an unexpected neurological disorder plunged him into blindness. Randy, believing his future had vanished in the blink of an eye, wondered, "How can my life have meaning now?" Before he could fully answer, he had further to fall. Blindness was far from the worst challenge he would face. See You at the Summit is Randy's uplifting personal account of his journey through adversity to accomplishment. This improbable tale of human resiliency follows Randy as he learns to pick up the pieces of his life while discovering the extreme love, devotion and bravery of his guide dogs. He climbs from his lowest point, persevering to historic achievements in hiking, winning a National Marathon Championship, and becoming a highly sought motivational speaker. Being a CEO at any of the world's largest companies is among the most

For those who shoulder the burden of being the one on whom everyone counts, a manual for excellence is sorely needed. To identify

the 21st century’s best CEOs, the authors of *CEO Excellence* started with a pool of over 2400 public company CEOs. Extensive screening distilled that group into an elite corps, sixty-seven of whom agreed to in-depth, multi-hour interviews. Among those sharing their views: Jamie Dimon (JPMorgan Chase), Satya Nadella (Microsoft), Reed Hastings (Netflix), Kazuo Hirai (Sony), Ken Chenault (American Express), Mary Barra (GM), and Peter Brabeck-Letmathe (Nestlé). The Daily Show (The Book) Sound Wisdom
NEW YORK TIMES
BESTSELLER The
complete, uncensored
history of the award-

winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's

behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers- including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the

reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of

incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on

and off the set of one of America's most groundbreaking shows. *See You at the Top* Random House
Passion, persistence and self-belief transformed Sarina Russo from a fired legal secretary into a fired-up international leader in education, training, recruitment and job creation. *MEET ME at the Top!* is the inspiring and motivational story of how Sarina Russo used adversity as a stepping stone to massive success. In 1979, Sarina combined inspiration and desperation to open a

small typing school with just nine students. On graduation, she promised all the students jobs and she delivered. The ability to achieve is what the Sarina Russo brand stands for and why people have trusted it for nearly four decades. Synonymous with the phrases 'How to Get that Job' and 'See You at the Top', Sarina's philosophy is to constantly challenge the status quo, think differently, exceed expectations and deliver with speed and urgency. Sarina continues to build, both personal and business momentum since *MEET ME at the Top!* was first published in 2002. Sarina's dream to run her

own University campus came to fruition when Russo Higher Education partnered with James Cook University to open James Cook University Brisbane in 2006. Soon afterwards, Sarina expanded into the apprenticeship and trainee sector with Sarina Russo Apprenticeship Services delivering assistance and advice to apprentices and employers in over 600 industry sectors. In 2009, Sarina's leadership qualities saw her 'rev-up' instead of close down when Sarina Russo Job Access lost Government contracts for 11 of her 19 Queensland offices. Determined to make no one

redundant Sarina reinvented the offices as training centres. Sarina fought back six years later to become Australia's largest employment and apprenticeship provider. She now operates over 200 sites globally in Australia, The Midlands in the UK as well as India, Vietnam and China. If you want to be inspired to believe in yourself, go that extra mile and become more, enjoy reading MEET ME at the Top!

Brown has taught us what
it means to dare greatly,

rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Look for Brené Brown's new podcast, Dare to Lead, as well as her ongoing podcast Unlocking Us! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership is not about

titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned

businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, “One of the most important findings of my

career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It’s learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It’s why we’re here.” Whether

you’ve read *Daring Greatly* and *Rising Strong* or you’re new to Brené Brown’s work, this book is for anyone who wants to step up and into brave leadership.

Italy: Tuscan Sun Special! “Reading this book is a vacation in itself.”—The New York Times Book Review (Best Travel Books of the Summer) The Roman Forum, the Leaning Tower, the Piazza San Marco: these are the sights synonymous with Italy. But such landmarks only scratch the surface of this magical country's offerings. In *See You in the Piazza*, Frances Mayes introduces us to the Italy only the locals know, as she and her husband, Ed, eat and drink their way through thirteen

See You at Harry's
Multnomah

In the tradition of novels of Gayle Forman and John Green comes this extraordinary YA debut about a blind teen girl navigating life and love in high school. Parker Grant doesn't need 20/20 vision to see right through you. That's why she created the *Rules*: Don't treat her any differently just because she's

blind, and never take advantage. There will be no second chances. Just ask Scott Kilpatrick, the boy who broke her heart. When Scott suddenly reappears in her life after being gone for years, Parker knows there's only one way to react--shun him so hard it hurts. She has enough on her mind already, like trying out for the track team (that's right, her eyes don't work but her legs still do), doling out tough-love advice to her painfully naive classmates, and giving herself gold stars for every day she hasn't cried since her dad's death three months ago. But avoiding her past quickly proves impossible, and the

more Parker learns about what really happened--both with Scott, and her dad--the more she starts to question if things are always as they seem. Maybe, just maybe, some Rules are meant to be broken. Combining a fiercely engaging voice with true heart, debut author Eric Lindstrom's *Not If I See You First* illuminates those blind spots that we all have in life, whether visually impaired or not.
