The Silence of Animals Abrams

The inspiration for the major motion picture *Ashes in the Snow*! "Few books are beautifully written, fewer still are important; this novel is both." --The Washington Post From New York Times and international bestseller and Carnegie Medal winner Ruta Sepetys, author of *Salt to the Sea*, comes a story of loss and of fear -- and ultimately, of survival. A New York Times notable book An international bestseller A Carnegie Medal nominee A William C. Morris Award finalist A Golden Kite Award winner Fifteen-year-old Lina is a Lithuanian girl living an ordinary life -- until Soviet officers invade her home and tear her family apart. Separated from her father and forced onto a crowded train, Lina, her mother, and her young brother make their way to a Siberian work camp, where they are forced to fight for their lives. Lina finds solace in her art, documenting these events by drawing. Risking everything, she imbeds clues in her drawings of their location and secretly passes them along, hoping her drawings will make their way to her father's prison camp. But will strength, love, and hope be enough for Lina and her family to survive? A moving and haunting novel perfect for readers of *The Book Thief*. Praise for *Between Shades of Gray*: "Superlative. A hefty emotional punch." --The New York Times Book Review "Heart-wrenching . . . an eye-opening reimagination of a very real tragedy written with grace and heart." --The Los Angeles Times "At once a suspenseful, drama-packed survival story, a romance, and an intricately researched work of historical fiction." --The Wall Street Journal * "Beautifully written and deeply felt . . . An important book that deserves the widest possible readership." --Booklist, starred review "A superlative first novel. A hefty emotional punch." --The New York Times Book Review "A brilliant story of love and survival." --Laurie Halse Anderson, bestselling author of *Speak* and *Wintergirls* * "Beautifully written and deeply felt...an important book that deserves the widest possible readership." --Booklist, Starred Review

Between Shades of Gray One World

A distant daughter. A peculiar device. A family lineage full of secrets. When werecat Pawlina Kaczynski finally resurfaces, her location previously unknown to anyone close to her, the reunion is short of welcomed. Instead, she finds herself thrust tooth and nail-tooth and claw-into a feud between opposing werecat clans as her family and their enemies reignite a battle that has raged for years. Always Gray in Winter invites the reader to join the feud and see if blood is truly thicker than water...

Out in the Country NYU Press

A sophisticated investigation into the persistence of myth in the modern world draws on a wide range of memoirs, poems, fiction and philosophy to explore how the human imagination is compelled by hardship into worlds beyond real experience. By the author of *Straw Dogs*.

Straw Dogs Zondervan

The British bestseller *Straw Dogs* is an exciting, radical work of philosophy, which sets out to challenge our most cherished assumptions about what it means to be human. From Plato to Christianity, from the Enlightenment to Nietzsche and Marx, the Western tradition has been based on arrogant and erroneous beliefs about human beings and their place in the world. Philosophies such as liberalism and Marxism think of humankind as a species whose destiny is to transcend natural limits and conquer the Earth. John Gray argues that this belief in human difference is a dangerous illusion and explores how the world and human life look once humanism has been finally abandoned. The result is an exhilarating, sometimes disturbing book that leads the reader to question our deepest-held beliefs. Will Self, in the *New Statesman*, called *Straw Dogs* his book of the year: "I read it once, I read it twice and took notes . . . I thought it that good." "Nothing will get you thinking as much as this brilliant book" (Sunday Telegraph).

Ran and the Gray World, Vol. 1 U of Minnesota Press

Examines the current cultural and political wars within society and advocates for a revitalized Christianity that can see truths in both sides and find new ways of looking at such controversial issues as abortion, homosexuality, and the Iraq War.

