Both metaphysical and spiritual, this book is a bombshell that will allow you to think out of the box and have a new awareness of a warrior and champion.

The Last Templar Destiny Books

Full of incredible turns of events including secrets, deceits, lies and betrayals, the history of the Knights Templar from their triumphant conquests to their abrupt fall still fascinates. Find out the hidden history of the Knights Templar that really lead to their demise. The Knights Templar existed officially for less than 200 years. Founded to protect pilgrims who were travelling through the Holy Lands, their rise to power was

sudden. They became some of the most feared warriors in the region, they had a mandate from God, they controlled perhaps the world's first real banking system, and they waged war against anyone who tried to wrestle Christianity's holiest grounds from the control of the Catholic Church. Within their short lifespan, they quickly became one of the most powerful societies in Europe, if not the world. But, just as they rose to power with relative speed, they fell from grace just as fast.

Forged in the crucible of Middle Eastern conflict, their power was soon resented and feared. Before they could become even more powerful, the greatest nations in Europe and the Church turned on them. The once powerful Templars were hunted, caught, tortured, and eventually burned at the stake. According to their prosecutors, they were a devil-worshipping secret society who spat on the cross and plotted against the Pope. They were officially disbanded and their members treated with extreme contempt and prejudice. Or so goes the official story. In this book, we will not only look into the official history of the Knights Templar, but will examine the various ways their influence and ideas have tunneled their way into the modern world. A group this powerful does not vanish overnight. Instead, their history has been linked to the Freemasons, to vicious curses, to the butchery of the Crusades, and even to Christian relics such as the Holy Grail. For many people, the Templars did not vanish and they did not relinquish their tight grip on the power structures of mediaeval Europe. Instead, they went underground. Read on to discover the dark and twisted secret history of the Knights Templar. Scroll back up and grab your copy today!

A captivating look into the society of the Knights Templar Brought to you by the author of

Freemasons For
Dummies, The
Templar Code is
more than an
intriguing cipher
or a mysterious
symbol - it is the
Code by which the
Knights Templar
lived and died, the
Code that bound
them together in
secrecy, and the
Code that inspired
them to nearly
superhuman feats of
courage and
endurance. The

Templar Code for
Dummies reveals the
meaning behind the
cryptic codes and
secret rituals of
the medieval
brotherhood of
warrior monks known
as the Knights
Templar. This
intriguing guide
will cover such
topics as who the
Knights Templar
were, how they rose
so high and fell so
far, and most
importantly why

there is so much
interest in them
today. The Templar
Code For Dummies
will explore myths
and theories of
Christian history
that appear in the
Da Vinci Code such
as the quest for
the Holy Grail, the
Catholic Church's
relationship with
women that are
hotly debated now
with special
emphasis on the
Templar connection.

It also explores the surprising part the Templars have played in some of the most important historic events of these past seven centuries, including the French Revolution, the birth of groups such as the Freemasons, and even the American Civil War.

The Secret History of Freemasonry
Random House

The book answers many questions

concerning the whereabouts of the Templar's unique treasure trove, including mysteries of the Rosslyn Chapel and Rennes-le-Château, and how the treasure is believed to have found its way to the New World long before Columbus or other explorers had set sail. It also portrays a link from the Templars to modern day Freemasons.

Secret Societies of the Middle Ages
Red Wheel/Weiser

This book is an essential exploration into the history of a legendary group of Crusaders, which are prominently featured in Dan Brown's recent best seller, *The Da Vinci Code*. The Knights Templar rose from

humble beginnings to become the most powerful military religious order of the Middle Ages. Formed to protect pilgrims in the Holy Land, they participated in the Crusades and rapidly gained wealth, lands, and influence. Seemingly untouchable for nearly two centuries, they fell from grace spectacularly after the loss of the Holy Land. In the ensuing centuries the Templars have exerted a unique influence over European history; orthodox historians see them as nothing more than soldier-monks whose arrogance was their ultimate undoing,

while others see them as occultists of the first order. With clarity and ease, Martin navigates between the orthodox and the speculative, the historical and the myth, to bring alive the story of the Templars. Like those other legends of the Middle Ages—the characters of the Arthurian tales—The Knights Templar holds captive the imagination of all those intrigued by conspiracy and how history and myth intertwine to become the stuff of legend.

All across the continent of Europe, massive stone monuments erected by a prehistoric culture can be found. These megalithic stones, resisting centuries of weathering or assaults by modern men, are all that remain of a society that has been erased by time.

