Seeing Gray in a World of Black and White
Destiny Image Publishers

In this blockbuster fantasy series, perfect for fans of *Firekeeper's Daughter* and *Iron Widow*, fate binds two Black teenagers together as they journey into a magical jungle to hunt down a vicious monster. "Rich in magic and mythos, *Beasts of Prey* is a feast for all the senses." —Renée Ahdieh, New York Times bestselling author of *The Beautiful An Instant* New York Times and Indie Bestseller
There's no such thing as magic in the broken city of Lkossa, especially for sixteen-year-old Koffi, who indentured to the notorious Night Zoo, knows the fearsome creatures in her care and paying off her family's debts to secure their eventual freedom can be her only focus. But the night those she loves are gravely threatened by the Zoo's cruel master, Koffi unleashes a power she doesn't fully understand, upending her life completely. As the second son of a decorated hero, Ekon is all but destined to become a Son of the Six—an elite warrior—and uphold a family legacy. But

on the night of his final rite of passage, Ekon encounters not only the Shetani—a vicious monster that has plagued the city for nearly a century and stalks his nightmares—but Koffi who seems to have the power to ward off the beast. Koffi's power ultimately saves Ekon, but his choice to let her flee dooms his hopes of becoming a warrior. Desperate to redeem himself, Ekon vows to hunt the Shetani and end its reign of terror, but he can't do it alone. Koffi and Ekon form a tentative alliance and together enter the Greater Jungle, a world steeped in wild, frightening magic and untold dangers. The hunt begins. But it quickly becomes unclear whether they are the hunters or the hunted. "The hunt for your next YA fantasy book trilogy obsession has ended."

After over forty years working in medical professions ranging from orderly to hospital administrator, Louis West thought he knew all there was to know about the healthcare system. But when his wife suffered a massive bi-lateral stroke in 2002, Louis received a crash course in

healthcare from the patient and caregiver's point of view. In *Never Quit Until You Win: A Journey of Faith and Medicine*, Louis describes his and Betty's journey through the healthcare and insurance system as he learns to be an advocate and caregiver for Betty. In this touching and inspirational story, Louis passes on the lessons he and Betty learned, aided by a strong faith in God, as well as many wonderful friends and healthcare professionals. ..".Louis has written a book for all of us to inspire the best in our human nature under the harshest of circumstances. He speaks of how to move from fear to faith and on to fight - a moving tribute to a partner, but also a lesson in humanity." - Edward Fox, MD

Louis West has over forty years experience in Hospital Administration and an additional ten years as a medical technologist. He has a BBA from Texas Tech University and a Master of Science in Health Professions from Texas State University. He also is a Life Fellow in the American College of Healthcare Executives. In 2009 he was appointed by the Governor of Texas to serve on the Texas Council on Cardiovascular Disease and Stroke.

Cloud Atlas meets Orphan Black in this epic dimension-bending trilogy by New York Times bestselling author Claudia Gray about a girl who must chase her father's killer through multiple dimensions. Marguerite Caine's physicist parents are known for their groundbreaking achievements. Their most astonishing invention, called the Firebird, allows users to jump into multiple universes—and promises to revolutionize science forever. But then Marguerite's father is murdered, and the killer—her parent's handsome, enigmatic assistant Paul— escapes into another dimension before the law can touch him. Marguerite refuses to let the man who destroyed her family go free. So she races after Paul through different universes, always leaping into another version of herself. But she also meets alternate versions of the people she knows—including Paul, whose life entangles with hers in increasingly familiar ways. Before long she begins to question Paul's guilt—as well as her own heart. And soon she discovers the truth behind her father's death is far more sinister than she expected. *A Thousand Pieces of You* explores an amazingly intricate multi-universe where fate is unavoidable, the truth elusive, and love the greatest mystery of all. [Seeing Black and White in a Gray World](#) Literary Licensing, LLC

From the provocative author of *Straw Dogs* comes an incisive, surprising intervention in the political and scientific debate over religion and atheism. When you explore older atheisms, you will find that some of your firmest convictions—secular or religious—are highly questionable. If this prospect disturbs you, what you are looking for may be freedom from thought. For a generation now, public debate has been corroded by a shrill, narrow derision of religion in the name of an often vaguely understood “science.” John Gray’s stimulating and enjoyable new book, *Seven Types of Atheism*, describes the complex, dynamic world of older

atheisms, a tradition that is, he writes, in many ways intertwined with and as rich as religion itself. Along a spectrum that ranges from the convictions of "God-haters" like the Marquis de Sade to the mysticism of Arthur Schopenhauer, from Bertrand Russell's search for truth in mathematics to secular political religions like Jacobinism and Nazism, Gray explores the various ways great minds have attempted to understand the questions of salvation, purpose, progress, and evil. The result is a book that sheds an extraordinary light on what it is to be human.

