The Secrets of the Freemasons
was a very informational book
about the freemasons for most
part but this book also had
some far fetch conspiracy
theories. The book is
educational in the sense that
it talks about certain
rituals and ceremonies that
are performed by the
Freemasons, and it also
talked about masonic symbols
found around the world like
the ones in Washington DC.

The true secrets of the Freemasons
are just that: intimate moments,
shared emotions, secret longings,
and private beliefs between men
who have formed a bond through a
fraternity that supports and
strengthens them through its
teachings. Men from all walks of
life and from disparate
backgrounds come together in
Masonry and call each other
Brother.