*NOW A NETFLIX LIMITED SERIES—from producer and director Shawn Levy (*Stranger Things*) starring Mark Ruffalo, Hugh Laurie, and newcomer Aria Mia Loberti* Winner of the Pulitzer Prize and National Book Award finalist, the beloved instant New York Times bestseller

and New York Times Book Review Top 10 Book about a blind French girl and a German boy whose paths collide in occupied France as both try to survive the devastation of World War II. Marie-Laure lives with her father in Paris near the Museum of Natural History where he works as the master of its thousands of locks. When she is six, Marie-Laure goes blind and her father builds a perfect miniature of their neighborhood so she can memorize it by touch and navigate her way home. When she is twelve, the Nazis occupy Paris, and father and daughter flee to the walled citadel of Saint-Malo, where Marie-Laure's reclusive great uncle lives in a tall house by the sea. With them they carry what might be the museum's most valuable and dangerous jewel. In a mining town in Germany, the orphan Werner grows up with his younger sister, enchanted by a crude radio they find. Werner becomes an expert at building and fixing these crucial new instruments, a talent that wins him a place at a brutal academy for Hitler Youth, then a special assignment to track the Resistance. More and more aware of the human cost of his intelligence, Werner travels through the heart of the war and, finally, into Saint-Malo, where his story and Marie-Laure's converge. Doerr's "stunning sense of physical detail and gorgeous metaphors" (San Francisco Chronicle) are dazzling. Deftly interweaving the lives of Marie-Laure and Werner, he illuminates the ways, against all odds, people try to be good to one another. Ten years in the writing, *All the Light We Cannot See* is a magnificent, deeply moving novel from a writer "whose sentences never fail to thrill" (Los Angeles Times). *A World of Opposites* Random House

Without focus, communication breaks down in all relationships and frustration increases. In the midst of our accelerated progress, our modern society has lost our way. We have a greater consciousness of new possibilities but we feel less connected in our relationships due to our loss of focus. Gray offers practical strategies for increasing focus, clarity, memory, motivation and sustaining positive moods. He explains what causes ADHD, and perhaps even dementia, Alzheimer's disease and Parkinson's disease.

Lanark HarperCollins

A stunning blend of action-packed science fiction and love against the odds. Perfect for fans of the *DIVERGENT* series. Noemi Vidal dreams of travelling through the stars one more time - but she is now an outcast from her home planet of Genesis after a forbidden trip through the galaxy with Abel, the most advanced cybernetic man ever created. But when a deadly plague arrives on Genesis, Noemi gets her chance. As the only soldier to have ever left the planet, it will be up to her to save its people...if only she wasn't flying straight into a trap. On the run to avoid his depraved creator's clutches, Abel believes he's said goodbye to Noemi for the last time. After all, the entire universe stands between them...or so he thinks. When word reaches him of Noemi's capture by the very person he's trying to escape, Abel knows he must go to her, no matter the cost. But capturing Noemi was only part of Burton Mansfield's master plan. In a race against time, Abel and Noemi will come together once more to discover a secret that could save the known worlds, or destroy them all.

If God can take David -- the invisible eighth son of a forgotten family -- and turn him into a king, just imagine what magnificent plans He has for redeeming your life. David was born a number 8 -- a hidden gem, often overlooked and undervalued by everyone except for God. For David, being a number 8 seemed like a curse until the day God transformed him from the unknown eighth son of Jesse into the much-honored king of Israel. When God sends out an invitation to greatness, His directions don't always make sense to us. You may feel like the most invisible, broken number 8 out there, but God sees your hidden value and is growing you for better things. David didn't know it, but his time as a simple shepherd with a dull future did not go unnoticed by God. In David's darkest moments, he was cultivating the kind of gifts, wisdom, and leadership he would need to become a king. Even when you're an underdog in the eyes of the world, God is working behind the scenes to develop you into a king or queen.

