Figure 38 – 5, are called essential amino acids. Essential amino acids must be obtained from the foods that you eat. Meat, fish, eggs, and milk generally contain all 8 essential amino acids. Foods derived from plants, such as grains and beans, do not. People who don't eat animal products must eat a combination of plant foods, such as beans and

rice, to obtain all of the essential amino acids.

Section 38 allows the court to send you to hospital for assessment and treatment before you are sentenced. The court can do this if you have a mental illness that needs treatment in hospital. An order issued under Section 38 is known as ‘ an interim hospital order ’ . This means it is short-

term while the court decides what sentence to give you.
