The Last Protector (James Marwood & Cat Lovett, Book 4) Secret Santa

A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It ' s also a heartbreaking romance of two star-crossed lovers, an aching bittersweet “ what if. ” Despite their fathers ' bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled

in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be.

The minute she had opened the trunk, she knew there wasn't anything like hope in it. Just awful musty things, but each one with a kind of terrible dark halo around it. She picked up that piece of old lace. She saw that stain -- pale, brownish in color. She knew it was blood. Somebody's blood. There was violence in that trunk, and dark secrets, and she did not want to know them. Curious about the old homestead where she now lives, Jerry finds an ancient trunk in the basement that contains, among other things, an old piece of bloodstained lace, some letters, and a battered doll. The objects in the trunk have stories to tell -- stories about the Spanish Inquisition spanning nearly five hundred years and stories of secrets locked deep in the bloodlines of Jerry's ancestors. Kathryn Lasky's powerhouse novel is a dramatic historical saga that brings the reader face-to-face with some of the worst atrocities ever committed against humankind in the name of God. But above all, it is an unforgettable coming-of-age story about a girl who, in connecting with her own past and faith, is at last able to face her own demons and liberate not only herself but also future generations of her

family from the long chain of suffering and silence.

In that time, I've made friends, gained a family, and begun learning how to gather and channel Aether, a.k.a. magic. I started attending Azyl Academy, the premier magic school of the city, after it was discovered that my talent was exceptionally high. I am learning Alchemy, Inscription, and how to fight, all with the goal of expanding the Kingdom and keeping the populace safe. It hasn't all been smooth sailing, though. I made an enemy of one of the local noble Clans, and just survived an assassination attempt thanks to one of the guardian Beasts of the Academy I have a budding friendship with. Now I have to recover from my injuries and continue to advance. Coming soon will be our ranking tournament, where we will compete within our tiers to see who is the strongest. After the tournament, we will be divided into teams and go on an expedition into the Great Western Forest to cull

Beasts and harvest rare plants. Throughout all of this, though, my focus is on getting stronger; to be ready for the calamity I was warned about by Darkness, the deity that brought me here. I just hope I have enough time.

Be Mine Rodale Books

A sweeping, lyrical tale of historical fiction that tells the unbelievable story of the early days of the Mormon church through the eyes of the woman who saw it all—Emma, the first wife of the prophet Joseph Smith. In 1825, in rural Pennsylvania, Emma Hale marries an itinerant treasure-digger, a man who has nothing but a peep-stone in his pocket and a conviction that he can speak directly to God. His name is Joseph Smith and in a few short years, he will found his own religion, gather zealous adherents by the tens of thousands, and fracture Emma's life and faith. While the Mormon religion finds its feet and runs beyond the grasp of its founder, Emma struggles to maintain her place in Joseph's

heart—and in the religion that has become her world. The Mormons make themselves outcasts everywhere they go. Joseph can only maintain his authority by issuing ever-stranger commandments on God's behalf, culminating in an edict that men should marry as many women as they please. The Mormons' adoption of polygamy only sets them further apart, and soon their communities are ravaged by violence at the hands of their outraged fellow Americans. For Emma, things take a more personal toll as Joseph brings in a new wife—a woman whom Emma considers a sister. As Emma's family grows along with Joseph's infamy, she knows there will never be peace until Joseph faces the law. But on the half-wild edge of the frontier, he's more likely to find death at the hands of a vigilante posse than a fair trial. For the sake of her people—and her soul—Emma must convince the Prophet of God to surrender... and perhaps to sacrifice his life.

Her non-canonical oeuvre includes: *Tea For Two (A Tragedy)*; *Nietzsche And The Ice-Cream Truck*; *Capitalism Can Fall Not Like I Fell For You*; *Inappropriately Touched By An Angel*; *Love Is Like A Toilet Bowl*; and many more. Who knew bad poetry could be so good!