Stonehenge is the most familiar of these megalithic monuments, but in fact represents only one of many similar sites. Who were the people who built these

monuments? Why were these stones significant to them? Sacred Sites of the Knights Templar examines sacred megalithic sites across the globe — such as Stonehenge and Rennes-le-Chateau -- revealing the astronomical significance of these sites as well as the secrets that significance bore to the Knights Templar. This revolutionary book offers a new explanation for two main subjects: The distribution and meaning of the megalithic

monuments of Europe, which were constructed to commemorate astronomical events Evidence for a continuing and hidden philosophy based on ancient astronomy maintained in secret by the Knights Templar and in turn by the Freemasons The author offers theories regarding these sites ù their meanings, their secrets, their lasting impression on the Western World, and their sacred symbolic influences on

Freemasonry throughout history.

The History of the Knights Templars, the Temple Church, and the Temple Andreas

Economou

Uses the principles of sacred geometry, archaeological evidence, and Native American legend to discover the site of a secret Templar settlement in Nova Scotia

- Offers evidence that Scottish prince Henry Sinclair not only sailed to the New World 100 years before Columbus, but that

he also established a refuge there for the Templars fleeing persecution • Shows that the Grail, the holy bloodline connecting the House of David to the Merovingian dynasty through Jesus and Mary Magdalene, was hidden in the New World In 1398, almost 100 years before Columbus arrived in the New World, the Scottish prince Henry Sinclair, Earl of Orkney, sailed to what is today Nova Scotia, where his presence was recorded

by Micmac Indian legends about Glooskap. This was the same Prince Henry Sinclair who offered refuge to the Knights Templar fleeing the persecution unleashed against the order by French king Philip the Fair at the beginning of the 14th century. With evidence from archaeological sites, indigenous legend, and sacred geometry handed down by the Templar order to the Freemasons, author William F. Mann has now rediscovered the

site of the settlement established by Sinclair and his Templar followers in the New World. Here they found a safe refuge for the Grail--the holy bloodline connecting the House of David to the Merovingian Dynasty through the descendants of Jesus and Mary Magdalene--until the British exiled all the Acadians in 1755. Born in Blood Simon and Schuster
In 1156, the sixth Grand Master of the Knights Templar brings a mysterious object from

Jerusalem to his homeland in the South of France. "The Head of Wisdom," as the strange artifact is called, ensures that the Order achieves unprecedented wealth. But in October 1307, the French king fights against the Templars. All commanderies of the Templars are closed, all members arrested. Templar Commander Lieutenant Gero of Breydenbach is to flee to Germany with the "Head of Wisdom" to keep their secret. A truly fantastic journey begins. Suddenly he finds himself in 2004 - dependent on a fascinating young woman,

who might help him to fulfill his mission ... Perfectly researched. Historically accurate. Based on a real Legend. "Mystery of the Templar " is an outstanding adventure!

Secrets of the Knights Templar BASTEI LÜBBE

A compelling argument that connects the lost treasure of the Knights Templar to the mysterious money pit on Oak Island, Nova Scotia, that has baffled treasure hunters for two centuries

- Fascinating occult detective work linking the Cathars, the Scottish

Masons, and Renne-le-Chateau to the elusive treasure pit on Oak Island

- Draws on new evidence recently unearthed in Italy, France, and Scotland to provide a compelling solution to one of the world's most enduring mysteries

When the Order of Knights Templar was ruthlessly dissolved in 1307 by King Philip the Fair of France it possessed immense wealth and political power, yet none of the treasure the Templars

amassed has ever been found. Their treasure is rumored to contain artifacts of spiritual significance retrieved by the order during the Crusades, including the genealogies of David and Jesus and documents that trace these bloodlines into the royal bloodlines of Merovingian France. Placing a Scottish presence in the New World a century before Columbus, Steven Sora paints a credible scenario that the Sinclair clan of Scotland transported the

wealth of the Templars--entrusted to them as the Masonic heirs of the order--to a remote island off the shores of present-day Nova Scotia. The mysterious money pit there is commonly believed to have been built before 1497 and has guarded its secret contents tenaciously despite two centuries of determined efforts to unearth it. All of these efforts (one even financed by American president Franklin Delano Roosevelt) have failed,

thanks to an elaborate system of booby traps, false beaches, hidden drains, and other hazards of remarkable ingenuity and technological complexity. The Knights Templar Simon and Schuster Did the Knights Templar survive the arrests on October 13th, 1307? The question is steeped in controversy. During research on the Order in England, the author was contacted by a leading member who wanted to share the unusual and

secret history of his family. The Revised Edition includes stunning New Photos & Star Charts. Well researched & annotated Sacred Sites of the Knights Templar (Nipb) Simon and Schuster "This remarkable exploration of intriguing people and events in Freemasonry sheds new light on how this brotherhood's practices, symbols and rituals took shape. An extraordinary wealth of documents is found in this pursuit,

including parchment manuscripts dating to the 1300s. The roots of Freemasonry are traced to the building of Solomon's Temple, the rise of Christianity, and the Crusades in Europe. Masonry's controversial relationship with the Knights Templar and Vatican also takes on new and significant meaning. The emergence of this secretive society in Britain had a strong influence on George Washington, Benjamin Franklin and other

Masons who helped create a new country in America. All those struggles are seen through the experiences of people who lived through these events--often told in their own words and drawn from remarkable collections of records dating from those times. They reveal Freemasonry to be well-grounded in recognizable events, and show how its members influenced the world around them. Those influences are still felt in

our lives today. Forty-five illustrations help bring to life this memorable journey of discovery."--Publisher description.

