[People and Themes in Homer's Odyssey](#) BrightSummaries.com

Frederick Ahl and Hanna M. Roisman offer a challenging new reading of the Odyssey that is directed to the general student of literature as well as to the classicist.

[Odyssey, Homer](#) Routledge

Published in 1970, this important work interprets the poem with a focus on the idiosyncrasies of its originally oral composition. In part I, the main themes of the Odyssey such as 'guest-friendship' and 'testing' are investigated. The incorporation of these and other themes, such as 'omens' and the 'homecomings of the Achaeans', into the dramatic construction of the whole epic is also examined. In Part II, the main characters of the Odyssey are described: the Suitors, Telemachus, Odysseus and Penelope. So too are Theoclymenus and Laertes, whom traditional criticism has maligned or disregarded. The analysis of the characters tries to illumine features which are challenging for the contemporary reader. In the conclusion, the 'plan' of the Odyssey is reconstructed. The author argues that it would probably have been performed over the course of three days: two sessions each day, with each recitation maintaining its own artistic unity.

[A Guide to The Odyssey](#) Teacher Created Materials

Master the material and ace any assignment with this innovative study guide series. This book is perfect for both students and teachers, as it produces true mastery of content knowledge and book details. Other study guides simply give basic details of the novel, meaning that students read over material without digesting or learning it. Other study guides take complex themes, concepts, and information and just regurgitate it to readers. This Study Guide series is different. Using the original text as a guide, you will learn to cite evidence from the text in order to complete and reflect on your reading. Designed under the guidance of an experienced and credentialed instructor, this study guide series GUIDES the learner to discovering the answers for themselves, creating a fully detailed study guide, in the user's own words. Filled with guided reading activities, students are able to fill this guidebook with their own information. If you read it, write it, and reflect on it, you will learn it! Teachers, you can also purchase a set of these books (or one book and make copies) for your entire class. It makes the perfect guided reading activity and will teach students how to internalize the reading, note taking, and learning process that advanced readers naturally perform. These make the perfect workbook to keep your class engaged and learning.

[The Odyssey SparkNotes Literature Guide](#) Reading Guides to Long Poems

Here Stephen Tracy offers a vivid, fast-paced narrative that serves as a reading guide to Homer's monumental epic. He not only provides translations of key passages and traces the evolution of major themes in the Odyssey, but also helps new readers to understand the artistry of one of the best tales ever told. Aimed at advanced readers as well, this book stresses an appreciation of how Homer has ordered his narrative, covering such topics as character interaction, family relationships, elements of poetic language, and the symbolic treatment of death, rebirth, growth, and knowledge. Given the controversy over the way the Odyssey was composed and handed down, Tracy concentrates on presenting the poem as a highly unified work. His analysis of the narrative structure reveals the epic to be arranged as a series of parallel journeys. The journey, seen here as a symbol of growth and self-knowledge, is among the major themes discussed in detail, along with the importance of women as overseers of life's journeys and the need for the sons of heroes to grow up worthy of their fathers.

Each chapter is individually summarized and analyzed, and has study questions and answers.

[An Instructional Guide for Literature: The Odyssey](#) Vintage

In *The Many-Minded Man*, Joel Christensen explores the content, character, and structure of the Homeric *Odyssey* through a modern psychological lens, focusing on how the epic both represents the workings of the human mind and provides for its audiences—both ancient and modern—a therapeutic model for coping with the exigencies of chance and fate. By reading the *Odyssey* as an exploration of the constitutive elements of human identity, the function of narrative in defining the self, and the interaction between the individual and their social context, *The Many-Minded Man* addresses enduring questions about the poem, such as the importance of Telemachus's role, why Odysseus must tell his own tale, and the epic's sudden and unexpected closure. Through these dynamics, Christensen reasons, the *Odyssey* not only instructs readers about how narrative shapes a sense of agency but also offers solutions for avoiding dangerous stories and destructive patterns of thought.

Odyssey Oxford University Press, USA

A new translation of Homer's epic adventure endeavors to instill the poetic nature of its original language while retaining accuracy, readability, and character vibrancy, creating the most captivating rendition of one of the defining masterpieces of Western literature.
