A Personal Report on Soviet Jewry
MacMillan

Ten-year-old Bud, a motherless boy living in Flint, Michigan, during the Great Depression, escapes a bad foster home and sets out in search of the man he believes to be his father--the renowned bandleader, H.E. Calloway of Grand Rapids.

In Cold Blood Usborne Publishing Ltd
In the fall of 1965 the Israeli newspaper Haaretz sent a young journalist named Elie Wiesel to the Soviet Union to report on the lives of Jews trapped behind the Iron Curtain.

" I would approach Jews who had never been placed in the Soviet show window by Soviet authorities, " wrote Wiesel. " They alone, in their anonymity, could describe the conditions under which they live; they alone could tell whether the reports I had heard were true or false—and whether their children and their grandchildren, despite everything, still wish to remain Jews. From them I would learn what we must do to help . . . or if they want our help at all. " What he discovered astonished him: Jewish men and women, young and old, in Moscow, Kiev, Leningrad, Vilna, Minsk, and Tbilisi, completely cut off from the outside world, overcoming their fear of the ever-present KGB to ask Wiesel about the lives of Jews in America, in Western Europe, and, most of all, in Israel. They have scant knowledge of Jewish history or current events; they celebrate Jewish holidays at considerable risk and with only the

vague ideas of what these days commemorate.

"Most of them come [to synagogue] not to pray," Wiesel writes, "but out of a desire to identify with the Jewish people—about whom they know next to nothing." Wiesel promises to bring the stories of these people to the outside world. And in the home of one dissident, he is given a gift—a Russian-language translation of *Night*, published illegally by the underground.

" 'My God,' I thought, 'this man risked arrest and prison just to make my writing available to people here!' I embraced him with tears in my eyes. "

At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. In a profound work that pivots from
the biggest questions about
American history and ideals to the
most intimate concerns of a father
for his son, Ta-Nehisi Coates
offers a powerful new framework for
understanding our nation's history
and current crisis. Americans have
built an empire on the idea of
"race," a falsehood that damages us
all but falls most heavily on the
bodies of black women and
men—bodies exploited through
slavery and segregation, and,
today, threatened, locked up, and
murdered out of all proportion.
What is it like to inhabit a black
body and find a way to live within
it? And how can we all honestly
reckon with this fraught history
and free ourselves from its burden?
Between the World and Me is Ta-
Nehisi Coates's attempt to answer
these questions in a letter to his
adolescent son. Coates shares with
his son—and readers—the story of
his awakening to the truth about
his place in the world through a
series of revelatory experiences,
from Howard University to Civil War
battlefields, from the South Side
of Chicago to Paris, from his
childhood home to the living rooms
of mothers whose children's lives
were taken as American plunder.
Beautifully woven from personal
narrative, reimagined history, and
fresh, emotionally charged
reportage, *Between the World and Me*
clearly illuminates the past,
bracingly confronts our present,
and offers a transcendent vision
for a way forward.

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

All the Light We Cannot See

Addison Wesley Publishing Company

SOON TO BE A MAJOR MOTION PICTURE The stunning Booker Prize-winning novel from the author of Amnesty and Selection Day that critics have likened to Richard Wright's Native Son, The White Tiger follows a darkly comic Bangalore driver through the poverty and corruption of modern India's caste society. "This is the authentic voice of the Third World, like you've never heard it before" (John Burdett, Bangkok 8). The white tiger of this novel is Balram Halwai, a poor Indian villager whose great ambition leads him to the zenith of Indian business culture, the world of the Bangalore entrepreneur. On the occasion of the president of China's impending trip to Bangalore, Balram writes a letter to him describing his transformation and his experience as driver and servant to a wealthy Indian family, which he

thinks exemplifies the contradictions and complications of Indian society. Recalling *The Death of Vishnu* and *Bangkok 8* in ambition, scope, *The White Tiger* is narrative genius with a mischief and personality all its own. Amoral, irreverent, deeply endearing, and utterly contemporary, this novel is an international publishing sensation—and a startling, provocative debut.