The Templar Mission to Oak Island and Beyond Basic Books Traces the movement of the Templars ' secret treasure across North America to where it still resides, protected by a sacred lineage of guardians • Explains how the Templars found refuge with

Native American tribes, intermarrying with the Natives to continue the Holy Bloodline and further the lineage of guardians needed to protect their treasure and secrets • Reveals new evidence for the existence of Templar settlements and monuments across North America and how these reactivate the continent's sacred rose lines • Pinpoints the exact location of the Templar/Holy Bloodline treasure Many have searched for the lost treasure of the Knights Templar, most famously at Oak Island. But what if the treasure wasn't lost? What if this treasure--necessary to sanctify the Temple of Solomon and create a New Jerusalem--was moved through the centuries and protected by a sacred lineage of guardians, descendants of Prince Henry Sinclair and the Native American tribes who helped him? Drawing on his access as Grand Archivist of the Knights Templar of Canada and his own role as a descendant of both Sinclair and the Anishinabe/Algonquin tribe, William Mann examines new evidence of the Knights Templar in the New World long before Columbus and their mission to protect the Holy Bloodline of Jesus and Mary Magdalene. He reveals the secret settlements

they built as they moved westward across the vast wilderness of North America, evading the European Church and Royal Houses. He explains how the Templars found refuge in the Sacred Medicine Lodges of the Algonquins, whose ceremonies and rituals bear striking resemblance to the initiations of Freemasonry. He reveals the strategic intermarriages that took place between the Natives and the Templars, furthering the Holy Bloodline and continuing the lineage of blood-guardians. The author explores how Sinclair 's journey from Nova Scotia across America also served to reactivate the sacred rose lines of North America through the building of “ rose castles ” and monuments, including the Newport Tower and the Kensington Rune Stone. Pinpointing the exact location of the Templar treasure still hidden in North America, the author also reveals the search for Templar sanctuaries to be the chief motivation behind the Lewis and Clark expedition and the murder of Meriwether Lewis. An Illustrated History of the Knights Templar Independently Published In the course of their

investigations into Leonardo da Vinci and the Turin Shroud, Lynn Picknett and Clive Prince found clues in the work of the great Renaissance artist that pointed to the existence of a secret underground religion. More clues were found

The Knights Templar in the New World
Lindhardt og Ringhof
A lavishly illustrated, comprehensive look at the mysterious history of the Order of the

Knights Templar • Presents the myths and historical truths of the Knights Templar, the elite warrior army of the pope who were destroyed as heretics some 700 years ago • Examines the evidence of the Templar connections to the Assassins and the Cathars • Includes more than 170 period illustrations and contemporary photos of former Templar strongholds in Europe

and Jerusalem Despite the increasing scholarship devoted to the study of the Templar order, founded in 1119, the mystery surrounding the Templars endures. Secret societies from the Freemasons to the Ordo Templi Orientis claim descent from this religious order of warrior-monks. As the private army of the pope, the Knights Templar were initially established to protect

Christian pilgrims traveling to the Holy Land but grew to become one of the most powerful organizations in the Middle Ages. With period illustrations from manuscripts from the Crusades, interpretive romantic paintings from the 18th and 19th centuries, and contemporary photos by Steven Brooke and others of former Templar strongholds in Europe and Jerusalem, James Wasserman, author of the bestselling *The Templars and the Assassins*, provides a fascinating history of the Order and the many mysteries and legends that surround it. Wasserman presents the evidence for the Templar connection to mystical Islamic organizations such as the Assassins as well as their ties to “heretical” groups such as the Cathars, who were targeted by a crusade in southern France to expunge the challenge they presented to the orthodoxy of their time. In addition to providing an overview of the Templars’ actions during the Crusades, Wasserman revisits the trial and the charges leveled against them, showing how the Order was ruthlessly crushed. He also explores the nature of the treasure they left behind, which has fueled popular imagination for

