their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through: How great geniuses, business titans and the world's wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think,

express your creativity and begin the day peacefully instead of being rushed “ Insider-only ” tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Forever.

Fodor's Madrid Vintage The intimate biography of the iconic DJ who was lost too soon. Like a firework against the night sky, the DJ and producer Tim Bergling exploded onto the music scene. A musical visionary who, through his sense for melodies, came to define the era when Swedish and European house music took over the

world. But Tim Bergling was also an introverted and fragile young man who was forced to grow up at an inhumanly fast pace. After a series of emergencies resulting in hospital stays, he stopped touring in the summer of 2016. Barely two years later, he took his own life. *Tim - The Biography of Avicii* is written by the award-winning journalist Måns Mosesson, who was given unique access to Tim's own notes, as well as interviews with Tim's family, friends and colleagues in the music business. The book paints an honest picture of Tim and his search in life, not shying from the difficulties that he struggled with.

Immaculee Ilibagiza grew up in a country she loved, surrounded by a family she cherished. But in 1994

her idyllic world was ripped apart as Rwanda descended into a bloody genocide. Immaculee's family was brutally murdered during a killing spree that lasted three months and claimed the lives of nearly a million Rwandans. Incredibly, Immaculee survived the slaughter. For 91 days, she and seven other women huddled silently together in the cramped bathroom of a local pastor while hundreds of machete-wielding killers hunted for them. It was during those endless hours of unspeakable terror that Immaculee discovered the power of prayer, eventually shedding her fear of death and forging a profound and

lasting relationship with El Prado, dance the God. She emerged from flamenco, take a tapas her bathroom hideout tour, or experience the having discovered the incredible Alhambra, the meaning of truly the local Fodor ' s travel unconditional love—a experts in Madrid, Seville love so strong she was and Granada are here to able seek out and help! The award-winning writer of *White Tears* and *The Impressionist* takes an ultra-contemporary turn with the story of an Indian computer programmer whose luxurious fantasies about life in America are shaken when he accepts a California job offer. Lonely and naïve, Arjun spends his days as a lowly assistant virus-tester, pining away for his free-spirited colleague, Christine. Arjun gets laid off like so many of his Silicon Valley peers, and in an act of desperation to keep his job, he releases a mischievous but destructive virus around the globe that has major unintended consequences. As world order unravels, so does Arjun's sanity, in a rollicking cataclysm that reaches Bollywood and, not so coincidentally, the glamorous star of Arjun's favorite Indian movie.

The 5 AM Club Vintage

A Recommended Read

from: Vogue * The Los Angeles Times *

Publishers Weekly * The

Week * Lit Hub A stunning

and brutally honest memoir

that shines a light on what

happens when female

desire conflicts with a

culture of masculinity in

crisis In her midthirties

and newly free from a

terrible relationship,

Tabitha Lasley quit her job

at a London magazine,

packed her bags, and

poured her savings into a

six-month lease on an

apartment in Aberdeen,

Scotland. She decided to

make good on a long-

deferred idea for a book

about oil rigs and the men

who work on them. Why oil

rigs? She wanted to see

what men were like with

no women around. In

Aberdeen, Tabitha became

deeply entrenched in the

world of roughnecks, a teeming subculture rich with brawls, hard labor, and competition. The longer she stayed, the more she found her presence had a destabilizing effect on the men—and her. Sea State is on the one hand a portrait of an overlooked industry: “offshore” is a way of life for generations of primarily working-class men and also a potent metaphor for those parts of life we keep at bay—class, masculinity, the transactions of desire, and the awful slipperiness of a ladder that could, if we tried hard enough, lead us to security. Sea State is on the other hand the story of a journalist whose professional distance from her subject becomes perilously thin. In Aberdeen, Tabitha gets high and dances with abandon, reliving her youth, when the music was good and the boys were bad. Twenty years on, there is Caden: a married rig worker who spends three weeks on and three weeks off. Alone and in an increasingly precarious state, Tabitha dives into their growing attraction. The relationship, reckless and explosive, will lay them both bare.