A Million Worlds with You Farrar, Straus and Giroux

Lydia's job at the library is her world—she never expected to be a suspect to a murder. And now she must rely on the one man she's not sure she can trust. Just months after the closure of the Chicago World's Fair, librarian Lydia Bancroft finds herself fascinated by a mysterious dark-haired and dark-eyed patron. He has never given her his name; he actually never speaks to a single person. All she knows about him is that he loves books as much as she does. Only when he rescues her in the lobby of the Hartman Hotel does she discover that his name is Sebastian Marks. She also discovers that he lives at the top of the prestigious hotel and that most everyone in Chicago is intrigued by him. Lydia and Sebastian form a fragile friendship, but when she discovers that Mr. Marks isn't merely a very wealthy gentleman, but also the proprietor of an infamous saloon and gambling club, she is shocked. Lydia insists on visiting the club one fateful night and suddenly is a suspect to a murder. She must determine who she can trust, who is innocent, and if Sebastian Marks—the man so many people fear—is actually everything her heart believes him to be. "Shelley Gray writes a well-paced story full of historical detail that will invite you into the romance, the glamour . . . and the mystery surrounding the Chicago World's Fair." —Colleen Coble, USA Today bestselling author of *Rosemary Cottage* and the *Hope Beach* series *The Chicago World Fair Mystery* series Book 1—*Secrets of Sloane House* Book 2—*Deception on Sable Hill* Book 3—*Whispers in the Reading Room* Book length: 86,000 words Includes discussion questions for book clubs *When The World Is Dreaming* Simon and Schuster

This novel is a work of extraordinary imagination and wide range. Its playful narrative techniques convey a profound message, both personal and political, about humankind's inability to love and yet our compulsion to go on trying.

Winner of the Modern Language Association's Prize for Studies in Native American Literatures, Cultures, and Languages Winner of the American Historical Association's Albert J. Beveridge Award Winner of NAISA's Best Subsequent Book Award Winner of the Western History Association's John C. Ewers Award Finalist for the John Hope Franklin Prize What if we saw indigenous people as the active agents of global exploration rather than as the passive objects of that exploration? What if, instead of conceiving of global exploration as an enterprise just of European men such as Columbus or Cook or Magellan, we thought of it as an enterprise of the people they "discovered"?

What could such a new perspective reveal about geographical understanding and its place in struggles over power in the context of colonialism? The World and All the Things upon It addresses these questions by tracing how Kanaka Maoli (Native Hawaiian people) explored the outside world and generated their own understandings of it in the century after James Cook’s arrival in 1778. Writing with verve, David A. Chang draws on the compelling words of long-ignored Hawaiian-language sources—stories, songs, chants, and political prose—to demonstrate how Native Hawaiian people worked to influence their metaphorical “place in the world.” We meet, for example, Kaʻiana, a Hawaiian chief who took an English captain as his lover and, while sailing throughout the Pacific, considered how Chinese, Filipinos, Pacific Islanders, and Native Americans might shape relations with Westerners to their own advantage. Chang’s book is unique in examining travel, sexuality, spirituality, print culture, gender, labor, education, and race to shed light on how constructions of global geography became a site through which Hawaiians, as well as their would-be colonizers, perceived and contested imperialism, colonialism, and nationalism. Rarely have historians asked how non-Western people imagined and even forged their own geographies of their colonizers and the broader world. This book takes up that task. It emphasizes, moreover, that there is no better way to understand the process and meaning of global exploration than by looking out from the shores of a place, such as Hawaiʻi, that was allegedly the object, and not the agent, of exploration.

Everyone agrees that America is polarized, with ever-hardening positions held by people less and less willing to listen to one another. No one agrees on what to do about it. One solution that hasn’t yet been tried, says Adam Hamilton, is for thinking persons of faith to model for the rest of the country a richer, more thoughtful conversation on the political, moral, and religious issues that divide us. Hamilton rejects the easy assumptions and sloppy analysis of black and white thinking, seeking instead the truth that resides on all sides of the issues, and offering a faithful and compassionate way forward. He writes, "I don't expect you to agree with everything I've written. I expect that in the future even I won't agree with everything I've written here. The point is not to get you to agree with me, but to encourage you to think about what you believe. In the end I will be inviting those of you who find this book resonates with what you feel is true, to join the movement to pursue a middle way between the left and the right - to make your voices heard - and to model for our nation and for the church, how we can listen, learn, see truth as multi-sided, and love those with whom we disagree." Seeing Black and White in a Gray World Abingdon Press

