safety of Cousin Marek's farm. Now, years later, Ivan is an American graduate student, engaged to be married. Yet he cannot forget that long-ago day in the forest—or convince himself it was merely a frightened boy 's fantasy. Compelled to return to his native land, Ivan finds the clearing just as he left it. This time he does not run. This time he awakens the beauty with a kiss .

. . . and steps into a world that vanished a thousand years ago. A rich tapestry of clashing worlds and cultures, *Enchantment* is a powerfully original novel of a love and destiny that transcend centuries . . . and the dark force that stalks them across the ages.

Coloring Book of Shadows Scholastic Inc.

Get whisked away into the history of some of the most controversial women in history: witches. Tracing as far back as the Stone Age, witches have fascinated us for centuries. But were they evil sorceresses determined to seek revenge, or suppressed feminists who were misunderstood? From Egyptian priestesses to Norse healers, take a closer look at witches throughout history and across the world, in this holistic non-fiction book that incorporates poetry, art, mythology, hexes, potions, and magic from different cultures and religions around the world.

Enchantment Crossroad Press

Spies and sorcerers face off during the Cold War, with the fate of the world in balance in this print edition of a hugely popular serial novel from five award-winning and critically acclaimed authors. The Cold War rages in back rooms and dark alleys of 1970s Prague as spies and sorcerers battle for home and country. The fate of the East and the West hangs in the balance right along the Iron Curtain—and crackling beneath the surface is a vein of magic that is waiting to be tapped. This novel was previously published serially at SerialBox.com/Serials/ColdWitch.

SEASONS OF THE WITCH Amazoncrossing

She was the first woman he had ever been An SF transgender classic Chosen one of the "Thirty Most Important Science Fiction Novels of the 1960s," Season of

the Witch tells the story of Andre, a man who rapes and murders a woman in a post-apocalyptic future. A dangerously low population has resulted in an end to capital punishment. Instead of execution, Andre has his brain transplanted into his victim's body, while his own body is given to an aging, brilliant scientist. Andre's search for his original male body takes him through a series of physically and spiritually disorienting sexual encounters to an unexpected denouement during an Agape ceremony in the temple of a strange, hedonistic cult. No wonder Foundation called the book, "A powerful tale of biological transformation and sexual identity." Or, that 20th Century Science Fiction Writers hailed it as, "A special combination of science fiction and pornographic detail and rhetoric. The quality of the novel artistically justifies this radical strategy." In 1995 the book was filmed as *Synapse* (U.K. as *Memory Run*), introducing its unique mix of transgender and science fiction to a whole new audience. This paperback edition contains a new Afterword and s Filmography listing cast, crew, production credits. Here is what other critics say about this classic work: "Razorblade fiction " - *The Magazine of Fantasy and Science Fiction* "Where science fiction is often male chauvinist this might raise male consciousness." *Worlds Beyond: A Critical History of Science Fiction* "A good SF book and a rather better novel qua novel. Stine never offers an explicit sexual scene in standard cliché pornographical terms - each description brings a personal and original observation into play. Many of these observations are not erotic - they may even strike some

readers as anti-erotic - but they ring with truth. A genuine work of erotic realism, written far above the standards of pornography. The body of the novel lies in the male protagonist's response to biological and physical constraints and the transformation of his personality forced upon him by his female body.

Effective...rich...rewarding...engrossing and unusual...littered with genuine insights." Ted White, editor, Heavy Metal "What happens to a man's mind in a woman's body? Stine makes you inhabit that mind and slowly, imperceptibly, absorbs you into the existence of a woman until you as a man no longer exist. You become a woman, different from the one you raped and killed, and a better woman, at the end. Stine is a remarkable writer both for style, which is turgid with evocative detail and intense psychological insight, and for use of the second-person technique, which in fiction is used very infrequently, but which is required for the Punishment and Retribution parts in this book. There is eroticism in the book. The sex act is the most important sphere of life for this book, for Stine, for you, in the working out of the changes of psyche involved. ...and it is there that Stine takes you to show the subtle altering of man to woman in the body of Josette Kovacs, deceased." Science Fiction Review "Passion, pain, real pluck ... a good eye for physical detail and a strong feeling for the human predicament." Fritz Leiber, Fantastic

Jean Marie Stine has been editor of Galaxy SF and Starblaze Books, and is currently editor of Futures-Past Editions. Her short stories have appeared in numerous publications including Amazing Stories, Galaxy, Pegasus,

and SF Sagas, and are collected in Herstory & Other Science Fictions. During the late 1960s she served as personal assistant to Star Trek creator Gene Roddenberry, working on special projects; and in the 1970s she wrote the now classic, The Prisoner: A Day in the Life, based on the cult television series starring Patrick McGoochan. Cover image and book design: Frankie Hill

Season of the Witch iUniverse

"From the hoodoo-inspired sounds of Elvis Presley to the Eastern odysseys of George Harrison, from the dark dalliances of Led Zeppelin to the Masonic imagery of today's hip-hop scene, the occult has long breathed life into rock and hip-hop--and, indeed, esoteric and supernatural traditions are a key ingredient behind the emergence and development of rock and roll ... [and in this book] writer and critic Peter Bebergal illuminates this web of influences"--Amazon.com.

Season of the Witch: The Transgender Futuristic Classic Simon and Schuster