Gray World HarperCollins

The fate of the multiverse rests in Marguerite's hands in the final installment of the Firebird trilogy by New York Times bestselling author Claudia Gray. Ever since she used the Firebird, her parent's invention, to cross through alternate dimensions, Marguerite has been at the center of a cross-dimensional feud. Now she has learned that the evil Triad Corporation plans to destroy hundreds of universes, using their ultimate weapon: another dimension's Marguerite who is wicked, psychologically twisted, and always one step ahead. Even though her boyfriend Paul has always been at Marguerite's side, the Triad's last attack has left him a changed man, and he may never be the same again. Marguerite alone must stop Triad and prevent the destruction of the multiverse. It's a battle of the Marguerites . . . and only one can win. In the epic conclusion to the sweeping series that kicked off with *A Thousand Pieces of You*, fate and family will be questioned, loves will be won and lost, and the multiverse will be forever changed.

Beasts of Prey One World

The British bestseller *Straw Dogs* is an exciting,

radical work of philosophy, which sets out to challenge our most cherished assumptions about what it means to be human. From Plato to Christianity, from the Enlightenment to Nietzsche and Marx, the Western tradition has been based on arrogant and erroneous beliefs about human beings and their place in the world. Philosophies such as liberalism and Marxism think of humankind as a species whose destiny is to transcend natural limits and conquer the Earth. John Gray argues that this belief in human difference is a dangerous illusion and explores how the world and human life look once humanism has been finally abandoned. The result is an exhilarating, sometimes disturbing book that leads the reader to question our deepest-held beliefs. Will Self, in the *New Statesman*, called *Straw Dogs* his book of the year: "I read it once, I read it twice and took notes . . . I thought it that good." "Nothing will get you thinking as much as this brilliant book" (*Sunday Telegraph*).

The Faith of Islam VIZ Media LLC

At the age of eight, Josiah took his place on the throne as King in Jerusalem. It began the fulfillment of the prophetic destiny that had been established for and about Josiah over three-hundred years earlier. He reigned as king for thirty-one years, and in that time he led the nation and the people through a time of revival and reconnection with God and God's ways. This book explores how Josiah carried the torch for revival, and draws on some principles from his reign that we can apply to see God bring a great revival in our day as well. When destiny overtakes reality there is a powerful thing that happens. It is time for you to step into your destiny today.

Feline Philosophy Abingdon Press
Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View
Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history

with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichés that minimize a womans true position in Christ!

Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

The Gray Earth InterVarsity Press
A sophisticated investigation into the persistence of myth in the modern world draws on a wide range of memoirs, poems, fiction and philosophy to explore how the human imagination is compelled by hardship into worlds beyond real experience. By the author of *Straw Dogs*.

London ; Toronto : Cassell

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight

to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

A stunning blend of action-packed science fiction and love against the odds. Perfect for fans of the *DIVERGENT* series. Noemi Vidal dreams of travelling through the stars one more time - but she is now an outcast from her home planet of Genesis after a forbidden trip through the galaxy with Abel, the most advanced cybernetic man ever created. But when a deadly plague arrives on Genesis, Noemi gets her chance. As the only soldier to have ever left the planet, it will be up to her to save its people...if only she wasn't flying straight into a trap. On the run to avoid his depraved creator's clutches, Abel believes he's said goodbye to Noemi for the last time. After all, the entire universe stands between them...or so he thinks. When word reaches him of Noemi's capture by the very person he's trying to

escape, Abel knows he must go to her, no matter the cost. But capturing Noemi was only part of Burton Mansfield's master plan. In a race against time, Abel and Noemi will come together once more to discover a secret that could save the known worlds, or destroy them all.
