A desperate young woman's bargain with a wealthy couple is not what it seems in this gothic tale of big city dreams gone wrong from the #1 New York Times bestselling author and literary phenomenon V.C. Andrews—whose books are now major Lifetime TV movies. The English countryside is beautiful, but for Emma Corey it cannot compare with the bright lights of New York City. Tired of performing only in pubs and at church, she announces she's moving to America—and her conservative father disowns her on the spot. Distraught but undeterred, Emma will become a Broadway star—or die trying. The largeness of the new city, her new friends, the boundless opportunities make everything shine with promise. However, New York has a way of chipping away at a newcomer's resolve. First a robbery. Then a low-wage job. Then the realization that such a city attracts the young and the talented—competitors all. Just when it seems like Emma might have to admit defeat and return to the UK, she is introduced to a peculiar couple: a wife that cannot bear children of her own, and a husband who would pay Emma to solve that problem. Emma's father once told her, "Money is life." But when Emma trades one for the other and moves into the couple's remote estate to participate in an elaborate ruse, there's no telling what kind of life she'll have once she's taken the money.

twisted, beloved Dollanganger legend began two generations before Corrine Foxworth locked away her children in *Flowers in the Attic*. The second book in a new prequel story arc, *Out of the Attic* explores the Dollanganger family saga by traveling back decades to when the clan's wicked destiny first took root. Married to the handsome, wealthy Garland Foxworth following a wildfire romance, and an unexpected pregnancy, young Corrine Dixon finds her life very different from how she imagined it. Often alone in the mansion of Foxworth Hall, she can practically feel the ancestors' judgment of her as insufficient—as not a Foxworth. Stern portraits glare at her from the walls, and the servants treat her strangely. Nothing in the vast place is truly hers. Even her son, Malcolm Foxworth, born in the luxe Swan Room and instantly whisked away to a wet nurse, feels alien to her. With a husband alternately absent and possessively close, Corrine doesn't yet realize that she's barely scratched the surface of what lies beneath Foxworth Hall's dark facade and the family that guards its legacies. With the fortieth anniversary celebration of *Flowers*

in the Attic, and ten new Lifetime movies in the past five years, there has never been a better time to experience the forbidden world of V.C. Andrews.