A fascinating and stunning novel from Pete Wentz, the founder and bassist of punk sensation Fall Out Boy—that reveals the dark side of rock-and-roll. Sometimes, late at night in the hotel room, after the lights have gone out and the mistakes have already been made, when it is heavy and silent and still, I lie awake and listen to my pulse on the pillow... Imagine you are on a tour bus, the miles whistling away beneath you as you sleep. Tomorrow you will wake up in downtown Somewhere. It doesn’t matter. All the skylines look the same. Time is only marked by events. The world is on a first-name basis with you. But you...you barely even know yourself. There are those who give in completely to the idea of what it means to be famous. And those who can’t ever seem to leave the past behind. Life is a deep and contemplative story stuck on repeat—love, loss, self-destruction, self-discovery. If you could go back to the way things were before you made it...would everything still be gray?

Truth Abrams

For the decade that followed the end of the cold war, the world was lulled into a sense that a consumerist, globalized, peaceful future beckoned. The beginning of the twenty-first century has rudely disposed of such ideas—most obviously through 9/11 and its aftermath. But just as damaging has been the rise in the West of a belief that a single model of political behavior will become a worldwide norm and that, if necessary, it will be enforced at gunpoint. In *Black Mass*, celebrated philosopher and critic John Gray explains how utopian ideals have taken on a dangerous significance in the hands of right-wing conservatives and religious zealots. He charts the history of utopianism, from the Reformation through the French Revolution and into the present. And most urgently, he describes how utopian politics have moved from the extremes of the political spectrum into mainstream politics, dominating the administrations of both George W. Bush and Tony Blair, and indeed coming to define the political center. Far from having shaken off discredited ideology, Gray suggests, we are more than ever in its clutches. *Black Mass* is a truly frightening and challenging work by one of Britain's leading political thinkers.

Ran and the Gray World, Vol. 2 Barbour Publishing

Inspiring teachings centered on navigating our world’s collective challenges with indigenous wisdom and the power of psychedelics • With contributions from Christopher Bache, Zoe Helene, Dennis McKenna, Martina Hoffmann, The Dank Duchess, Jamie Wheal, Grandmother Maria Alice, and others • Explores the immense healing intelligence of nature, the wisdom of ancient Indigenous prophecies and shamanic practices, the importance of the Divine Feminine for environmental regeneration, and the crucial role of psychedelic and entheogenic plants in initiating transformations of consciousness Exploring the way forward for humanity in the face of unprecedented crisis, more than 25 contributors show how the wisdom of Indigenous peoples and the power of psychedelics can help us enact the radical shift in consciousness necessary to navigate the collapse of the old world order and the birth of a new consciousness. We hear from psychedelic visionaries Christopher Bache, Zoe Helene, Wade Davis, Chris Kilham, Laurel Sugden, and others on the promise of psychedelic medicines for spiritual and healing work. We learn about Indigenous stories to support our transformation from Native American leader Solana Booth, ancestral memory from Grandmother Maria Alice Campos Freire, cannabis’s role in world building from Minelli Eustácio-Costa, the ritual roots of talking plants from Michael Stuart Ani, and alchemy across the arc of time from shaman Ya’Acov Darling Khan. We also hear from cannabis grower The Dank Duchess; Tyson Yunkaporta, Australian Aboriginal artist and scholar; visionary artist Martina Hoffmann; activist Duane Elgin; Kohenet Rachel Kann, ordained Jewish priestess and ceremonialist; and several other wise leaders for our time. Throughout these profound essays we are reminded of the immense healing intelligence of our plant allies, of the wisdom of shamanic practices, of the importance of the Divine Feminine for environmental regeneration, and of the crucial role of entheogenic plants in initiating transformations of consciousness and healing our world’s collective disconnection from Spirit.

Americans have built an empire on the idea of “race,” a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates’s attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children’s lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.
