Secret Letters was an amazing and interesting book. I loved the Dora and Peter, and their conversations. The mystery was very interesting and had many twists especially in the end. This book had everthing I like in books interesting plot and character, mystery, England, and much more. I reallly realllly hope there will more books after this one.

Leah Scheier

Leah Scheier made a good one, friends. There's CLEARLY more action to be had between Dora and Peter because not much goes on in SECRET LETTERS, and I'm looking forward to it. Anticipation, y'all! And yo, one of my FAVORITE aspects of SECRET LETTERS by Leah Scheier was the upstairs/downstairs vibe. When Dora goes to the manor house to basically snoop around and snag information about the disappearance of Lord Hatfield's daughter, it was like reading Downtown Abbey.