<p>centuries. The Templar Revelation Past Imperfect Explores the hidden history of Freemasonry from ancient Rome, through the Middle Ages, to the present • Shows the close connection between medieval masons and the Knights Templar • Illustrates the sacred nature of Roman and medieval trade associations • Reveals the missing link that</p>	<p>connects the lodges of modern Freemasonry to the medieval brotherhoods of builders Historians often make a sharp distinction between the operative Masonry of the Middle Ages and the speculative Masonry of modern times, emphasizing that there is no direct bridge connecting the two. Modern historians also have scoffed at Masonic claims concerning the close relationship</p>	<p>between the Lodge and the Temple. Using medieval archives housed throughout Europe, historian Paul Naudon reveals that there was in fact a very intimate connection between the Masons and the Knights Templar. Church records of medieval Paris show that most, if not all, the Masons of that time were residents of the Templar censive, which allowed them to enjoy</p>
--	---	---

great exemptions and liberties from both church and state as a result of the protection afforded them by this powerful order. Naudon shows that the origins of Freemasonry can be traced back to the collegia of ancient Rome. He traces the evolution of organizations such as the Comacine Masters, the Arab turuqs, and the brotherhoods of builders created under the aegis of the

Benedictines and the Knights Templar, all of which provide the vehicle for the transmission of a sacred tradition from pre-Christian times to the modern era. This tradition is the source of Masonic ritual and symbolism, and it provides the missing link in the transformation of the operative Masonry of the medieval cathedral builders to the spiritual principles of modern

speculative Masonry. Freemason Simon and Schuster
Its mysterious symbols and rituals had been used in secret for centuries before Freemasonry revealed itself in 1717. But where had this powerful organization come from and why had Freemasonry been attacked by the Roman Catholic Church? Robinson answers those questions and more.

The Rule of the Templars Inner Traditions FROM THE TEMPLE OF SOLOMON TO THAT OF THE FREEMASONS: Three thousand years ago, in Jerusalem, a brutal murder took place. Nevertheless, the chain of events it set in motion is still felt to this day. On the distant end of that spectrum is Hiram. He was the Phoenician builder of Solomon's Temple, and

whose death is central to the Masonic Third Degree. But who killed him, and why? And what was truly lost after his murder? On the other end is George: A young Mason in present-day Cyprus, struggling to unravel the origins of the institution he just joined. Was modern Freemasonry really created by English medieval stonemasons? And what do all its secret handshakes and passwords still protect?

In the centuries separating them, were the Knights Templar. History tells us they got disbanded after their arrests in 1307. But were they? Or did some Templars survive and kept on secretly protecting an ancient holy relic their Order had discovered two hundred years earlier? Knights Templar: Lost Secrets Revealed Penguin "We make landfall on an island of oaks." So reads a 12th century Templar manuscript recovered from

a medieval Italian church. Two of history's great mysteries-the fate of the Knights Templar and the truth about the Oak Island treasure-reveal themselves in this fascinating saga of hidden history. "The book we've all been waiting for!" says Rick Lagina, star of History Channel's Curse of Oak Island.

The Knights Templar

Quercus Publishing
At the height of their power, the Knights Templar were the military elite and spearhead of the Catholic Church in the Middle

Ages. They were distinguished knights, whether as warriors or as monks, and were totally dedicated to fighting and dying for their beliefs. The Knights Templar were an embodiment of the Christian Crusade against Islam, the Templars were not only soldiers on the front line, but they also created a distinctive network of support and support that included all European nations, and this network gained huge benefits by working in the

field of agriculture, shipping and banking, and this What made that group the most powerful financial institution in Europe, in fact the Knights of the Solomon Temple became the first multinational organization in the world. And only two centuries after the founding of the Knights Templar group, the leaders of its organizations were burned alive and its wealth was plundered. Whether the Knights Templar were heretical

devil worshipers or innocent victims of a greedy king, their sudden fall was a shock to the peoples of Europe, and for the next several centuries myths would arise about the remnants of the "group of death." Which allied with the Ismaili Assassin community, and rebuilt the economy of the whole of Europe. Buried treasures, secret societies, the Shroud of Turin, or even the Holy Grail that found their way into the customs of the

Knights Templar. Could one of these myths be true? And if so, who kept their secrets over the past 600 years? The Templars' Last Secret Destiny Books The Knights Templar are one of the most secretive and powerful religious orders in history: for over two centuries they were the elite fighting force of the Crusades. Highly trained, and adhering to a strict chivalric code, their success on the

battlefield brought them both wealth and political influence. But it is the legends and secrecy surrounding the order and its Grand Masters that continue to fascinate historians and general readers alike. Secrets of the Knights Templar examines each of these mysteries in turn to reveal the truth about the Knights' secret practices, rituals and codes, as well as the continued influence of the Templars today.

From the true location of the Holy Grail to the Templars' involvement in the Battle of Bannockburn, and from the sudden downfall of the order to modern-day claims of descent - S. J. Hodge uncovers the hidden links behind the stories and separates historical fact from fiction.
