BRW. St. Martin's Press

The intimate biography of the iconic DJ who was lost too soon. Like a firework against the night sky, the DJ and producer Tim Bergling exploded onto the music scene. A musical visionary who, through his sense for melodies, came to define the era when Swedish and European house music took over the world. But Tim

Bergling was also an introverted and fragile young man who was forced to grow up at an inhumanly fast pace. After a series of emergencies resulting in hospital stays, he stopped touring in the summer of 2016. Barely two years later, he took his own life. Tim - The Biography of Avicii is written by the award-winning journalist Måns Mosesson, who was given unique access to Tim's own notes, as well as interviews with Tim's family, friends and colleagues in the music business. The book paints an honest picture of Tim and his search in life, not shying from the difficulties that he struggled with.

This student book provides full coverage of economic theory for all AS and A level Economics syllabuses. It is in line with the AS/A level specifications starting September 2000. The first half of the book covers AS level Economics, whilst the second half prepares students for their A level exams.

[Left to Tell](#) Fodor's Travel

A Recommended Read from: Vogue * The Los Angeles Times * Publishers Weekly * The Week * Lit Hub A stunning and brutally honest memoir that shines a light on what happens when female desire conflicts with a culture of masculinity in

crisis In her midthirties and newly free from a terrible relationship, Tabitha Lasley quit her job at a London magazine, packed her bags, and poured her savings into a six-month lease on an apartment in Aberdeen, Scotland. She decided to make good on a long-deferred idea for a book about oil rigs and the men who work on them. Why oil rigs? She wanted to see what men were like with no women around. In Aberdeen, Tabitha became deeply entrenched in the world of roughnecks, a teeming subculture rich with brawls, hard labor, and competition. The longer she stayed, the more she found her presence had a destabilizing effect on the men—and her. Sea State is on the one hand a portrait of an overlooked industry: “offshore” is a way of life for generations of primarily working-class men and also a potent metaphor for those parts of life we keep at bay—class, masculinity, the transactions of desire, and the awful slipperiness of a ladder that could, if we tried hard enough, lead us to security. Sea State is on the other hand the story of a journalist whose professional distance from her subject becomes perilously thin. In Aberdeen, Tabitha gets high and dances with abandon, reliving her youth, when the music was good and the boys were bad. Twenty years on, there is Caden: a married rig worker who spends three weeks on and three weeks off. Alone and in an increasingly precarious state, Tabitha dives into their growing attraction. The relationship, reckless and explosive, will lay them both bare.

Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author

over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through: How great geniuses, business titans and the world’s wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal

growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed “Insider-only” tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Learn how to destress, recharge, and heighten your intuition by harnessing the power of crystals in this indispensable modern guide to the basics of ancient, elemental self-care. Rose quartz, amethyst, tourmaline, and many other eye-catching crystals have captivated people for centuries—for healing, protection, or divination. Crystal healer Tamara Driessen sees these glittering stones as cosmic technology for navigating today’s hectic world, whether it’s boosting your confidence (Peacock Ore), conquering anxiety (Celestite), finding your center (Amethyst), or even getting over your ex (Kunzite). In *The Crystal Code*, she brings her insight and experience to help you harness the earth’s energy to manifest harmony, health, and connection with ourselves on

a deeper level. With Driessen as your guide, you'll learn about • Seventy empowering crystals (and where to find them) • Techniques to detox from social media and tune in to your body • Ways to activate your intentions with crystal grids • New and full moon rituals • Proper crystal care • And much more Loaded with vivid photographs, The Crystal Code also includes a comprehensive index to the colors and meanings of crystals. And Driessen's mindful meditations and crystalized self-care rituals will help you follow your intuition, respect your body, and center your priorities. Whether you're a modern mystic, a new collector, or just crystal curious, this stylish, down-to-earth book will help you unlock the powers of these mystical stones to quiet your mind,

enliven your heart, and transform your life. Fodor's Madrid Haynes Publications

But in 1994 her idyllic world was ripped apart as Rwanda descended into a bloody genocide. Immaculee's family was brutally murdered during a killing spree that lasted three months and claimed the lives of nearly a million Rwandans. Incredibly, Immaculee survived

the slaughter. For 91 days, she and seven other women huddled silently together in the cramped bathroom of a local pastor while hundreds of machete-wielding killers hunted for them. It was during those endless hours of unspeakable terror that Immaculee discovered the power of prayer, eventually shedding her fear of death and forging a profound and lasting relationship with God. She emerged from her bathroom hideout having discovered the meaning of truly unconditional love—a love so strong she was able seek out and forgive her family's killers. The triumphant story of this remarkable young woman's journey through the darkness of genocide will inspire anyone whose life has been touched by fear, suffering, and loss. **Designer** Insider Guide to Easy Car Buying: Spend a Tenner Save a GrandAutocar & MotorDK Eyewitness Travel

THE ROUGH GUIDE TO BARCELONA is the best guide available to Spain's most dynamic city. Features include:

Insider Guide to Easy Car Buying: Spend a Tenner Save a Grand Penguin

This blistering novel—from the bestselling, Pulitzer

Prize-winning author of *The Road*—returns to the Texas-Mexico border, setting of the famed *Border Trilogy*. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning's headlines. *No Country for Old*

Men is a triumph.

Business Review Weekly Fodor's

If you want to know how it feels to be the DJ, to share the music you love with other people, to receive the adulation of packed dancefloors night after night, this book will show you exactly what to do to get there. Whether you're brand-new to this, a DJ who wants to finally break out of the bedroom, or you just want to improve your game, the five-step formula in *Rock The Dancefloor!* will help you to become a truly great DJ. This clear and practical guide will enable you to:

Understand modern DJ gear, in order to avoid expensive mistakes
Assemble the best music collection, so you can fill any dancefloor
Quickly master all the techniques, so your DJ mixes sound amazing
Perform like a pro at any type of gig: parties, bars, night clubs...
Promote yourself effectively, for more and better paid bookings
