Secret Obsession by Kimberla Lawson Roby was a DIVAS Book Club selection for October 2017. I've read several of Ms. Roby's books, but this is my favorite to date. At only 175 pages, it packs a powerful punch. So many issues are touched on in Secret Obsession. Envy, adultery, mental illness, among others.

As one sister's jealousy pushes a family to the edge and exposes life-changing secrets, another's faith will highlight the beauty and power of forgiveness, in this gripping and dramatic new novella from New York Times bestselling author Kimberla Lawson Roby.
