Americans have built an empire on the idea of " race, " a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates ' s attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from

the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children ' s lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

At the age of eight, Josiah took his place on the throne as King in Jerusalem. It began the fulfillment of the prophetic destiny that had been established for and about Josiah over three-hundred years earlier. He reigned as king for thirty-one years, and in that time he led the nation and the people through a time of revival and reconnection with God and God's ways. This book explores how Josiah carried the torch for revival, and draws on some principles from his reign that we can apply to see God bring a great revival in our day as well. When destiny overtakes reality there is a powerful thing that happens. It is time for you to step into your destiny today.

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the

coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama

and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

"Mere Christianity" is the most popular of C. S. Lewis's books. This book brings together Lewis's legendary radio broadcast talks in which he set out simply "to explain and defend the belief that has been common to nearly all Christians at all times". Rejecting the boundaries that divide Christianity's many denominations, "Mere Christianity" is Lewis's term for the essential Christian message--the theological core on which diverse Christian traditions can stand together.

"Rich in magic and mythos, *Beasts of Prey* is a feast for all the senses." —Renée Ahdieh, New York Times bestselling author of *The Beautiful An Instant* New York Times and Indie Bestseller There's no such thing as magic in the broken city of Lkossa, especially for sixteen-year-old Koffi, who indentured to the notorious Night Zoo, knows the fearsome creatures in her care and paying off her family's debts to secure their eventual freedom can be her only focus.

But the night those she loves are gravely threatened by the Zoo ' s cruel master, Koffi unleashes a power she doesn ' t fully understand, upending her life completely. As the second son of a decorated hero, Ekon is all but destined to become a Son of the Six—an elite warrior—and uphold a family legacy. But on the night of his final rite of passage, Ekon encounters not only the Shetani—a vicious monster that has plagued the city for nearly a century and stalks his nightmares—but Koffi who seems to have the power to ward off the beast. Koffi ' s power ultimately saves Ekon, but his choice to let her flee dooms his hopes of becoming a warrior. Desperate to redeem himself, Ekon vows to hunt the Shetani and end its reign of terror, but he can ' t do it alone. Koffi and Ekon form a tentative alliance and together enter the Greater Jungle, a world steeped in wild, frightening magic and untold dangers. The hunt begins. But it quickly becomes unclear whether they are the hunters or the hunted. “ The hunt for your next YA fantasy book trilogy obsession has ended. ” —Entertainment Weekly

A stunning blend of action-packed science fiction and love against the odds. Perfect for fans of the DIVERGENT series. Noemi Vidal dreams of travelling through the stars one more time - but she is now an outcast from her home planet of Genesis after a forbidden trip through the galaxy with Abel, the most advanced cybernetic man ever created. But when a deadly plague arrives on Genesis, Noemi gets her chance. As the only soldier to have ever left the planet, it will be up to her to

save its people...if only she wasn't flying straight into a trap. On the run to avoid his depraved creator's clutches, Abel believes he's said goodbye to Noemi for the last time. After all, the entire universe stands between them...or so he thinks. When word reaches him of Noemi's capture by the very person he's trying to escape, Abel knows he must go to her, no matter the cost. But capturing Noemi was only part of Burton Mansfield's master plan. In a race against time, Abel and Noemi will come together once more to discover a secret that could save the known worlds, or destroy them all.

Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichs that minimize a womans true position in

This declaration reaffirms a historic commitment to fully orbed conservative Christianity. The authors believe in transcendent, absolute principles of truth, goodness, and beauty; they are confident that such principles are knowable; and they are determined to align themselves and their ministries to those principles in our pursuit of the whole counsel of God. They also pledge to conserve those institutions and forms that best reflect a recognition and respect for this transcendent order. The authors offer this document out of a deep love for Christ, his gospel, his inerrant Word, and his church, and from a humble desire to help churches conserve and nourish historic, biblical Christianity by affirming the teachings of the Bible concerning truth, goodness, beauty, and rightly ordered affections in life and ministry.

When Christians Get It Wrong Farrar, Straus and Giroux

"DON'T read this book if you want to remain comfortable! Eric challenges us to consider what Biblical discipleship looks like based on what Jesus did. Eric writes this book with the integrity of a man who is not merely theorizing about the way things ought to be, rather he is describing what is actually happening as he builds Biblical disciples in the context of the inner city. This book is soundly Biblical, challenging and practical. This book is about building disciples not programs." Roger Hershey, Campus Crusade For Christ "It is a joy to highly commend to all Discipleship Defined, for it is exactly the prescription that is needed for the Church to regain much of our

lost effectiveness. "Discipleship Defined" has carefully described, yet without programming it into a rigid system, how to go about this challenging task." Walter C. Kaiser, Jr., President Emeritus Gordon-Conwell Theological Seminary "Eric Russ gives us some very straight forward thinking about discipleship, a topic widely misunderstood and undervalued. Moving away from piety-driven discipleship, Russ points us toward a holistic, Christ-centered way of following Jesus." Jonathan Dodson, Lead Pastor Austin City Life, Austin, TX. "Eric has a healthy obsession about strong discipleship, and it shows in a gracious way in this guidebook for muscular commitment. Can you be obsessed and still have a gracious spirit? Eric does, and so does this book!" Knute Larson, Senior Pastor The Chapel, Akron, OH (1983-2009) Eric Russ is lead pastor of Mack Avenue Community Church in Detroit, Michigan. He is married to Sara and has four children. For more information visit www.discipleshipdefined.com or www.mackave.com.

The Gray Man HarperCollins

The fate of the multiverse rests in Marguerite's hands in the final installment of the Firebird trilogy by New York Times bestselling author Claudia Gray. Ever since she used the Firebird, her parent's invention, to cross through alternate dimensions, Marguerite has been at the center of a cross-dimensional feud. Now she has learned that the evil Triad Corporation plans to destroy hundreds of universes, using their ultimate weapon: another dimension's Marguerite who is wicked, psychologically twisted, and always one step ahead. Even though her boyfriend Paul has always been at Marguerite's side, the Triad's last attack has left him a changed man, and he may never be the same again. Marguerite alone must stop Triad and prevent the destruction of the multiverse. It's a battle of the Marguerites . . . and only one can win. In the epic conclusion to the sweeping series that kicked off with A Thousand Pieces of You, fate and family will be questioned, loves will be won and lost, and the multiverse will be forever changed.

Cloud Atlas meets Orphan Black in this epic dimension-bending trilogy by New York Times bestselling author Claudia Gray about a girl who must chase her father's killer through multiple dimensions. Marguerite Caine's physicist parents are known for their groundbreaking achievements. Their most astonishing invention, called the Firebird, allows users to jump into multiple universes—and promises to revolutionize science forever. But then Marguerite's father is murdered, and the killer—her parent's handsome, enigmatic assistant Paul— escapes into another dimension before the law can touch him. Marguerite refuses to let the man who destroyed her family go free. So she races after Paul through different universes, always leaping into another version of herself. But she also meets alternate versions of the people she knows—including Paul, whose life entangles with hers in increasingly familiar ways. Before long she begins to question Paul's guilt—as well as her own heart. And soon she discovers the truth behind her father's death is far more sinister than she expected. A Thousand Pieces of You explores an amazingly intricate multi-universe where fate is unavoidable, the truth elusive, and love the greatest mystery of all.
