Captivate Me Ryan Michele
From Wall Street Journal and USA Today Bestselling author Ryan Michele comes a brand new spicy contemporary romance series full of propositions and proposals. Staycation, that's my kind of vacation. Only this year, my brother isn't having it. He has this great idea that we should all take a family vacation together. Not any vacation, no, we were embarking on a week long cruise. An all expenses paid trip for us all. A vacation that has one stipulation: bring a plus one. What do I do when I find myself minus a significant other? I lie, of course. One lie led to another, and suddenly the only answer is

him. Mason, the man, the myth, the legend. Okay maybe not to everyone but he certainly has taken center stage in more than one of my fantasies. This whole thing is absurd, he works in my building. This could end so very badly for us both with the no fraternization policy. Yet, here we are sailing away. Maybe it's the alcohol, or too much sun, either way I find myself getting lost in my simple proposition. The problem is we will soon return to shore. When the anchor drops where will things settle for us both?

Wolf in sheep's clothing they say. Rhys knows what he wants the instant his eyes land on Tanner and will stop at nothing to have her. Even if that means going up against his best friend and brother, her father. Nothing and no one holds him back. Except maybe himself. When push comes to shove, Rhys always shoves back harder, faster, and fiercely. Survival of the fittest doesn't apply to Rhys. He will survive

A small job. That's all it's supposed to be. Get in. Get the information. Get out unseen. Simple, right? Not this time. Hacker. Thief. Rebel. Lethal. At least that's what people say about me and they're right. Holding other's lives in the palm of my hand is an incredible power. One necessary to keep order and control. The walls around me are built strong, but not strong enough for one man. A man who was a friend then turned into a lover. Someone I should've never tangled my life with. Wrong Way is a member of the Ravage Motorcycle Club Rebellion chapter, known throughout the town as ruthless, all alpha bad boy biker and my next job. Therefore, strictly forbidden, but especially so now because we're enemies. He's arrogant, brash and keen, knowledgeable about everything around him. Flying under his radar isn't easy. Therefore, hacking the MC's system takes finesse. If my client doesn't get the information, my best friend will die. If I succeed and leave even a single trace of a digital footprint, Wrong Way will find it and with their

family loyalty, the Ravage MC will kill me. Every way, I run through the scenario, someone is going to lose. This time the power is out of my control and I have to find some way to stop it. ~This book and their journey were everything... sexy, intense, suspenseful, dangerous, twisted, gritty, raw, passionate, undeniable, and completely unforgettable in every single way there was. - Brianna I did it. I chose him. Pain is written all over Crow's strong face. When our eyes connect, I feel it just as he does. He was my solace once, now it's my turn to pay him back. The disappointment in my father's eyes is seared into my memory, burning deep in my soul, my family loyalty tested. We were given a second chance and I took it, the pull to him strong and demanding. But leaving the Sumner Ravage MC, my home and going to Rebellion, comes at a very stiff price. The path chosen isn't paved with good intentions. The man I thought I'd fallen in love with is all a dream. Fake. A façade. When my eyes open, my world becomes clear. The lies are too big. The betrayals too harsh. The secrets one too many. His actions speak louder than his words ever have. And I'm a Hutton. Ravage. Fierce and strong. Crow did it. Named one of Vogue's "Most Anticipated Books of 2019" This is a manifesto for the 99 percent Unaffordable housing, poverty wages, inadequate healthcare, border policing, climate change—these are not what you ordinarily hear feminists talking about. But aren't they the biggest issues for the vast majority of women around the globe? Taking as its inspiration the new wave of feminist militancy that has erupted globally, this manifesto makes a simple but powerful case: feminism shouldn't start—or stop—with the drive to have women represented at the top of their professions. Now, it was up to me to decide if I could accept where things were headed for us and everyone around us.
