Intended for the use of sheriffs' departments, this manual presents methods of addressing two crucial resource allocation issues: (1) the total number of officers required to provide an acceptable level of traffic services and (2) how a specified total number of officers should be allocated by geographic regions or time periods to produce the maximum agency productivity. The staffing and allocation methods are based on a review of procedures currently used by State and provincial agencies throughout the United States and Canada. Individual chapters present an overview of the model, worksheets and instructions for a step-by-step process for determining staffing levels, and a worksheet for determining staff allocations over several geographic areas or time periods. Guidelines for using the manual, forms, and appended supplemental worksheet and tables.

The second edition of the Impact Evaluation in Practice handbook is a comprehensive and accessible introduction to impact evaluation for policy makers and development practitioners. First published in 2011, it has been used widely across the development and academic communities. The book incorporates real-world examples to present practical guidelines for designing and implementing impact evaluations. Readers will gain an understanding of impact evaluations and the best ways to use them to design evidence-based policies and programs. The updated version covers the newest techniques for evaluating programs and includes state-of-the-art implementation advice, as well as an expanded set of examples and case studies that draw on recent development challenges. It also includes new material on research ethics and partnerships to conduct impact evaluation. The handbook is divided into four sections: Part One discusses what to evaluate and why; Part Two presents the main impact evaluation methods; Part Three addresses how to manage impact evaluations; Part Four reviews impact evaluation sampling and data collection. Case studies illustrate different applications of impact evaluations. The book links to complementary instructional material available online, including an applied case as well as questions and answers. The updated second edition will be a valuable resource for the international development community, universities, and policy makers looking to build better evidence around what works in development.

The PassKey Learning Systems Workbook for Part 2, Businesses, features three complete Enrolled Agent practice exams, with detailed answers, to accompany the PassKey study guide for Businesses. The three hundred targeted test questions have been created specifically for the EA exam cycle that runs from May 1, 2022, to February 28, 2023. This year's edition includes coverage of the American Rescue Plan Act (ARPA), which was signed into law on March 11, 2021. The bill provided \$1.9 trillion in stimulus to aid in the COVID-19 pandemic, and included dozens of provisions that impact 2021 tax returns. Using this workbook, you can challenge yourself by taking three full practice exams for the Businesses section of the EA exam. The test questions are different from the ones in the PassKey study guides, so you can have a more true-to-life exam experience. All of the answers are clearly explained in the answer section. If you answer a question incorrectly, you will understand why it was incorrect and learn the concepts needed to pass the EA exam. The PassKey EA Review workbooks have been rigorously vetted for accuracy by experts in the tax profession. Test yourself, time yourself, and learn!
