Meet the delightfully eccentric and unusually gifted pupils of Wayside School in this instalment of the brilliantly quirky Wayside School series – from Louis Sachar, author of the bestselling novel Holes As recommended on Radio 4 Kids Book Club, August 2024 There has been a terrible mistake.

Instead of having thirty classrooms side by side, Wayside School is thirty storeys high! (The builder said he was sorry.) Perhaps that's why all sorts of strange and unusual things keep happening — especially in Mrs Jewls's classroom on the very top floor. There's the terrifying Mrs Gorf, who gets an unusually fruity comeuppance; Terrible Todd, who always gets sent home early; and Mauricia, who has a strange ice-cream addiction. Meanwhile, John can only read upside down, and Leslie is determined to sell her own toes. From top to bottom, Wayside is packed with quirky and hilarious characters who are all brought to life in this new edition with delightful illustrations by Aleksei Bitskoff

throughout. This is an unmissable, irrepressible story of mixed-up mayhem from Louis Sachar, the bestselling author of Holes.

Her story started long before she started working at The Sky Launch... Screw fairytales. The only reward Gwen Anders got from her rough childhood was a thick skin and hard heart. She's content with her daily grind managing a top NYC nightclub—Eighty-Eighth Floor. So hers isn't a happily ever after. She doesn't believe in those anyway. Then she meets J.C. The rich,

smooth talking playboy is the sexiest thing that Gwen has ever encountered, but she's not interested in a night-in-shining latex. But when a family tragedy pushes her to the brink, it's J.C. who's there to teach her a new method of survival, one based on following primal urges and desires. His no-strings-attached lessons require her to abandon her constant need for control. Her carefully built walls are obliterated. Gwen discovers there's a beautiful world outside her prison. Freedom is exhilarating—and terrifying. When she

starts to feel something for J.C., she fears for her heart. Especially as she realizes that he has secrets of his own. Secrets that don't want to set him free. This series can be read as a standalone novel or as part of the Fixed Trilogy.

Cursed by God, hunted by demons, desired by Cain and Abel... All in a day's work. For Evangeline Hollis, a long ago fling with a bad boy from the wrong side of the

tracks just became a disaster of biblical proportions. One night with a leather-clad man of mystery has led to a divine punishment: the Mark of Cain. Thrust into a world where sinners are drafted into service to kill demons, Eve's learning curve is short. A longtime agnostic, she begrudgingly maneuvers through a celestial

bureaucracy where she is a valuable but ill-treated pawn. She's also become the latest point of contention in the oldest case of sibling rivalry in history... But she'll worry about all that later. Right now she's more concerned with learning to kill while staying alive. And saving the soul she'd never believed she had ... in

A Time of Gifts

Y Lolfa

Three classic novels by John M. Del Vecchio about Vietnam, Cambodia, and the aftermath of war. A classic combat novel and National Book Award finalist, *The 13th Valley* follows the terrifying

Vietnam combat experiences of James Chelini, a telephone-systems installer who finds himself an infantryman in the North Vietnamese Army – infested mountains of the I Corps Tactical Zone. Spiraling deeper and deeper into a world of conflict and darkness, this harrowing account plunges Chelini into jungle warfare and traces his evolution from semi-pacifist to all-out, combat-crazed soldier. The seminal novel on the Vietnam

experience, *The 13th Valley* is a classic that illuminates the war in Southeast Asia like no other book. Some reviewers have called *For the Sake of All Living Things* the most terrifying book they have ever read. This saga follows a rural Cambodian family—father Chhoun; his beautiful daughter, Vathana; and his young son, Samnang, who becomes the Khmer Rouge yothea Met Nang—from the mid-sixties through the

escalation of the civil war, into the horrors of the holocaust, and finally to the country ' s quest for rebirth. Documenting their story is American Special Forces Captain John Sullivan who served with the Military Equipment Delivery Team, and who has fallen in love with Vathana. Carry Me Home brings the troops back to America—a nation confused and divided by the wars in Southeast Asia. In this poignant epic, Del

Vecchio transports a group of soldiers to their final battlefield: the home front. High Meadow Farm, in the fertile hill country of central Pennsylvania, becomes their salvation. In Vietnam they had been brothers in arms. Now, in the face of personal tragedy and bureaucratic deception, they create an even deeper allegiance—one of the spirit and of the land. This is the remarkable story of the veterans '

struggle to find one another and themselves. In its scope, breadth, and brilliance, Carry Me Home is much more than a novel about Vietnam vets; it is a testament to history and hope, to hometowns and homecomings, to love and loss, and to faith and family. It is an inspiring and unforgettable novel about America itself. Free Me (Found Duet - Book 1) R. R. Bowker In its 114th year, Billboard remains the

Theatre Record Simon and Schuster Andy tackles his guilt and grief in the first book of

Sharon M. Draper 's award-winning Hazelwood High trilogy. Tigers don ' t cry—or do they? After the death of his longtime friend and fellow Hazelwood Tiger in a car accident, Andy, the driver, blames himself and cannot get past his guilt and pain. While his other friends have managed to work through their grief and move on, Andy allows death to become the focus of his life. In the months that follow the accident, the lives of Andy and his friends are traced through a series of letters, articles, homework assignments, and

dialogues, and it becomes clear that Tigers do indeed need to cry. Cradit in The Kingless Crown, continues in this thrilling sequel,

The Broken Realm. The crown demanded everything. The kingdom will answer. Chaos paints the White Kingdom. Missing children, dead nobles, and a daring escape have created an upheaval that threatens the future of the entire realm. The lords and ladies are armed with a powerful secret weapon as they prepare to make a stand against the crown, but the resistance has plenty to overcome before they can claim triumph. The lord-less

Westerlands prepares for war with the formidable Quinlanden Guard spreading their men and cruelty to every corner of their Reach. In the Easterlands, the sorcerer Mortain cultivates his ominous influence over the enslaved Saleen, a decisive threat he could unleash upon the kingdom with a snap of his finger. To the kingdom, it appears as if these assaults on their freedom are cosigned by the crown. It seems only a

matter of time before the king ' s victory becomes total. But from his isolated throne in Duncarrow, King Eoghan has discovered his authority is not absolute. There are other powers at play, as sinister as they are resilient. Those close to him curate the facts he is fed, keeping him tucked away in the dark while they issue orders in his name. As his control spirals, and opposing forces gain ground, the king ' s fragile

resolve turns to desperation. Yet, across the kingdom, a quiet but powerful awakening of magic is taking place. One that began generations ago, on a cold night in Duncarrow... For content warnings, please visit sarahmcradit.com.

She's spent half her life working for gloamists, magicians who manipulate shadows to peer into locked rooms, strangle people in their beds, or worse. Gloamists guard their secrets greedily, creating an underground economy of grimoires. And Charlie Hall has to rob their fellow magicians, they need Charlie Hall. Now, she's trying to distance herself from past mistakes, but getting out isn't easy. Bartending at a dive, she's still entirely too close to the corrupt underbelly of the Berkshires.
