As the Civil War ground on, an underground Unionist movement flourished in the heart of the Confederacy, led by an unlikely leader. Elizabeth Van Lew, a wealthy and well connected member of Richmond's elite, risked everything to help save the Union, skillfully directing this clandestine group and becoming General Ulysses S. Grant's spy in Richmond. Surrounded by a cadre of "slaves" secretly freed and working with her at the risk of their lives--and hers--Lizzie becomes a pivotal character in the narrative that reveals the complexity and horror of war and the possibility of ultimate redemption. Katelynn Anthony has always considered herself to be a plain little Southern girl living a boringly uneventful life. But now, nothing could be further from the truth. After Ms. Lera, the elderly lady who had been her surrogate grandmother, mentor, and benefactor passes away, Katelynn is swept away to Scotland to take care of her final arrangements. Not only will Katelynn learn more about Ms. Lera's adventurous past, but she will uncover secrets about herself and the world she thought she knew. Carly Robbins was born and raised in the Great Smokey Mountains-land of the Cherokee, home of the black bear, mountain lion, and elk-where the rivers run deep and long unbothered by man. In the early morning, when the mist of a new day is still tucked deep in the valleys and the sun has just begun to creep over the mountain, if you

listen close, you can hear the giggle of fairies or catch the glimpse of a leprechaun. Okay, not really, but these mountains have fostered Robbins's vivid imagination. The peaceful hamlet of her hometown, Bryson City, reminded her ancestors so much of their precious Ireland and beautiful Scotland that they decided to call it home. As a child several generations removed, she loved hearing all of their stories. Some of these stories had evolved from Irish and Scottish folklore into a mix of Appalachian/Southern stories, and she tried to weave these into her book. She hopes you enjoy and that you may even see someone you know and love in the pages.

When Mike Feinberg and Dave Levin signed up for Teach for America right after college and found themselves utter failures in the classroom, they vowed to

remake themselves into superior educators. They did that—and more. In their early twenties, by sheer force of talent and determination never to take no for an answer, they created a wildly successful fifth-grade experience that would grow into the Knowledge Is Power Program (KIPP), which today includes sixty-six schools in nineteen states and the District of Columbia. KIPP schools incorporate what Feinberg and Levin learned from America's best, most charismatic teachers: lessons need to be lively; school days need to be longer (the KIPP day is nine and a half hours); the completion of homework has to be sacrosanct (KIPP teachers are available by telephone day and night). Chants, songs, and slogans such as "Work hard, be nice" energize the program.

Illuminating the ups and downs of the KIPP founders and their students, Mathews gives us something quite rare: a hopeful book about education.
