A small job. That ' s all it ' s supposed to be. Get in. Get the information. Get out unseen. Simple, right? Not this time. Hacker. Thief. Rebel. Lethal. At least that ' s what people say about me and they ' re right. Holding other ' s lives in the palm of my hand is an incredible power. One necessary to keep order and control. The walls around me are built strong, but not strong enough for one man. A man who was a friend then turned into a lover. Someone I should ' ve never tangled my life with. Wrong Way is a member of the Ravage Motorcycle Club Rebellion chapter, known throughout the town as ruthless, all alpha bad boy biker and my next job. Therefore, strictly forbidden, but especially so now because we ' re enemies. He ' s arrogant, brash and keen, knowledgeable about everything around him. Flying under his radar isn ' t easy. Therefore, hacking the MC ' s system takes finesse. If my client doesn ' t get the information, my best friend will die. If I succeed and leave even a single trace of a digital footprint, Wrong Way will find it and with their family loyalty, the Ravage MC will kill me. Every way, I run through the scenario, someone is going to lose. This time the power is out of my control and I have to find some way to stop it. Love knows no names--no bounds--sometimes you're bound by destiny... Micah's choices and actions when he was young left him estranged from his family--the Ravage MC family. Older and wiser, it's now one of his biggest regrets ... along with pushing Emery away. Emery has been walking a tight rope for far too long. Everything has changed. Dealing with her near death experience, her brother's return, and her parents problems have left her feeling very lost in a world she thought she knew. Except--sometimes when

we are so lost we manage to find exactly where we should be. Jacks didn't mean for it to happen, but Emery slammed into him like a freight train pushing all the buttons he'd kept locked down for far too long. Jacks though, can't get caught up in a game of who is the better man. Been there, done that, and lost in a big way. When everything changes, destiny is all we can hold onto. Emery finds herself caught between two very different men unable to keep her heart out of the mix. Sometimes we bleed for others--and sometimes the past, it just won't let go. Other times--some people walk away not allowing us to have a choice in the matter ... Those are the times that hurt the most and cut the deepest. \*\* Bound by Destiny (Bound #5) (Ravage MC #10) is a full-length standalone novel. \*\* \*\*\*

Ravage Me (Ravage MC#1) After spending the last two years stuck behind bars for a crime she didn't commit, Harlow 'Princess' Gavelson's time inside has finally come to an

end, and she's ready for revenge.

Unfortunately, being the daughter to the Vice President of the Ravage Motorcycle Club cuts into her plans, as orders must be followed. Trying to settle back into this life is proving difficult when the tables are turned and the woman who framed her is out for blood. Lucky for Princess, growing up in a MC has taught her how to hold her own. After spending years in hell overseas, Donavon 'Cruz' came home to lose the very thing he went into hell for, sending him to the darkest moments of his life. Joining Ravage two years ago was his safe haven, and he protects his family at all costs. When a dark-haired bombshell struts into the club's

---

shop, he's caught off guard but immediately knows she's the one he'd do anything for. Tough as nails, and taking no crap from anyone, he's captivated by a woman who could handle this life. Trying to meet the needs of the MC business and follow his heart proves to be difficult when the two collide, and lives are at stake. Can these two find a way to be together, or will the needs of Ravage cost them everything, including their lives? Seduce Me (Ravage MC#2) Casey Alexander grew up part of the Ravage Motorcycle family since the day she was abandoned by her mother and thrown into her father's lap. Always seeing herself as an outsider, she spent her whole life trying to fit in, but

never really succeeding. When she loses her beloved father, the utter aloneness engulfs her, leaving her searching for solace in the one man she's always craved. Confessing her love for him only results in devastation when he pushes her away. Convinced she needs a fresh start, she leaves everything behind in order to mend her broken heart and begin building a future without him. Gage Thomas (G.T.) Gavelson fell in love with his Angel when he was just a pint sized kid. Both beautiful and smart, he always felt she deserved so much better than him. Growing up beside her in the club only continued to test his will power, until one night, he gave into temptation. Realizing

---

he couldn't allow himself to hold her back from the life she deserved, he pushed her away, allowing her to believe she would never be enough for him. Letting her go had been the hardest thing he'd ever done. Even though he'd thought it'd been the right thing to do, not a day goes by that misery doesn't consume him for it. When a tragic shootout occurs, everything changes as once again their lives are intermingled. When you find your way back to the one person you are meant to be with, forgiveness should be easy. But sometimes, we hurt each other too much to ever be able to forgive. Is their love strong enough to heal their pain? Consume Me (Ravage MC#3) Prospect Andrew

"Tug" Tugger wants two things. One, to become a member of the Ravage Motorcycle Club, and two, Blaze, the sexy brunette whose eyes set him on fire. Only one of those things is under his control, and he is done waiting. It's time to take what he wants. Blaze has been running from her tragic past for over four years. She is finally feeling settled, after stripping her way through school and building a life in Sumner, her first safe haven. She keeps everyone at arm's length, afraid to let anyone discover the secrets she holds within. Tug sets out to make Blaze his, but will someone get burned in the process? Will Blaze run again when her new world is threatened? Or will

This book, it made me laugh, it made me ugly cry, and it made me hold my breath at parts.
