[See You At Harry's – I ? Novella](#)

See You at Harry's, written by Jo Knowles, it's a book that will break your heart and put it back together again, with a little more light and a little more hope than there was before. The main character in the book is Fern. She is twelve-years-old and feel invisible. Her dad is always brainstorming new ways to make their family restaurant better.

See You at Harry's - Jo Knowles - Google Books

Starting middle school brings all the usual

challenges - until the unthinkable happens, and Fern and her family must find a way to heal. Twelve-year-old Fern feels invisible. It seems as though everyone in her family has better things to do than pay attention to her. Mum helps Dad run "Harry's," the family restaurant; Sarah is taking a gap year after high school, and Holden pretends that Mum ...

She worries that her family is going to fall

apart from lack of authentic interaction as a family. She was right. See You at Harry's is the story of the tragedy that almost destroys Fern and her family. The pain, anger and grief author Jo Knowles describes are very realistic - not sappy, white washed or cliché, but gut-wrenching and heartbreaking.

See You at Harry's is a wonderful book that will forever remind us of that our lives are not

defined by the amount of time spent 'getting things done'. Life is defined by those little moments that turn into cherished memories we hold so dear to our hearts. This book is a reminder that through even the worst times, these cherished memories will ...

What I love about See
You at Harry's Jo
Knowles skillfully and
sensitively tackles
lots of "coming of
age" issues in her

novel: grief, loss, insecurity, and love. She shows Fern's emotions with simple yet vivid detail, and there were several passages where I had to sigh with admiration at the beauty of her writing.
